(Issue 1 - first sent out March 2001)

For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words.

Good year so far? *It's coming to the end!*

So far 2017 has been a good year for us here at Tft! & JDA. The Gospel is getting out, lots of new literature has been produced & the JDA business is going well. We are very thankful to the Lord for His help & blessing. Although The Oaks Church has seen some folks leave recently, it has now 'regrouped', & we feel that now we have a 'bunch' of committed Christians, united, & all moving forward in the right direction. (Ps 133v1, Eph 4v3, Eph 4v13). Oaks is NOT the place for arrogant, attention-seeking Christians who have no interest in studying the Bible & reaching lost sinners with the Gospel. If you're thinking of coming you'd better take that into consideration. I'd rather have 10 Christians who are sold out to serving the Lord than 100 backslidden ones who turn up as & when. I haven't the time or interest to 'wet nurse' effeminate Christians, Capiche? *Get on board or get out of our way!*

THE END? – NEW tract from Time for Truth!

We received the following email regarding our new booklet – *'Dear John, I hope you don't mind but I took the initiative to use the word version of 'the End of your Life' tract and sent it to a friend's daughter who has terminal cancer? We don't know how much time she has left and really felt prompted by the Lord not to wait until the tract was official in case it was too late. I had to copy and paste it as she isn't able to download attachments. I have pasted the email I sent to her below. Please pray that she will read it and get saved! Have a blessed week. E. Dear _____, M..... has told me that you are back home with your family and I just wanted you to know that I have never stopped praying for you and your situation but especially for you to come to understand your need of Jesus as your personal Lord and Saviour. I hope that you won't mind but M..... has said that you have difficulty opening attachments so I have copied and pasted a really important message that I hope and pray you will read. I had a shock email from a friend to say that her husband suddenly died in the early hours of this morning. Thankfully, he believed in Jesus as his Lord and Saviour so he is now in heaven with Him. None of us know how much time we have on this earth and we need to make sure of our destination after we leave this life and I am praying that you will take the time to read this message before it is too late. Praying that you will have a blessed week with no pain and the ability to enjoy being with your family. With love from, E.'* This lady knows how important this new tract is. It doesn't pull any punches & explains the Gospel clearly. Only 12p each – have you ordered some?

Very encouraging emails to receive...

Hello John I just received my CD's and tracts a few days ago and I am listening to them every night. I am being so blessed from your ministry and I just wanted to thank you. I love the way you teach and I am trying to visit your web site every day. Dr Ruckman would be so proud of you. Again thank you for caring about me enough to help me learn about the LORD JESUS CHRIST. May God bless you and your family and ministry. Makes everything so worthwhile doesn't it. I can't even begin to explain to you how encouraging this kind of email is to us. The whole Time for Truth! team lives to serve the Lord in every way we can. If someone is blessed by the ministry we all rejoice together. I couldn't do what I do without the Lord & without the Tft! team. May the Lord guide us in every decision we make.

Hi John: Thanks for CHRISTIAN SOLDIER'S BATTLE NOTES. It is a tremendous work! One of my all-time favourites. Thanks; Brother P.

New Gospel Coasters – fantastic ‘product’ for distribution.

They look fabulous if I say it myself. **Printbridge** have done a great job & at ONLY 5p each they are amazing value. This is the type of ‘tract’ to leave everywhere, & one that youngsters will take & read. We have ordered 20,000, so if you want to tract your whole street & neighbourhood, just let us know how many you would like. They would also be great to offer your ‘local pub’ as they use coasters all the time, & what better way to get the Gospel into these kind of places than through coasters. So far they have

been greatly received & we hope & pray that souls shall be saved through them as they are widely distributed. They are good to use in your homes & at church, as visitors always pick them up & read them. These are also a great ‘tract’ to push through people’s letterboxes as they won’t bend & people will often USE THEM in their homes, as coasters are such a useful product.

Upsetting the Calvinists...

The **Hyper-Diapers** are the dumbest CULT out, no doubt about it, but not far behind are the **Calvinists!** Recently I was sent the following list by a **Calvinist...**

1. Arthur W. Pink: 1886-1952 - Bible teacher, theologian, and author of *The Sovereignty of God*
2. Augustus Toplady: 1740-1778 - Author of “Rock Of Ages” and other hymns
3. Benjamin Keach: 1640-1704 - Primary author of the 1689 Baptist Confession
4. B.H. Carroll: 1843-1914 - Founder South Western Theological Seminary
5. Charles Spurgeon: 1834-1892 - Famous Baptist preacher, known as the Prince of Preachers
6. Francis Schaeffer: 1912-1984 - Author of “How Shall We Then Live” video series
7. George Mueller: 1805-1898 - Christian evangelist and orphanage director
8. George Whitefield: 1714-1770 - Evangelist & preacher
9. J. C. Ryle: 1816-1900 - Writer, pastor, evangelical preacher
10. J.P. Boyce: 1827-1888 - Founder Southern Baptist Theological Seminary
11. John Bunyan: 1628-1688 - Author of *Pilgrim’s Progress*
12. John Calvin: 1509-1564 - Preacher & Bible scholar
13. John L. Dagg: 1794-1884 - Baptist theologian
14. John Foxe: 1516-1587 - Author of *Foxe’s Book Of Martyrs*
15. John Gill: 1697-1771 - Renowned theologian and Bible commentator
16. John Knox: 1513-1572 - Founder of Presbyterianism
17. John Newton: 1725-1807 - Wrote the hymn “Amazing Grace”
18. John Owen: 1616-1683 Theologian and author – ‘Probably the greatest theologian who ever lived’ (*What a joke!!!*)
19. Jonathan Edwards: 1703-1758 - Evangelist, preacher, author
20. Martyn Lloyd-Jones: 1899-1981 - Pastor and theologian
21. Martin Luther: 1483-1546 - Protestant Reformer
22. Matthew Henry: 1662-1712 - Famous Bible commentator
23. Roger Williams: 1603-1683 - Founded the first Baptist church in America
24. William Carey: 1761-1834 - Missionary
25. William Wilberforce: 1759-1833 - Slavery abolitionist
26. John Flavel - Author of ‘The Mystery Of Providence’

Now these were *great men* of God, used by God *in their time*, **BUT...** all of them put together couldn’t hold a candle up to **Peter Ruckman** when it comes to **Biblical understanding & rightly dividing the word of truth**. Compared to Ruckman ALL of the above are *novices* regarding the Scriptures. Some of the men listed above were much better *evangelists & pastors* than Ruckman, but not one of them *knew their Bibles* anywhere near like Ruckman, especially regarding *depth* in the Scriptures & sound doctrine. **Peter Ruckman is in a class of his own, period!** When it comes to understanding the Scriptures IN CONTEXT & rightly DIVIDING them, **Calvinists are totally useless**. I’ve never met one who could *understand* the Scriptures without pulling them *out of context* & trying to twist them to fit their **man-made heresies**. Just have a look on the Time for Truth! website ‘**ERRORS of Calvinism**’ & you’ll have enough ammo to sink every TULIP-sniffing-Calvinist. Like Wesley said... **“Calvinism is from the pit of HELL!”** Amen & AMEN! All the men listed above were great at *devotional* teaching, but when it comes to deep sound doctrine, beware, BE VERY AWARE! I think Will Kinney is excellent on the KJV Bible & the version issue, but when he tries to ‘rightly divide the Scriptures’ *through his Calvinism*, he’s a DEAD DUCK & I like the guy.

O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not! Mat 23v37

New literature table for using in villages, towns & cities

We recently bought a new literature table for Callum & Allison to use in their street work. They are moving down to Worcestershire soon & shall be actively involved in evangelism at the Oaks Church & Time for Truth! This is an ideal table for using in towns etc. as it is a perfect size (not too big) & very lightweight to carry. You can purchase these from Homebase. We are still working on the 'Literature Cart' but it is taking some time to design & produce. We'll keep you posted.

The Oaks Church update...

Since losing some folks recently, the Lord has certainly been blessing us... remember the pruning article in the last Tft! NEWS! During June we had two ladies from the USA & one guy from Canada join us, which was very encouraging. As you know **Callum & Allison** are moving down from Scotland soon to settle down at **The Oaks Church**. They will get involved with *local* evangelism, & have purchased a house in Stourport-on-Seven already. **Cristian & family** have also proven to be faithful members & support every meeting, & certainly have a love & desire to know the word of God more, & get as close to the Lord Jesus Christ as possible. These are 'hungry' Christians who can listen to an hour's Bible teaching without flinching, something seldom seen in today's 'modern' church. We continue to preach & teach the KJV Bible making no apologies who it offends or upsets. It is also a great blessing to have Liz's sister **Paula ('Poundland')** join us every month from London. We are looking forward to **Callum & Allison** working in the local area, sowing tracts, getting the Gospel out, & building up relationships with different people around Kidderminster & the surrounding areas. We have a good team, a united team wanting to serve the Lord with all their hearts.

Pray for Cristian...

He's just changed jobs & as you know, being a Christian in the workplace can be very difficult, so please uphold him in your prayers along with his family. He is a very hard & conscientious worker & is very talented at 'I.T.'. If you are looking to create a website, let me know & I can put you in contact with Cristian. He'll cut you a good deal... *just mention my name!!!* Both Cristian & Barry can probably solve **all** your IT needs.

Very encouraging email...

Time for truth is a blessing! I just finished the latest one... Amen! Keep fighting brother! Recently my Pastor's Dad (also a Preacher/Pastor) won an Iranian Dr to the Lord. You never know. I want to thank you for some of the challenging questions you asked about my personal walk with the Lord. Your comments about how a Pastor sees it is also something I will be thinking about. Please pray I will be faithful, & also a faithful witness. Marc, USA.

Another great email to receive...

...Yes, these guys on YouTube, I figured they were Hypers. They all do A LOT of 'talking'. They are against assembling together with other believers in church, and spend an enormous amount of time talking other Christians out of going to church, and being under preaching from pastor or preacher. They'd rather sit in their homes "teaching". They are "chair borne rangers". I listened to the guy you pointed out, I figured he must have been a Hyper-Diaper. They despise Bible believing Christians, especially the ones who diligently soul win. (Ed-Pfenny, Baby-Eli, EC Moore etc.) God help me to be more of a soul winner, telling them about the Gospel, I may lose friends on "FB" but oh well, pray for me to be more courageous for the Lord.

FREE Music CD by the Tft! Girls

Ok so I'm biased, but I think this is one of the loveliest Hymns & Christian songs CD you'll ever hear before Heaven. It's yours FREE, just request it! You can freely copy it & send it to others who you think will be blessed by it. Donna, Dee & Toy sing really well together & the Lord has certainly blessed this part of the ministry. Perhaps some of you would upload it to YouTube for us & let us know the link. Many thanks. It has been really encouraging how many of you who have ordered this CD.

