

## **Not worthy!**

Who am I? that I should have a tab on the Time for Truth! page;  
who once was full of anger, bitter and rage!  
Who am I a sinner; once blind and indiscreet,  
that I should be accepted of people so gentle and sweet!  
Nothing can I claim to be, but accepted in my beloved.  
I`ve found at last my spiritual home,  
a family who have made me one of their own!
