

## The Pocket Testament League - *Introductory Note*

The two pages inserted below are from the Great War Forum site [1914-1918.invisionzone.com/forums/index.php?showtopic=152655](http://1914-1918.invisionzone.com/forums/index.php?showtopic=152655). The Pocket Testament League clearly knew how to communicate the Gospel of Christ. They gave 400,000 Testaments to men of the BEF in 1914 alone, [www.ptl.org/about/history.php](http://www.ptl.org/about/history.php). It would seem that via the various Christian groups of the time, virtually every Great War British soldier mobilised i.e. over 6 million, would, or could, have received a Bible or New Testament.