A few notes from Ruckman's commentary on the book of Acts with a few added notes from me.

First of all, every Christian should order this book, it is absolutely excellent, & will be a great help to you in understanding the Bible dispensationally. (We stock it - see our website)

Commentary on Acts - Fully covers the errors of the Roman Catholics, hyper-Calvinists, hyper-Dispensationalists, and other assorted apostates, tracing the progression of the Gospel and of revelation from Pentecost onward. Also puts in modern terms the lives of the Apostles and New Testament Christians. Full colour cover. 847 pages. Gluebound. Price: £17.75 (plus p&p)

The title is correct, 'The ACTS of the APOSTLES'. The book begins with the acts of Peter, James, John, & 'the eleven' as they choose a replacement for Judas, wait for Pentecost, preach to Israel, heal the sick, choose deacons, raise the dead, & open the doors of the 'Kingdom of Heaven' (Mat 16v19) to the Gentiles. The book ends with the acts of Paul, Silas, & Barnabas – all called 'apostles' (Acts 14v14, 1 Thes 2v6 cf. Acts 1v1) – as the Gospel goes to the ends of the earth, still accompanied by the apostolic 'signs & wonders' (Rom 15v19, 2 Cor 12v12).

So as you can see, you're in for quite a ride & *unless* you understand the different dispensations & where they end, or cross over, you will teach heresy, just like the Pentecostals, Calvinists & Hyper-Dispensationalists do. The author is Luke & he did not complete the book of Acts until AFTER Paul's first imprisonment in Acts 28, which is AFTER AD 58, probably between 64-65 AD.

Acts 1v2 **Until the day in which he was taken up, after that he through the Holy Ghost had given commandments unto the apostles whom he had chosen:** These constitute a set of additional commandments like those in John 15v12 & 1 John 2v3, which go beyond the 'Ten Commandments'. These commandments pertain to the Kingdom of God (Acts 1v3), which is always a reference to a SPIRITUAL state of moral righteousness (Rom 14v17). Although the Kingdom of God is never identical to the Kingdom of Heaven (See Ruckman's book 'The Sure Word of Prophecy'), they are present on earth WHEN the Lord Jesus Christ is on earth. They are BOTH present in Gen 18v1+2 & in Luke 24v12-49. This foreshadows the Millennium when the Kingdom of God will 'appear' (Luke 19v11), alongside the VISIBLE, PHYSICAL – Luke 1v30-33. It is apparent that the Kingdom of God mentioned in Rom 14v17 is connected with the Body of Christ in this age (Eph 3v1-6), & since this Body is NOT 'revealed' until AFTER Acts 9 (I said 'revealed' NOT 'formed' – Hyper-Diapers don't get that), the Kingdom of God in Acts 1v3 has to have a Millennial application. The Kingdom REIGN is the visible, literal Kingdom of Heaven, as it appears in every passage in either Testament. The Kingdom of God is a SPIRITUAL Kingdom of righteousness wherever it appears in either Testament.

Acts 1v4 **And, being assembled together with them, commanded them that they should not depart from Jerusalem, but wait for the promise of the Father, which, saith he, ye have heard of me.** The 'promise of the Father' at Pentecost is...

- 1) A baptism - v5
- 2) An enduement of power - v8
- 3) A filling of the Spirit - Acts 2v4
- 4) The beginning of an organism - John 17v21+23
- 5) The beginning of a Dispensation – John 14v16, 16v13

The Pentecostals take 1, 2 & 5, The Baptists will allow 1, 2, 4 & 5. The Hyper-Diapers (Stam, Bullinger, Pfenny, Baby-Eli etc.) take ONLY 1, 2 & 3; Scofield takes 1, 3, 4 & 5. Us Bible Believers take all five!

If the Body of Christ began AFTER Acts 9, there are THREE baptisms; one for Peter, James & John in Acts 2; one for Paul in Acts 9; & one for Gentile converts after Acts 13. To avoid this 'most embarrassing situation', Stam (Baby-Eli's hero), Baker & Moron-Moore run to 'The Greek' (there isn't one!) to try to prove that 'by' & 'with' are not the same in baptism... they'll try anything to get out of the mess they put themselves in by chopping up the Bible, all Hyper-Diapers do it. Stam (Baby-Eli's hero remember!) insisted that the baptism in Acts 2 is 'with', while the baptism of 1 Cor 12v13 is 'by'. Like I said, they'll clutch at anything to try to prove their heresies, all Hyper-Diapers do (Pfenny & Colic-Caldwell etc.) The ancient cliché for this funny business is that in Acts 2 'the Lord' is the Baptiser, while in 1 Cor 12 'the Holy Spirit' is the Baptiser. However, it is the Lord (NOT the Holy Spirit) who performs the baptism of Col 2v12. That last reference is the proof text used by Bullinger & Bible-'correcting'-Stam (remember Baby-Eli's hero) for baptism INTO ONE BODY, or 'the Mystery Body', or 'the Church of the ONE Body'. Like I keep saying, Hyper-Diapers are blind guides, which **strain at a gnat, and swallow a camel**. Mat 23v24. ALL Hyper-Diapers WRONGLY DIVIDE the Scriptures & carve them up like a leg of pork at a Sunday dinner.

Another nugget from this commentary... David's throne, where is it? When Gabriel spoke to Mary (Luke 1v30-33), he prophesied that Jesus Christ would sit on David's throne (Luke 1v30), exactly as Peter said He would (Acts 2v30), & exactly as Jesus said He would (Mat 19v28, 25v31). Is Jesus Christ ON David's throne now? Isn't this throne at Jerusalem called 'the throne of thy glory' in Jer 14v21? THIS throne should NOT be confused with 'the right hand' of the Father's throne (Heb 12v2, Acts 2v33). The King at Jerusalem (Mat 25v34) has *another throne* in the third heaven (Rev 3v21).

'Another' Cornelius Stam error (remember this is Baby-Eli's hero 'god') – Ruckman writes... Stam makes a bad slip, & it is an unintentional mistake which could betray the whole cause of '*the-church-of-the-one-body*' as it is taught today. On page 40 of his work (Acts Dispensationally Considered), the good brother (Bible 'corrector') tells us that the Lord 'knew something

which for THE TIME being, still had to be KEPT SECRET'. We shall see later how THIS ADMISSION OVERTHROWS the ENTIRE system that makes the 'Body of Christ' start AFTER Acts 9. (Oh dear poor-baby-Eli will get colic again!) Stam has admitted that a thing can be PRESENT without being KNOWN. Something takes place about which nobody knows until the ministry of Paul. The clearest example is the one found in Acts 10. God changed your dietary laws in Mat 27 (see Col 2v14), but who KNEW about it UNTIL seven years AFTER the resurrection? This is something that I put to Baby-Eli years ago but he just kept choking on the strong meat (Heb 5v12-14) & couldn't digest it, 'Hyper-Diaper-milk' was more to his likening. But Baby-Eli's 'god' gets it wrong again... Stammering-Stammite-Stam tells us that Acts 1v8 is not our commission at all. In fact he goes even further & tells us Christians that we cannot march under Mat 28v19, Mark 16v16-18 or even Luke 24v47, not understanding 'dual-application' (no Hyper-Diaper does!) According to the Hypers our commission is 2 Cor 5v18-21 (note that down as a warning sign if you come up against one of these cult members). You see in Mark 16 they were baptising with signs following, so was Paul (Acts 19v6). Paul fulfilled the commission of Mark 16. Paul DOES preach 'repentance' (Luke 24v47 cf. Acts 20v21) (Oh dear Fake-Pfenny, that just spilt your milk didn't it!) You see you cannot just carve up the Scriptures to suit, & then try to get them to 'fit' your heresies like Fake-Pfenny, Colic-Caldwell & Stam do, it doesn't work, & all you become is an isolated CULT, which all Hyper-Dispensationalists ARE. You can read more of Ruckman destroying the Hyper-Cult in this commentary on Acts pages 19-25.

'When' are you married? Just a few notes...

Isn't it funny how we just automatically believe & do things because it's the way we have been taught from the beginning? Some Christians still think the forbidden fruit in the Garden of Eden was an 'apple' instead of a grape. When it comes to marriage, there are no certificates, rings, 'ceremonies' etc. in the Scriptures, so WHEN are you married? This questions has been put to me a number of times over the years, & even recently some of you have asked again about the issue, so here goes a few of my thoughts... Some of this information is included in an article I did in Tft! NEWS issue 71 pages 25-30 – follow this link

<http://www.timefortruth.co.uk/content/pages/documents/1407886962.pdf>

Firstly it is always just with a man & a woman, none of that unnatural (Rom 1v26+27+31) stuff that is going on today (Lev 18v22, Lev 20v13, Gen 18 & 19, 1 Cor 6v9-11, Gen 2v24, 2 Pet 2v6+7, 1 Kings 15v9-12, Gen 13v13, Ezek 16v47, 2 Kings 23v7, Jude 7+8 etc.) Get that, & stand upon THE BIBLE when asked an 'opinion', blame GOD & THE SCRIPTURES for the stand you take!

- 1) *When is a man and a woman married in biblical terms, and is it different in the world and to God?* Ruckman did a great little booklet on the subject which covers it. I took a lot of information from it for my newsletter article (see link below!). As far as I believe, marriage is flesh joining flesh, *but it also includes* obeying the laws of the country where you live (Rom 13), so if they require a certificate, ceremony with witnesses etc., then this all counts in the eyes of the Lord. People in their 80's etc. who marry *can't* consummate, & some war injured people who have their 'private parts' blown off, *can't* consummate, but they can still marry in the eyes of God. God sees a blessed marriage between two Christians, although He does allow, & can still bless, those who have married an unbeliever, but this is NOT recommended as it goes against Scripture (2 Cor 6v14). There were NO rings or certificates IN the Scriptures regarding marriage of course.

Marriage, Divorce, Remarriage

The Biblical teaching on divorce is presented, without consideration for historic positions or church decrees.

- Full colour cover
- 37 pages
- Stitchbound

Price: £4.00

This is one of the most popular Ruckman booklets.

