

## **Rapture Thoughts**

In a twinkling of an eye,  
were about to say goodbye!  
Taken out with a shout,  
up in glory!  
Tell this story,  
the time is drawing nigh!

Reaching out a hand,  
to those that don't understand.  
I`m a feeble man;  
I do what I can.  
My heart is breaking,  
I just can't take in  
those who will be left behind!

Brothers can you help!  
Get the gospel out.  
A final rally,  
a final shout;  
please tell them what it's all about.