- 2) *Is a marriage certificate required, or is it just something the Catholic Church invented in the dark ages?* Whether it was invented by man or not, it's THE LAW of our land & we should uphold it.
- 3) *What is fornication?* There are 32 verses using the word 'fornication' - to get a TRUE meaning of the word I would look each one up & see it in its context. Fornication is a 'sexual act' & sin, against your own body also.
- 4) *Is it ok to sleep with a saved believer if you know you are going to get married?* **100% NO!** Heb 13v4. Also 1 Thes 5v22 **Abstain from all appearance of evil.** - Look at how the WORLD would see that! They should NOT live together neither sleep together! 1 Cor 7v1+9. If you are having sex outside of marriage (witnesses, legal documentation etc.) it is SIN!
- 5) *Is marriage a man made invention or God made?* Gen 2v24 **Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.** God married them! It talks about the 'wife' & the 'husband' (Gen 3). Genesis 2v21-24, which is a written record of the first marriage equivalent to a certificate I suggest, with God in the centre

as He should be via the scriptures, other witnesses present i.e. gods, Genesis 3v5, though I don't count the serpent as a viable witness, a declaration on the part of the groom to which – at that point – the bride agreed on the basis that silence is consent and the indication, Genesis 2v24, that the marriage was consummated. That pretty well describes Biblical marriage as practised today I suggest except that the bride makes a declaration as well, expressing her consent. (Thanks Alan for this)

6) *Should we all follow what Adam and Eve did or what the world says today?* Obey the Scriptures & THE LAW of the country you are living in UNLESS it goes 'against' Scripture (Rom 13).

These two links may also help just for quickness... I had a very quick look & they seem to be quite sound!

<https://www.gotquestions.org/marriage-constitutes.html>

<https://www.gotquestions.org/sex-equal-marriage.html>

7) *If marriage needs no certificate and it means flesh bound with flesh, doesn't that mean that it's the same meaning for a woman who has had sex against her will as it is for a whore deliberately sleeping with someone?* **1 Cor 6v16 What? know ye not that he which is joined to an harlot is one body? for two, saith he, shall be one flesh. But THAT is not 'a marriage' in the eyes of God as I can see! God hasn't 'joined' them together!**

Gen 2v24 **Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.**

Mat 19v5 **And said, For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh?**

Mat 19v6 **Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder.**

Mark 10v8 **And they twain shall be one flesh: so then they are no more twain, but one flesh.**

Eph 5v31 **For this cause shall a man leave his father and mother, and shall be joined unto his wife, and they two shall be one flesh.**

8) *Does that mean a couple who can't consummate their 'marriage' for whatever reason, are not married, & can leave at any moment and there is no responsibility involved for them?* If they have gone through the ceremony/law/requirements of the country they are living in, then according to THE LAW of their country they are married, & IF Christians, they are blessed by God.

9) *What happens in your church if you have a Christian couple who are 'married' in Gods eyes e.g. sleeping together with NO legal certificate etc.?* I would only see them married in God's eyes obeying THE LAW of the land, with a certificate etc. NOT just 'living' together trying to get around the formalities, responsibilities & LAW etc. If they are sleeping together & NOT married BY THE REQUIREMENT OF LAW, then I do NOT see that as a marriage. They are disobeying THE LAW & going against Scripture according to Rom 13. I do NOT see two people living together as married WITHOUT having a certificate etc. obeying THE LAW of England. People will use any excuse, *even the Scriptures*, to justify their sexual sins, fornication & adultery. Some Christians are just rebellious dumb-bells!

10) *How long is the time span between leaving one marriage and starting another, that changes it from being fornication to becoming adultery?* The three grounds FOR divorce are death, desertion, & fornication. If these are committed you are free to marry again as far as I can see immediately.

Extra note... Look at Genesis 34 Shechem "defiled" Dinah, Jacob's daughter, it says, in sleeping with her before they were married, and THEN he asked her father if he could marry her, and Jacob's other sons say they have "wrought folly in Israel" and called her a whore, even though it was completely consenting and loving. Some would argue it was because he was uncircumcised, a Hivite, but that isn't all that is written in 34v1-7.

Let me know your thoughts on this subject!

The Greatest Book on Dispensational Truth in the World by Clarence Larkin

It is THE BEST book regarding rightly dividing the Scriptures ever written. We stock Larkin's books including this one, even though it is expensive (£34.50), but it is a one off investment & there is nothing as good as it. Most prophecy teachers take 90% of their teachings from Larkin, he's that good. This black book is the 100th Anniversary Edition & total quality. Great font for reading, with full drawings & even a ribbon marker. I would certainly recommend every Christian reading this amazing book.

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

2 Tim 2v15

Signs of the times! (Mat 16v3)

The world isn't *going* crazy it's *already* gone mad! It's not just sodomites we have to deal with anymore, when we hear things about gender & there is no more 'male & female, he or she', but instead we have 'gender-fluid', you know that we are living in very satanic LAST days. Gen 1v27 **So God created man in his own image, in the image of God created he him; male and female created he them.** Some kids don't even know 'what' they are these days! *Can you believe we're even talking like this?* Man alive folks what a demonic society we are living in. Can you actually believe how debase things have become? Can you believe that we are talking about this stuff as if it is 'normal!' At such a rapid-rapid rate we have sunk so low in humanity that very soon having sex with animals will also become the norm... *am I wrong?* According to the world you are just an animal anyway aren't you, so what's the problem? *According to your birth certificate 'what' are you?*

Do you live in a village?

For the first 10 years (approx) of my life I lived in a village called Oakley in Bedfordshire. Obviously I wasn't a Christian then, but since getting saved I certainly believed I should revisit the area & post a Gospel tract through every door, with a covering letter, telling the local folk that I used to live there & since moving away, I have become a Christian. So I did just that a few years ago, taking a team of six people with me, & we saturated the village with tracts, through every letterbox, left them in shops, in bus-shelters etc. There are about 2,500 people living there. If you are living in a village, you really ought to try to get a Gospel tract posted through every door. On the whole, villages are quite small so the *job* is not so overbearing, compared to a city that is e.g. London with over 8,000,000 people living there. Why not get a group of Christians together & have a tracting day.

The Rapture

I'm expecting it anytime now! The last message the apostles heard on this earth before their Lord returned to glory was a message on the Second Coming. Us Bible Believers are looking for a hole in the sky, not in the ground; we are listening for a sound (1 Thes 4v16), NOT a sign (like the Post-Tribbers are). If the 'clods' get us before the clouds, Death will have to loose our bandages (John 11v44) & let us GO! *We're gonna fly very soon folks, are YOU ready?* Are you prepared? Have you reached all your family members with the Gospel yet? Have you left them a Rapture tract, or given them one?

This is the front & back cover of our tract. It explains what to do if you MISS the Rapture, & what you should do if the Rapture hasn't happened. Every single person in your family should read this tract. Then you should post them down your street & around your church, so when the Rapture happens, everyone will remember what they read & what was told them. It is one of the most important tracts we have ever produced & there isn't another like it, that tells it from both angles. Have you ordered any? They are ONLY 9p each, that's 10 for 0.90p. When did you last spend £1 on some tracts? Christians should be sowing tracts everywhere they go, saturating their own areas with the Gospel. Time is running out. We've produced these tracts AT COST, what WE pay YOU pay!

For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

Marriage in India

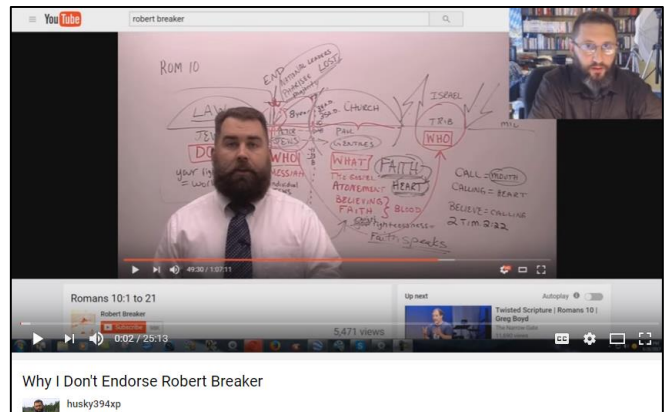

A lady called Lucia recently contacted us as she was getting married in India & wanted to give all the guests at her wedding a Gospel coin & tract. She also wanted some Christian music to play at the reception. This lady certainly had a love & passion to reach lost souls, **even at her own wedding**. Did you do the same & give tracts out to everyone at *your* wedding? Our friend Lordson married them, as you can see from the middle photo. **Lucia really impressed us all here at Time for Truth!** & I am sure the Lord Jesus Christ will bless her for her stand.

Certainly worth watching Bryan Denlinger's video on Podgy-Bobby-Breaker the Hyper-Diaper-NUT!

Follow this link - <https://www.youtube.com/watch?v=9ribYmUTE-Y> - Why I Don't Endorse Robert Breaker

Everything any good that Breaker (& FAKE-Pfenny) learnt came from Ruckman! I didn't realise that Ruckman kicked them both OUT of his Bible institute for propagating their Hyper-Diaper heresy of 'prayer is a work!' Their Hyper-Diaper heresy came from Richling, Stam, Moron-Moore etc. Breaker blatantly LIES about Ruckman after receiving a letter from him exposing him for the heretic he is. I certainly would NOT recommend Breaker... remember, if it's 'good', **he got it from Ruckman**, so you'd be better going **DIRECT to Ruckman's teaching** e.g. commentaries, books, DVDs, MP3s etc. Breaker writes regarding Ruckman's letter that Bryan Denlinger read out on the above video... *'Finally, thanks for reading "Ruckman's letter" against me. I must have read that letter a hundred times, over and over again, just looking for ONE THING in it that was true, just one!'* Ruckman has led more souls to Christ & done more with his Christian life than Breaker would do if he lived 10 times longer than Ruckman, but this arrogant NUT wants you to take his word over Ruckman's... I don't think so sonny-boy! NEVER trust a Hyper-Diaper... EVER! They are just like the Muslims who will LIE like a dog when it suits (Fake-Pfenny, Break-your-neck-Breaker, Colic-baby-Caldwell, Moron-Moore, Stammering-Stammite-Stam, O'Steen etc.)

Distributing Christian Tracts is so important!

Is the area where you live saturated with Gospel tracts? If not, it should be! We all have a responsibility to get the Gospel out to our neighbourhoods. You don't even have to pass them out to people, you can just post them through letterboxes. If you have never done this before make sure you start asap. Time is running out & the Rapture is imminent. If you are a Christian & you're not actively involved in getting the Gospel out, then you're going to have to answer to the Lord for that... imagine the Calvinists on THAT DAY!? YOU are rebelling against God by not trying to win souls for Jesus Christ, ever thought about that?

Why some Christians don't achieve very much for the Lord.

Many Christians are too worldly & this holds them back in bearing fruit for the Lord, it's as simple as that. They want one foot in the world & one foot in Heaven (Mat 6v24). Most Christians are lazy when it comes to serving the Lord. It takes effort & commitment to live for the Lord. Pride is also a huge hindrance to being effective for the Lord. Another reason why so many Christians are so ineffective for the Lord is because they don't study their Bibles, they lack the love to reach lost sinners with the Gospel & aren't bothered that over 154,000+ people die every day. A lot of Christians have isolated themselves, thinking they have got it right & therefore don't need to come under any kind of authority or join any local church, so they cut off any fellowship they might have had to live as a recluse. Most Christians I know are not living for the Lord but instead they are living for themselves. Look at your own life! Have you achieved much for the Lord? If not why not? What's your excuse? How long will you allow it to go on for without sorting your life out? Time is running out for all of us isn't it?

NEW (\$) One Million Dollar tract

What would you do with \$1,000,000, spend it on yourself, your family? So many people think that having lots of money will solve their problems, when in reality, it won't. Of course, it may help with some things, but there are certain problems we face where money just won't do. For example, no amount of money will cure you from an incurable disease. Some of the richest people in the world have laid on their deathbed, trying with all their power to cling onto life, yet seeing and feeling it just ebb away. *Money was no good to them then!* Whether you believe in God or not, you and I will die one day. We shall leave our body and enter into eternity... Heaven or Hell awaits us. Do you know how to get to Heaven? It's by putting your faith and trust in Jesus Christ, asking Him to forgive you of all your sins. **For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord** Romans 6v23. The Lord Jesus Christ loved you so much that He took your sins, suffered, died, and was judged in your place. **In whom we have redemption through his blood, even the forgiveness of sins** Colossians 1v14. Three days later He rose from the dead and is now in Heaven with His Father. I put all my faith and trust in Jesus Christ alone, on 4th May 1989, and have lived for Him ever since. It's the best decision I ever made. I would urge you to do the same.

Well here it is at last, the \$1,000,000 bank note & they are only 3p each, or 4 cents each. They look very authentic & are a great tract to give away or leave on tables etc. Because everyone *loves* money, & they all recognise the Dollar (\$) bill, it is also a great tract to distribute here in the UK. Watch how people pick them up & start to read the Gospel message on the back. Thousands have been sent out already which is very encouraging. Even here in England they are being really well received & people even 'ask' if they can have one. I think it is one of the most popular tracts we have produced. Have you ordered any yet? We recently distributed loads of these around London, including leaving them on seats on buses. We watched as people picked them up, read them & then put them in their pockets! These tracts not only get read, they are KEPT! Money tracts are so powerful as people have such a love for the stuff. At present, this is one of our most popular tracts.

The Lord just amazes me... He runs JDA, TFT! & Oaks

We try to honour the Lord in everything we do, including with our 'firstfruits'. If we increase our sales, gifts coming in etc. we give back to the Lord FIRST. Just by doing this, we find that the Lord certainly blesses us even more. Recently, we had a few gifts come in & therefore wanted to honour the Lord by giving back to Him, so we offered **FREE** tracts for a month to anyone who wanted them. Many of you took us up on this offer & we shipped out thousands. Suddenly, we had another gift come in to cover more costs, *it was just amazing*. I've always said, I don't like money (as I've seen it change so many people for the worse), but I do love using it & spending it on getting the Gospel, the word of God, & Bibles out to people all over the world. We have shipped out a lot of parcels overseas recently **free of charge**, just so some Christians can have better teaching materials. If the sales from JDA grows, then we throw more money into the ministry. We are in the Lord's hands. We work very hard to earn a living, but we could NOT even do our job without the Lord blessing & helping us.

Glastonbury – what a dump!

Well for the music festival over 200,000 people descend upon this small town. We had some business around there 2 weeks *after* the festival & we also stayed overnight in this place. In the evening we walked up the high street & what a dark satanic place that was, so we tracted loads of the shops there. Nearly everyone I saw was 'away with the fairies', dressed in multi-coloured clothes & had that '*I'm spiritual*' look on their faces. The guy that served us our evening meal in the restaurant had a beaded-beard & long hair... *hippy man hippy!* Indeed we prayed fervently over our food that we wouldn't be eating magic mushrooms, or get 'spiked' in any way etc. Glastonbury is a very dark place full of occult shops. It's a DUMP!

August Holiday

As normal we booked August off & had our usual road-trips. We always look forward to August, but especially this year, because we hadn't had any time off since February & *it was showing* I think on all of us... shattered. The first week we pottered around 'catching up' & visiting our local café a few times. We did manage to have a day out in London leaving at 5.30am which was as wild as always. The Dollar (\$) tract was distributed everywhere we went, & folks picked them up & pocketed them after reading the back. The team spent hours together sitting in 'The Lounge' (a café chain) talking, writing, on our laptops & thinking. It was good just to get out of the normal everyday rut & the change of scenery always does us good. We all set ourselves personal goals this holiday, from writing a children's tract, producing a Christian music CD (the girls), writing articles, even starting a book (Donna/Tox), & reading a lot more (me!) It is just great being able to stop & do this, getting out of the 'fast lane' of business for a change.

Stepping out 'in faith?'

Telling Christians what you are doing in the ministry is one thing. Telling them that you need money for a building etc. while in the same breath saying you are 'stepping out in faith' is just hypocrisy. George Muller stepped out in faith telling his requests & needs ONLY to God! Christians are nothing like this. They all *indirectly* beg for money, especially for buildings, telling us they are 'stepping out in faith!' Us English have a term for that... TOSH! Some Christians just don't want to work for a living do they, but instead want YOU & ME to finance them!

Another Calvinist Error!

A Calvinist emails telling me that a true Bible Believer *never* steps out of the will of God, showing yet again their ignorance & how shallow they are in the Scriptures. Paul stepped out of the will of God. He was warned a number of times - Acts 21v4+10+11, Acts 22v18. By going to Jerusalem Paul lost two years in his ministry in a Roman jail. Calvinists are dumb!

Tracts... What's The Point? Article by Callum

I'm a serial 'tracter', it's an itch I just can't help itching and since the release of the brilliant new Tft! gospel coins I've become a serial 'coiner' too. I know that many people who associate with Time for Truth! do so because they, like me, are well aware of the great need for the gospel to go forth in our towns and cities. Tft! tracts have become a major weapon in our collective fight to gain the attention of the lost souls of this world and point them to Jesus Christ. The Tft! newsletter has developed over the years into, amongst other things, a loud bugle call to all who care to listen, it's a battle cry in paper form and it seeks to rally the troops in these last days for one last assault on the enemy lines. You may have noticed a common trend in each newsletter; Time for Truth! are relentless with tracts, they are relentless with imploring YOU to distribute tracts, and continually promote the idea that we should all be involved with regular tract distribution in our local neighbourhoods and beyond!

If you have been a Time for Truth! reader for a while, you will have been repeatedly challenged to do something with your time, energy and money for the Lord, with a particular emphasis on tract distribution! If you have ever visited the Tft! ministry house you will have been taken aback by the quantity of neatly ordered piles of tracts, gospel coasters, Bibles and calendars around the house, let's face it John and the team live and breathe tracts and if you have any kind of association with them you can't help but be affected by it. Why is it so unusual to find a house filled with gospel literature? Why is it that such a cheap and efficient way of delivering the gospel to tens of thousands of people is ignored by large parts of the so-called 'Evangelical' Christian world? What I hope to do in this article is highlight a commonly perceived problem with 'tracting' and then explain why it is not actually a problem at all. Have you, like me, noticed that tracts don't start revivals? Not even mini ones! I mean the charismatics keep promising one, there's always a new 'word of knowledge' from some overly perfumed and purple pant suited 'prophetess' telling of a powerful outpouring of the Holy Spirit about to fall upon the people of the UK leading to great revival! Then they start up with their revival prayer meetings,

healing crusades, and 3 hour long praise and worship emotional breakdowns, but they don't bring about the promised revival. The truth is neither do tracts, in fact they don't even prompt a small 'stirring' or mini revival, actually they don't appear to achieve much of anything other than to annoy people! And that is where a lot of people give up on tracts, they want to see big results, churches planted, whole towns saved, they buy into the charismatic 'revival' rhetoric which is in my opinion a big old con; Keep promising people the WORLD, keep promising spiritual outpourings and great awakenings and you have a message that counters the truth about the depressing spiritual climate we live in, you have a heart-warming alternative to reality; a con! The truth is that you are very unlikely to see dramatic results through tracting, remember the majority of the results that

charismatics get are emotionally charged and fleeting, we are looking for good soil and we are wanting to see roots go deep into the word of God and lives built on eternal foundations. We have to realise that we are not actually in a results based business as the world sees it, we don't have a quota to fulfil, we aren't going to be judged based on how good our tracts are at convincing people to turn to Christ. The success of tracting for us has to be measured against a different plumb line. Jesus talked about 'results' a fair bit, but less about what quantity of wheat would be harvested and more about the resulting reaction you would get after sowing the seed of the gospel. In Matthew 10 He gave the disciples some promises regarding the rejection they would certainly get. In verse 14 Jesus says that the disciples wouldn't always be 'received' or 'heard', later in the passage Jesus says He sent them 'as sheep in the midst of wolves' and told them to 'beware of men' that they would 'be hated of all men' for His names sake. The success in this instance, admittedly a different dispensation, was not how the message was received just that it was offered in the first place. We are in a dead time spiritually and that is the truth whether other Christians care to admit it or not, we still have the Great Commission and the ministry of reconciliation and therefore we still have an obligation, as followers of Christ, to proclaim Christ in this world and we can still expect the kinds of reactions that Jesus outlined to His disciples in Matthew 10. Tracts are great tools, powerful weapons in achieving our real objective, not to start revivals but to offer people individually the chance to respond to the gospel of peace and to be washed in the blood of the Lamb. Sometimes a tract is just a little thought provoker, many tracts aren't designed to give a full 'plan of salvation', the Tft! gospel coins are a good example of a quick thought provoker. The brutally honest truth is that people in the western world don't care anymore about their spiritual condition, they have no interest and the only way you can grab their attention in large numbers is to contaminate the gospel with gimmicks, cons and lies. You have to offer people something now that will appeal to them in their worldly and fleshly state; tell them they will be physically healed, tell them they will get rich or that they can come to church and enjoy a beer and a hotdog whilst they listen to a ten minute presentation on 'loving others', that's how to get numerical results. I have been criticised in the past for giving too many tracts out believe it or not, I was told that it was not a good use of money seeing as tracts achieve so few 'results'. This person failed to understand the true result that we as Christians should be interested in: that as many people as we can warn are given the opportunity to hear or read or discuss Jesus Christ and His saving power, we are sign posts and tracts are a fantastic way of pointing someone to 'the way, the truth and the life', no gimmicks or lies or cons needed. If people harden their hearts to the true gospel message then that is between them and God, we can show them the love of Christ by being

straightforward and true, and one day they WILL understand. I can't tell you how great it is to put a tract through the last door of a whole town, knowing that every house in the town has now received a gospel tract, in that moment I'm not thinking about how much money I had to spend to do it (not that much in the grand scheme of things) or if I will have just started a revival in that town. True it can knock our confidence when we hear little to no response and even then the responses are usually negative but it is definitely not a waste of time because people have had that vital opportunity to read truth unfiltered. Time for Truth! is a champion of tracts and they have really helped me over the years as I strive to be faithful in getting the gospel out to the lost. Others will try and discourage you or perhaps turn your head with the promise of 'real results' with their 'relevant' methods, they usually just mean long term friendship evangelism or perhaps joining the Street Pastors who aren't even allowed to start gospel conversations with people. Think of all the professing Christians there are in your town, do you think they have all tracted their own streets? Are they worried about getting a bad name in their neighbourhoods? Jesus promised that men would hate His followers, Paul says in Titus 2v14 that the Lord's intention with us is to 'purify unto himself a peculiar people', but people don't want to appear 'peculiar', nobody wants to be known as the local religious nutter! The truth is that it is a small price to pay when all things are considered. I have from time to time had someone shoot out of their house holding the tract I just put through their letterbox, very angry with me, they swear a bit, tell me where to go and then go back in and slam the door, it's a bit unnerving that's for sure but I am always emboldened by the knowledge that if they get saved one day they will make a B line for me in Heaven and shake my hand and thank me (even if it wasn't my tract which was the final link in the chain), if they die in their sins and are stood at the Great White Throne they will remember that moment and won't be angry anymore that I dared to put 'inflammatory' material through their door. I believe that tracts really do achieve brilliant results, if you are using the right plumb line! People's most pressing need is Jesus Christ, more than food or oxygen, don't listen to the *naysayers* who out of their own fear discourage others from flooding their local towns with gospel tracts, it's simple and effective and it works, it gives people individually the chance to be confronted with the gospel! Don't let anybody convince you otherwise, keep reading Time for Truth! news, listen for that bugle call, buy some tracts and coins and go distribute them in your area, then repeat the process all over again! Pretty soon you will have the itch too, if you don't already!!

Old podgy-dodgy-Breaker's OFF again!

Oh dear... a few too many pies & his brain has just gone into overdrive 'again'... the bearded fool! Now he's making more tosh videos about 'asking vs trusting' the dope. **I got saved when I put my faith & trust in Jesus Christ for my sins forgiven after hearing & believing the Gospel; HE saved me when I called upon (putting my faith & trust in Him simultaneously) Him out of a repentant heart WITHOUT WORKS, trusting Him implicitly, to keep me out of Hell.** But old podgy-dodgy-Breaker has now proved he is IN the CULT of the HYPER-DIAPERS with his preaching of 'If you ask Jesus Christ to save you He won't, but will instead, send you to HELL because you 'asked', as 'asking' is working for your salvation!' & you wonder why I have a go at these fat-slobs??? That's why! Eli-

COLIC-Caldwell is also an overweight-Hyper-Diaper being spoon (shovel) fed by his heretical so-called-CULT-pastor 'David-Joel-O'Steen'... they're all NUTS! The first thing podgy-Breaker wants to do in this video is 'show-off' his book collection... *he's not done that before* so there is a *subliminal motive* here, but really it just amounts to **fleshly PRIDE** & fat-slob-Breaker is a very arrogant 'Christian' thinking that he knows it all (Gal 6v3). I used to like this guy a little bit, although I found him & his wife very arrogant, but now I wouldn't recommend him at all because he is so confused over salvation, the Blood atonement, the Gospel & 'when' you are saved. He's just leading his viewers into more confusion every time he opens his mouth. If you believe the Gospel (1 Cor 15v1-4) calling upon the Lord to save you from Hell, YOU'RE SAVED, no matter what this bearded-FOOL tells you. All Hyper-Diapers do is confuse the simplest of things, especially the Gospel. According to fat-Break-your-neck-Breaker & fat-Caldwell, no children are ever saved because they all 'work' for their salvation, so no one EVER in Sunday School who called upon Jesus Christ to save them GOT SAVED, but instead they all went to Hell. Fake-Pfenny is just the same, honestly, these NUTS are a curse on the Body of Christ IF they are IN IT that is, as Fake-Pfenny & NUT-JOB-Eli think there are multiple 'bodies of Christ!'

Absolute 'Whack-Heads' the lot of them. A child can understand the Gospel but NOT according to the Hyper-Diapers, NO children ever get saved because they 'asked' to get saved & by 'asking' you're working... *ding-dong-ding-dong!*

Conclusion – If you still want to listen to these over-inflated-arrogant-windbags, be my guest, just take the 'good' (what Ruckman taught them) & spit out their heresies ('asking' is working... TOSH!)

The fall of the Brethren

The day they started rejecting the King James Bible aka The Authorized Version, is the day it all started going wrong. They are very much cultish in their mentality these days & generically this group of Christians are dying & their 'assemblies' are closing. Even on the front of their latest edition of 'Precious Seed' they are quoting from the Satanic counterfeit 'bible' the NKJV. You don't think there's a difference, then you know very little about Biblical authority. Check out our website tab 'Why the KJV ONLY'. Satan has many 'bibles', the NKJV, JNB, ESV, NIV, NASB are just a few in his collection. God has only ONE... the KJV.

Very encouraging email to receive...

Dear John, I stumbled upon your website recently and it's nice to see that there is another ministry that is preaching and teaching **sound doctrine** and doing great things for the Lord. There aren't many ministries like that anymore. I'm nearly done reading 'Time for Truth News!' Issue 81 and I want to let you know that it has been an incredible blessing. Your newsletter has **challenged, motivated, educated, and encouraged** me and for this I'm truly grateful. D. Wow, what a blessing that was to get an email like that. This young man has a desire to live & serve the Lord & by 'stumbling' across Tft! we will help him as much as we can to stay on the right path. This is all part of why we produce these newsletters, to build up the saints in the faith & in the Scriptures, to get them to keep looking for the Lord's return, to soul-win & to help them stay away from fakes, charlatans & cults e.g. Hyper-Diapers (Fake-Pfenny et al.), Calvinist morons & Charismatic NUTS. We want to challenge all our readers to get as deep into the Scriptures as they can, while trying to reach as many lost sinners with the Gospel. Tft! is a very grounded ministry & well balanced. We teach & preach the KJV Bible, we don't spend our whole lives on 'it' as a 'subject' – do you understand the difference? If you don't, you've missed everything!

What is the will of God for my life... by Toxy

- To love the Lord with all my heart, to serve and obey Him in all things
- To read the Scriptures and get deeper with Him until I see Him face to face
- To reach the lost of this world with the Gospel, to be responsible for my generation of souls
- To be the best example/testimony I can be to others and show the Lord's presence in my life
- To put the Lord in the pre-eminent position and not seek my own will and selfish desire
- To make a difference in the lives of those I know, and those I don't know, to help those in need
- To be thankful to the Lord and be appreciative for every blessing and mercy in my life
- To look for His return
- To be set apart from the world and not to compromise
- To encourage and help other Christians across the world
- To use my talents and skills for the Lord, not to bury them or cast them aside
- To be humble and soft-hearted
- To let go of any bitterness, malice or small annoyances that eat away at you
- Not to keep looking back at the past and regretting actions or decisions, redeem the time
- Not to worry about too far in the future, we may not be here to go through it
- To be holy in conversation and modest in dress
- To seek to be as much like the Lord as I can

'Asking' for money is NOT 'stepping out' in faith... but according to the Hyper-Diapers it's 'working!'

These Christians that want US to pay THEIR bills so they can 'do ministry' are an absolute JOKE! Shut your mouths & go out & get a job, work for a living & THEN 'do ministry!' How about that? Stop being a parasite & do what you SHOULD be doing!

Time for Truth! Ships 'Worldwide'

We ship tracts, books, Bibles, CDs etc. **worldwide**. We are getting more & more orders for our books & tracts internationally, which is not a problem for us. If you would like to place an order for any of our materials to be shipped *anywhere* in the world please contact us. We are here to help you! Dee looks at all the different options regarding the cheapest way to send & she will always give you a quote. We have shipped loads of parcels, all over the world. It has amazed us how many Bibles we have sent out worldwide.

Therefore to him that knoweth to do good, and doeth it not, to him it is sin.

James 4v17

'Why I'm looking for the Lord to come back at any second' - By Jacob...

There are many, many scriptural reasons for believing in a Pre-Tribulational Rapture of the church, and what I'm about to say is just one of the many. First off though, John Davis and the crack team down at Tft! have done lots of excellent articles on this subject and I doubt I could add to what they have written about it. I encourage you to go back and read John's BIG article on the Rapture, and also his articles on the "Post-Trib" tab of the web site. Having said that, and being that I've been talking to a "Postie" (a "mid-trib/pre Wrath rapture" view in my case) a lot lately, I wanted to take a moment to provoke anyone reading this to **"hear ye now what the Lord saith"** about just one of the aspects of His return to come for His church and **"take her to him to wife"**. A Christian should be looking for the Lord Jesus Christ to return at any moment, and **"that blessed hope"** (Titus 2v13) should affect the way they think, how they plan for the future, what they do, and what they spend their time and money on. In my own life, I try to plan, spend, and act on things in light of the fact that at any moment I may get to meet the Lord Jesus Christ, my dear Saviour whom I love, and who washed me clean from all my sins! The very thought is exhilarating and sobering in equal measure. It makes me want to be **"stedfast, unmovable, always abounding in the work of the Lord"** (1 Cor 15v58) and be busy getting the Gospel out to sinners while there's still time. The "mid trib/pre Wrath" folks that I've met have the mindset of an old hermit. They seem to isolate themselves or hang out only with other Christians. I'm sure not all of them are this way, but a lot of them are due to the fact that they think the Lord won't return until some point in the distant future, that His return is NOT imminent, and that they need to "hunker down", and "endure" for an undetermined period of time until He does decide to show up. They are not really looking for His return at all because they are too worried about what happens prior to it. Rather than setting their **"affection"** on **"things above"** they are focused on **"things on the earth"** (see Colossians 3v1-4). Please consider the following verses on the subject of what a Christian should look for (by no means an exhaustive list!) **"looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;"** Titus 2v13 **"And the Lord direct your hearts into the love of God, and into the patient waiting for Christ."** 2 Thessalonians 3v5 **"When Christ, who is our life shall appear, then shall ye also appear with him in glory"** Colossians 3v4 **"For our conversation is in heaven; from whence also we look for the Saviour, the Lord Jesus Christ"** Phil 3v20. Again, Christians should be looking for their SAVIOUR to come back. Their minds should be set on the things in heaven and they should be busy with the Lord's work until He shows up. If there is any doubt about what, or whom a Christian should be looking for, this is a great verse for them. Look at WHO it says we're supposed to look for! Now notice everything it DOES NOT say to look for (every other person, thing, or event in the past, present, or future).

"...we know that, when he shall appear, we shall be like him; for we shall see him as he is. And every man that hath this hope in him purifieth himself..." 1 John 3v3,4 What wonderful verses! What an **"exceeding great and precious"** promise! Looking for the Saviour to **"appear"** has a purifying effect in the life of the believer. Now of course we were purged from our sins by the blood of the Lord Jesus Christ when we trusted in Him, but that's not the kind of purifying this is talking about. This says that the promise of His imminent return will cause you to "clean up your act!", and to live for Him, and be **"stedfast, unmovable, always abounding in the work of the Lord"**. Like a little boy busily working on the chores at home that his Dad asked him to do while away, we should be busy while waiting for the "Dad" to come back too. Also, it's so exciting to think about the fact that we aren't looking for the Lord's apparition, or avatar, or consciousness, or whatever else to return, but **"the Lord himself"!!** (1 Thess 4v16). Also, we won't see Him as **"a man of sorrows and acquainted with grief"** with **"no beauty that we should desire him"**, but instead we'll finally see Him **"as he is."** What a sight that will be! Can you imagine how beautiful it will be to **"all them also that love his appearing"**? I don't think there's ever been a Hollywood leading man that ever even came close to what He'll look like! We'll finally get to see **"the great God and our Saviour Jesus Christ"** and **"ever be with the Lord"!!!** I can hardly wait for that. I may die and go to see Him first, but I will look forward to meeting Him every second until He comes to get me or I get **"caught up"** to **"meet the Lord"!** (1 Thess 4v16-17) Also, I'll get to see my Dad again, the one that introduced me to the Lord Jesus Christ here on earth, I really look forward to that, and to being presented **"faultless before the presence of his glory with exceeding joy"** in PERSON!! (Jude 24) If you're looking for Him, keep doing it! If you're not, please look at what God says about the subject and start! **"Even so, come Lord Jesus"**

Great stuff from the RRB...!

Mat 23v5 **But all their works they do for to be seen of men: they make broad their phylacteries, and enlarge the borders of their garments...** 'Phylacteries' are small boxes, containing Scripture, which were strapped to the chest, forehead, & wrists in an attempt to physically obey Deut 6v6-8 instead of Ps 119v11. 'The borders' of the 'garments' were blue bands on the 'fringes' of the robes (Num 15v37-39). The idea was that the blue border was to remind the Jew to be Heavenly minded. The Pharisees made their 'borders' bigger & wider than an ordinary Jew to prove they were *more* Heavenly minded. They cared more about impressing men rather than pleasing God (John 12v43, Acts 5v29).

I remember what an old man, who was a Christian told me... 'God HATES showmanship!' Are you worldly minded or Heavenly minded? *You know!* Titus 2v12 **Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world;** 1 Pet 4v2 **That he no longer should live the rest of his time in the flesh to the lusts of men, but to the will of God.** 1 John 2v16 **For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world.** Are you living for yourself & your own selfish fleshly desires, or for the Lord & His will?

Tweety-Pie-Hyper-Diaper-Ed-Fake-Pfenny – the Bible denying hypocrite!

Old Bible perverting Ed is *chirping* again & wresting the Scriptures to his own destruction as usual. Not ever leading a soul to Christ (see previous newsletter) & not knowing 'how to', he has totally LIED 'again' regarding my Gospel page on the Tft! website. He says that we don't preach the Blood of Christ, well have a look for yourself...

<http://www.timefortruth.co.uk/the-gospel/>

Listen, LIARS like Pfenny, Colic-Caldwell etc. are people that you just can't trust. They are no better than Muslims,

& will do as Muslims do as per their Koran, which says you can LIE *if needed*. This is exactly what these Hyper-Diapers do. They LIE & deceive all the time, confusing themselves, hence why they contradict themselves so often. DUMP every Hyper-Diaper as they are all spiritually DEAD! Poor old Eddy hasn't a friend in the world, as even Richling has dumped him now. Ed thinks that he is the only one going to Heaven because he *never* asked Jesus Christ to forgive his sins or save him... *I kid you not*. This is one self-opinionated egomaniac who is so self-deluded it's frightening. (*Is it me or does Pfenny sound like Tweety-Pie?*)

Are you a good parent? Can you control your children? Read 1 Tim 3v4

We've all been children, we know what it is like to grow up, be under the discipline of a mother & father. You also know how far you pushed the limit when it came to discipline. Even in our own family circles we see good & bad parents. Those who bring their children up in the nurture & admonition (Eph 6v4) of the Lord with the correct amount of discipline are good parents, usually their children turn out respectful, hard-working & caring. Those who let their little 'brats' get away with anything & don't correct, chastise & discipline them (Prov 10v13, 13v24, 22v15, 23v13+14, 29v15) are going against the Scriptures & most of their children turn out uncaring selfish jobs. Now before you read any further you ought to look up those FIVE verses in Proverbs as above, then you ought to put into place discipline when needed. If your children are controlling you, you've lost the battle & you are a bad parent. You need to start 'a war' & get them back on track to the position of 'they' know who rules & they either submit to YOUR authority or, 'ouch', out comes the discipline. I know of mothers & fathers who don't discipline their children & their children are horrible & couldn't care less. People have left our church in the past because I have spoken about this. They couldn't control their children & rather than try, they left. The Bible talks a lot about bringing up & raising children, & how you should keep them in line, but most parents can't be bothered to study the issue & their kids turn out wayward & wild, & the parents wonder where it all went wrong. If your children are a disgrace, who is to blame, them? NO, on the whole it is YOU! At times it is a battle I know, I was once a little tearaway myself, but discipline from my dad certainly brought me back into line. You can't win all the battles but the more you do, the better the child will turn out I promise you. If he/she steps out of line, don't carry out idle threats, discipline him/her.

Christians who leave church!

Have you ever left a church, if so, why? What about Christians who have left the church that you attend, why did they leave? Many leave because they have a *pride* issue & think they are right no matter what. Recently we have had a number of folks leave for all kinds of reasons; some are *attention seekers* & if they don't get 'the attention' they are not happy, so they leave & do exactly the same at some other church until they too get fed up with them; some have left because they can't handle TRUTH & because they are weak in the Scriptures, they get offended & leave - Mark 4v17 **And have no root in themselves, and so endure but for a time: afterward, when affliction or persecution ariseth for the word's sake, immediately they are offended.** There are all kinds of reasons why people leave a church, & most of them are pathetic to be honest, they are not mature Christians, just babies who can't deal with people & are oftentimes 'loners' who don't really fit in anywhere. Church attracts all kinds of NUTS. I have no interest in these kind of Christians & we are better off without them. If you love the word of God you'll love The Oaks Church in Harvington, because this is all we do, study the Scriptures together. We don't try to entertain or put on some sort of show, & I certainly don't try to 'please men'; I preach & teach the Holy Scriptures the best I can. You either submit to THE BOOK (NOT me!) or you leave! I will NOT run after anyone, if you want to go, GO! Recently one guy emailed me after having left for some time & told me he wasn't coming back!!! I never asked him to!!!???? If he came back & got stuck in again, rather than run away because of his problems, he would be fine, but instead he's decided to go his own way rather than the Lord's. This is typical of today's modern day Christian, no commitment, no maturity, just run away. Another family did the same! I will not yield to these hyper-sensitive over-reacting baby Christians. I will not mollycoddle Christians, it does them no good & will only harm them when they have to deal with those out in the world. If you come to The Oaks Church you will have to grow up & harden up like a true Christian Soldier, OR, you will drop out & go AWOL like many have. We are in the 'business' of turning out Christian SOLDIERS for the Lord who will get out there in the world, the Devil's territory & win some sinners to the Lord. I hold no malice to these babies, I wish them no harm & hold no grudges, so just get out of the way & let those in the Lord's army through!

What do I want from the rest of my life?

Even at 46 I still feel young, though my physical body is telling me otherwise. Looking back I have enjoyed my life so far & even though I haven't travelled much to other countries I have certainly been to places that I never thought I would. Setting up a company was a very big step for me, & I am so thankful to the Lord that it is doing well. The ministry side of things has also been an exciting walk, the Lord using us in all kinds of different situations. We've covered many *bases* over the years from street preaching, 'door to door', schools work, old people's homes, drop in centres, hostels, running a couple of churches, tract distribution etc. It's been an incredible journey, one of which we have loved. I know I've said it before, but there haven't been many days in my life where I can say that I never enjoyed them. I'm not one for having lots of friends, but the handful I do have I really appreciate & love. When you get older you change in many ways I suppose, I'm not career minded like I once was when I was young, now I just want to bring in money to pay the bills & that's it. Of course I want the business to grow so we can use the money to buy more tracts etc. The more money we bring in the more we use in the ministry. So what do I want from the rest of my life? Well first I don't anticipate being here much longer. Unlike many Christians I'm looking for the Rapture (perhaps today), therefore I try to live every day with this in mind. Sadly most Christians I know are certainly NOT looking for the Lord to return & couldn't care less to be honest. I'm sick of this old world, & England is shot-through with no hope of recovery. We are living at the end of the last days & I am looking forward to being with my Saviour. If we do have a few more months, years left, then I shall still try to get as close to the Lord Jesus Christ as I can & serve Him the best I can. I'm in His hands & I want to please Him with my life. I try to get something worthwhile out of every day for the Lord, as living for Him is really all that matters. I have my struggles like you, I do a lot of thinking about life & what I'm doing & where I'm going (a lot of thinking!!!). If a job needs to be done I try to do it straight away rather than putting it off, the team laugh because I just can't wait, I want things done instantly, which can cause problems at times. I love life, even as I'm writing this I am in the middle of my holiday & I have enjoyed every day so far, especially when I am producing something, or I have a project I'm working on.

Email after email...

Correspondence takes up a lot of my time but it's a very much needed part of my ministry. Recently I have had 'dealings' with all kinds of people, let me mention just a few. I have exchanged a number of emails with an atheist who has debated loads of different Christians called **Bernie Dehler**. He comes across with his fake humility, yet in reality he is a very arrogant man who has no interest in truth whatsoever, not only that, he has a brain tumour & is dying. He stopped emailing me when I said that his atheist kid is as dumb as he is, which he is. Sadly nut-bar-Bernie is just a mocking atheist who shall meet God very soon, unprepared. Hell is his destination & nothing will deter him from going there. The guy is an idiot, simple as that, yet he thinks he is 'clever', *don't they all darling!* Next up, I have been emailing a guy who produces 'documentaries'. He believes that the apostle John 'aged 98' & an angel will be the two witnesses in Rev 11. Sadly another nut-bar who hasn't a clue but is happy NOT to listen to the Scriptures & thinks he knows it all. You have to be very careful with time-wasters folks. *I'll give you one more...* a so-called 'pastor' who has recently set up a church in Barry's area. I emailed him a few questions about Biblical authority as he was quoting from the NASB & ESV & also loves the NIV. His statement of faith for his church didn't even contain anything about a Final Authority & the word of God, but why should it, as he told me it isn't important to him. This crazy 'Christian' couldn't even explain to me from his book of ERRORS (ESV) *that he was saved*. I won't bore you, but this guy was such an idiot I had to hold back numerous times in really letting him have a piece of my mind. After many emails & him not answering one single question properly or correctly, he took flight to the woods, never to be seen again. Another modern day social club, & load of TOSH!

I Thank God for my Authorized Bible,
Without which I would be in the midst of a Babel
Contradiction, Confusion, and indoctrination
Would have been my cup of instruction.

I thank God for The Bible with no error,
Joy to the saint and to the wicked it is a terror
To the preachers it is a source of power
To the audience it is a refuge and a strong Tower

It is easy to memorize, even if others criticize
It is an old book yet has the power to teach the new cook
To the sinner it gives the new look, to the thirsty its fresh water from the
brook.
God gave it to me and by faith I gladly took.

Written by Lordson

If you have a Bible with 'mistakes' in it, you have NO Final Authority & NOTHING to stand upon as absolute truth. It is useless arguing & debating with cults & false religions if YOUR Bible has errors in it. I would suggest that you get yourself a **King James Bible** as this is perfect & will deal with anything the Devil will throw your way. So many 'Christians' are in the dark when it comes to understanding the last days, soul-winning, doctrine & Biblical authority, because they are using satanic perverted 'bibles' that are totally useless. If you are not reading & studying from a King James Bible you will never be a deep student of the word of God, & you will never be able to rightly divide it. Ps 12v6+7, 2 Tim 2v15.

We can't get into prisons but our tracts can!

I've preached a couple of times in Featherstone Prison & I really enjoyed it, but we couldn't do much there because it was ecumenical & very charismatic, people like me don't 'fit in'. Today I received a letter from a prisoner in Milton Keynes who had received our 'Life then Eternity' booklet. He wrote me an eight page letter telling me about his past life, his childhood, which was horrific sadly to say. He wanted a Bible & some tracts to give to other prisoners. We sent him three parcels including a large print Bible, some booklets & tracts & the Christian Soldier's Battle Notes. I said I would be very happy to continue corresponding with him & if he wanted me to visit him, that wasn't a problem. He is 56 years old & been in & out of prison since 1979, but since then he has become a Christian. Recently he led two prisoners to the Lord using our tract 'Who cares?' How wonderful is that! I'd like to do more with prisoners if possible, so we are writing to every prison controller & director in every prison in England & Wales to start off with. We shall offer them our free tracts & literature if they want it. We can but try!

Who cares? God cares! Who cares?

How many times do you pray? Do you ever think of me sometimes...?

Dear Lord Jesus, I know I'm a sinner. I have done many things wrong in my life. I believe you took my sin and died in my place. Please show mercy on me from the Lord. Please forgive me for all my sins, even into my heart and life and save me. I now choose you as my Lord and Saviour. Help me to love for you in everything I do, from now on, Amen.

If you have passed this paper or would like to discuss anything further please write to the address advertised or alternatively you may write to me at the following address:

It would be great to hear from you!

How 'DID' ever this, said or thought something similar...?

I feel like giving up!
Nobody understands what I'm going through!
I'm struggling to live!
I don't know which way to turn!
I need help!
I've got no money!
I need a friend!
I can't take it anymore!
I need a job!
I'm lonely and scared!
Nobody loves me!
I'm taking it just like the rest!
I want to be loved!
... I have!

I feel isolated!
My parents have rejected me!
I just don't know what to do!
I've been let down!
I've been cheated on!
Oh my God!
Why does it always happen to me?
I can't stop what I'm doing!
I want to know the answer to it all!
Oh there's something better than this!
I'm carrying so much guilt!
The things I do!

Throughout this walk of life our feelings and emotions seem to change so often. Sometimes it's as if we are on the "mountain top," other times we feel as if we're in the deepest, darkest valley. We all struggle, having things we get better in the future.

What is a 'tract'?

Tract - a short treatise in pamphlet form, typically on a religious subject.

Why are you leaving?

What are you leaving? A friendship, a job, a relationship, a ministry, a church etc. What are the reasons as to WHY you are leaving? Do they really stack up before the Lord, or is it your own selfish will that is drawing you away? We all make wrong decisions in life at times, & you can never really go back & pick up again from where you left off. Leaving can be the best thing to happen, or it can be the hardest, loneliest, saddest time you will ever face. Leaving earth at the Rapture to be with the Lord will be the BEST thing ever, but while we are down here on earth, we all have to make decisions. Moving on can be a very trying time for you personally, & those you leave behind. Losing a best friend or a partner can be the hardest thing you'll ever deal with. If it wasn't for the Lord I don't know how we'd all get through each day to be honest. I need the Lord in my happiest & saddest times, I need the Lord constantly. I need Him to guide me in every decision I make & to help me understand, to discern. I need His knowledge & wisdom. I need Him in every single thing I do in my life. Without Him I wouldn't be here. If you are about to leave for whatever reason, stop & think before making another step... am I doing what is right for the Lord?

The Lord Jesus Christ COULD return today... do you believe that? I do! You're IN the generation that COULD see it happen!

Mat 24v34 **Verily I say unto you, This generation shall not pass, till all these things be fulfilled.** 'THIS generation' is the 'generation' that is alive at the time of Israel becoming a nation again (1948). If the length of a 'generation' is 42 years (figuring the time of the 'generations' in Mat1v17), then Christ would have come back in 1990. If a 'generation' is 70 years (as in Ps 90v10), then the Second Advent would be no later than 2018. If a 'generation' is 100 years long (as figured by Gen 15v13), then the Lord would return NO LATER than 2048. If the Lord has a particular person in that 'generation' in mind (see notes on Gen 5v21 in RRB), then the Second Coming will occur sometime within the lifetime of THAT person. That means that any unbelieving Jew born in 1948 WILL BE IN the 'generation' that sees the Second Advent, & any believing Christian WILL BE IN the 'generation' that is CAUGHT OUT at the Rapture BEFORE the Second Advent! Man alive folks!!! Are you ready for the Rapture? Makes you think doesn't it! What are you doing with your life FOR THE LORD?

Learn to say 'Thank You' on a regular basis...

Ingratitude - noun a discreditable lack of gratitude. I honestly believe that some Christians see very few blessings in their life BECAUSE they are so unthankful. They hardly ever thank the Lord for what they have, & they never thank those who help them. If you are one of these kind of Christians, you will always struggle. The Bible has a lot to say about being thankful. Ps 100v4 **Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name.** Rom 1v21 **Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened.** Col 3v15 **And let the peace of God rule in your hearts, to the which also ye are called in one body; and be ye thankful.** I was brought up to be thankful for what I have & receive from others. The Lord has certainly blessed my life & I am indebted to Him for everything that is any good in my own life. If you think it is YOU who 'deserves' or 'works' for what you get, you're NUTS! If it wasn't for the Lord giving you LIFE & the ability to DO what you do, you would be NOTHING! The words 'thank' occurs in 26 verses, 'thanked' in 3 verses, 'thankful' in 3 verses, let alone words like 'thankfulness, thanking, thanks (occurs in 71 verses), thanksgiving, thanksgivings, thankworthy'. Isn't it time you started to thank the Lord & those that help you? Why don't you do it already, what's stopping you, PRIDE?

The detestable man-made HELLISH doctrine of Calvinism!

Did You Know
INFANT DAMNATION
Is CALVINISM
 And Related To Their DEMONIC View Of Election? They Believe Non-Elect Babies, Who Die, Go Into The Fires of HELL! Can You Force Yourself To Believe In A God, Who Would Do That To Innocent Babies?

Calvinism – the doctrine from HELL!

Mat 23v37 O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not! This ONE verse overthrows the entire man-made doctrine of Calvinism! Here the 'will of God' was REJECTED by the 'sovereignty of man', & 'irresistible grace' failed to accomplish its purpose. God was willing to save the Jews, & they would have none of it! It was THEIR WILL that 'left' their 'house... desolate' (v38). When it comes to 'freewill', Calvin's man-made system is TOSH... or as we say over here in England 'tommyrot!' There isn't a Calvinist on planet earth that can RIGHTLY divide (2 Tim 2v15) the Scriptures. If every Calvinist read Vance's book 'The Other Side of Calvinism', Calvinism would be wiped out in an instant. For some strange reason, Calvinists think they are intellectual, when in reality, they are just as DUMB & as DEAD as you can get! Remember 'Smarty-Marty from NON-Welcome Hall near Bromsgrove' or Manor Park in Worcester?

This is soooooo FUNNY!

Poor old Ghostly-Ed-the-Fake-Pfenny (see last issue of Tft! NEWS issue 81) is losing *everyone* around him including his heroes! This guy is an absolute NUT! The latest casualty is his *mentor & hero* Breaker, who has just come clean by saying that ***you can get saved by 'calling upon the Lord, praying to the Lord, asking Him to forgive you of your sins!'*** Poor old Eddy-Pfenny burst into tears when he heard his hero say *those words*. Now old Ed-the-Fake is on his own. *Do you know what has happened?* You guessed it... **Time for Truth! is to blame!** Tft! issue 80 destroyed & split the Satanic trinity, & now Tft! issue 81 has split boyfriends 'Pfenny & Breaker', & Breaker has now disowned (& 'owned') old Pfenny! So a NEW Satanic 'duo' has been formed...

Pfenny & Fat-Slob-Colic-Caldwell. I guess Tft! issue 82 will sort out these two morons. I do feel sorry for Fake-Ed though, as he is totally useless as a Bible teacher (he just can't teach), & he is a total failure as a witness & ambassador for the Lord, as he hasn't lead a soul to the Lord in his lifetime, yet because of PRIDE (Gal 6v3), Ed-the-Fake thinks he is the ONLY one right in the entire world. *Poor old Eddy...* I think it's time to leave YouTube & do something productive with your time, like

washing windows, cutting lawns or shopping for old ladies. No one who is a Bible Believer takes this NUT serious, with his anti-Scriptural position on Rom 10, 'prayer is a work' & his other CULTISH heresies. I think Fake-Ed must have the smallest CULT worldwide; him & Fat-Slob-Eli... the poor kid. I've never met a 'dumber jackass' than Pfenniger... EVER, except 'maybe', *the guy who posted him a Grenadier Guard jumper!* My grandad was a Grenadier Guard & Fake-Pfenny

isn't worthy to wear such a vesture, being such a Bible heretic! **Shame on YOU MORON!**

Breaker answers his critics (Published on Jun 27, 2017) with the words of another well-known Bible teacher/preacher, Peter Ruckman, boldly proclaiming the Bible doctrine of salvation by FAITH in the GOSPEL (the BLOOD ATONEMENT of JESUS CHRIST), and showing that the actual prayer itself doesn't save you; all the while, being careful to say that people can indeed be saved when they pray (if they believe in the atonement at the very moment they pray). So there you have it! Poor old Ed-Fake-Pfenny's bubble has burst & he in turn burst into tears after hearing Breaker state that. *Poor old Eddy!*

Time for Truth! has cleaned up another mess 'again' regarding Breaker & Pfenny! You just have to look at the comments on Fake-Pfenny's YouTube videos & see how many people are confused by him & Breaker. It never used to be like this, & this whole CULT teaching of 'prayer is a work', is a recent thing started by CULT leader Richling & propagated by Fake-Ed-Pfenny & Breaker. It's THE dumbest teaching ever to hit the Body of Christ, that's why I expose these MORONS, as they are confusing weak

Christians & trying to get some 'retreads' so they can say they got saved through their ministry. It's just a **pride issue** that's all. Ed-funny-Pfenny is like a deaf 'old lady' not being able to understand salvation, prayer, confession, repentance or Rom 10. **Time for Truth!** is helping idiot-Ed, idiot-Podgy-Breaker & idiot-Colic-Caldwell to understand the Gospel. They are slowly learning, but it is indeed taking some time to get through their blockheads. You would be best DUMPING the lot of them as they'll only confuse you over the salvation issue because they all say the same thing, then they all say different things. They use each other when needed to teach their heresies. Fake-Pfenny uses Ruckman when he needs him, Breaker too, but then attacks them when they stand against his CULT teaching of 'prayer is a work!' Like I say... *dumb as they come!* Richling thinks he has a unique take on Rom 16, & Old-Maid-Pfenny thinks he has a unique take on Rom 10, BOTH are IDIOTS & haven't a clue. They are just wasting your time so **unsubscribe** & read your Bible. If you're NOT saved, *ask, repent, confess with your mouth in prayer... believing the Gospel simultaneously* & you shall be saved! (Some of you won't get that, but that's funny!) The word of God is written so a child can understand & get saved, yet it is also written so that a Bible 'rejector/corrector' (Fake-Pfenny, Fat-Eli, Podgy-Dodgy-Breaker etc.) such as a Hyper-Diaper just can't grasp it! The Lord knows what He is doing. These heretics DON'T, they are very shallow students of the word of God. You must be a real moron to watch & follow that arrogant mount-on-a-stick-Fake-Pfenny. Even Fake-Ed's subscribers are getting fed up with him, look at what one guy has just written... *ED, YOU must be the only person Jesus has been able to save. I mean you spend most of your time making videos about how everyone else is wrong.*

I rest my case... Ghostly-Ed-Pfenny is a total NUT who thinks HE & his boyfriend Richling are the ONLY ones saved!

Gospel Newspaper! Want to get involved?

There are three main Christian newspapers that are used to reach lost sinners. They are, 'GOOD NEWS' (Evangelical Alliance), 'NEW LIFE' (AOG Pentecostal) & 'THE WAR CRY' (Salvation Army). All three of these newspapers are very shallow, non-challenging & very weak. In my opinion they have very little impact in/on the world. There is certainly a market for a hard-hitting, challenging, straight to the point Christian newspaper. I would like to produce one, with the help of any other Bible Believers. Just one issue could be used time & time again if it wasn't date sensitive, but producing other issues would also be of great benefit/interest. It will need a lot of time, effort & money. If you would like to get involved in this project let us know. Maybe we would need to meet up over a coffee & discuss it further. Tft! is a tract producer, not a newspaper publisher, but we would certainly be willing to help get this needed project off the ground.

As the days pass...

I get up in the morning thanking God for another day of life. Usually I'm on the road with one of the girls regarding JDA, & we travel to our first appointment. On the way we either listen to a sermon, Classic FM, Radio 4 or some music, or we just talk. I enjoy our travels together because normally we talk about *worthwhile* things, whether it's the ministry, work, our plans for the future etc. Halfway through the day we stop for lunch in a café. In between appointments we try to get a few tracts distributed into homes. On the whole we get back about 6.00pm. After tea we all start our 'jobs' again, whether it's catching up on JDA, working on Time for Truth! or something else. Bed usually comes about 12.00 Midnight. That's the day gone! This is a typical day, but is it living for the Lord? We are always looking to serve the Lord in a deeper & more sincere way in all that we do. We don't like wasting time, & equally we don't like being too focused on worldly things, yet JDA takes up so much of our time. But then again, we spent over £7,000 on tracts over the last couple of months so we need to earn the money to pay for all this. It's hard getting a balance in life at times.

Tracting in Bridgnorth, Hereford & Worcester.

On the second week of our holiday we visited Bridgnorth, Hereford & Worcester, all of which are lovely places. We also managed to distribute lots of tracts in those areas, some even in a few churches including Enville, & Hereford Cathedral. Already we've received one of our tracts back, same old story... the person was extremely unhappy with our booklet 'Designed or not designed?' & therefore *wrote on it, put it in an envelope & then posted it back to us, without a stamp of course!* Like I keep saying, Tft! tracts get responses whether good or bad.

Brilliant – 'Airline botches pro-gay ad, proving marriage is only between a man and a woman'

August 8, 2017 (LifeSiteNews) — KLM Royal Dutch Airlines has produced a Twitter ad *meant* to pay tribute to Gay Pride events now taking place in Amsterdam. The only thing is, the tweet serves **to do the exact opposite.**

The ad shows three sets of seat belts. The first consists of two "female" ends. The second pairs two "male" ends. The third depicts a male with a female end and is clearly **the only seat belt pairing that actually works.**

It doesn't matter who you click with. Happy #PrideAmsterdam

If KLM equipped its aircraft with set number one or number two, its entire fleet would be grounded for safety reasons. And if even one passenger's seat was outfitted with double male or double female ends, the plane would not even be allowed to pull away from the gate because of the safety hazard presented to that one passenger. Only the set of "complementary" seat belts protects passengers from harm. The others have no real value. In fact, they invite danger. One of the best responses to the airline's tweet came from Rick Canton: **"Fly Royal Dutch Airlines, where your only chance of surviving a crash is buckling up the heterosexual way."** If the seat belts, aka "safety belts" consist of either two male or two female ends, they don't actually form a "belt" because they can't connect. They remain simply two rainbow-coloured straps, rendering the term "belt" a misnomer. As such, the first two pairings do not qualify to be identified as either "belts" or as devices of "safety." Because they are non-complementary, neither term applies. In this way, the KLM ad offers a perfect explanation of why same-sex "marriage" is an impossible notion.

The Gospel of 'The Kingdom'... it is NOT the Gospel of the Grace of God!

The 'historical position' on this verse is that 'the Gospel' (Mark 13v10) is preached to every political &/or ethnic 'nation' on earth before the Lord comes back. While that may be a wonderful missionary sentiment, it has absolutely NOTHING to do with the truth! 'The Gospel' of Mark 13v10 is NOT 'The Gospel of the Grace of God' (Acts 20v24) preached by Paul (Rom 2v16, 1 Cor 15v1-4, Gal 1v7-12). It is 'The Gospel of the KINGDOM' (see RRB notes on Mat 9v35), & it is preached again during the Tribulation aka 'Daniel's 70th Week', aka 'Jacob's Trouble' – Rev 7v9-14. Do you know the differences between the Gospels in Scripture, or do you believe the heresy that everyone is saved the same way in every dispensation? Like I keep saying, if you don't RIGHTLY divide the Scriptures you'll teach HERESY – 2 Tim 2v15 e.g. (Hyper-Diapers/Calvinists etc.)

Yet there is room - by Betsy Bats Parker

2 Pet 3v9 **The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.**

Ezek 33v11 **I have no pleasure in the death of the wicked; but that the wicked turn from his way and live:**

This short article is for all those who know me and have prayed for the salvation of my husband, Tony. After 80 years of life and 59 years of married life, on 19th July just after midnight he got saved. PRAISE GOD. He put his faith and trust in the finished work of Christ to save him from his sins. He will now go to Heaven when he dies. I've told him in the past that if he died in his sins he would go to hell. John 8v24 **I said therefore unto you, that ye shall die in your sins: for if ye believe not that I am he, ye shall die in your sins.** He has major health issues, mainly with arthritis and depression and is on strong medication, which recently has been playing him up. It was on such an occasion that he had a bad night time spell with discomfort pain and panic set in and he was brought very low and his pride and stubbornness melted in the moment of the situation.. I said to him (like as on many occasions), you need to get saved, this time he said "yes, but it is too late for that." So I told him about the thief on the cross and suddenly I heard him pray to God to forgive him his sins. This was entirely of his own as I never mentioned it. I quoted Romans 9v10 + 13 --- lo and behold !! he was saved. Although I've been saved since 1955 I didn't come to really know the Lord Jesus Christ and wasn't active in the faith until I was baptised in 1994, so I wasn't much of a witness to Tony until then. I did go to church and took the children but he never once came to church with me and he didn't come to my baptism either. He was very supportive of my Christian work and never forbade me to go to church or meetings etc. He has also met several of my Christian friends. I am finding it difficult as to know what to do next, progress seems slow but he is listening to CDs of the Bible and reading a Psalm or two a day, we also talk about the Lord and sometimes pray together. There doesn't seem to be the drama and excitement of a convert, perhaps because of his age or perhaps because he takes it for granted. He told me that whilst listening to the Bible he recalled the Sunday school and confirmation (C of E.) lesson he had for 5 years when young so the seed was sown there. I can't take credit for that, but for the last 20 odd years I've tried to be a Christian wife and witness when I could; and the seed was watered by many of your prayers which have gone up. 1 Cor 3v7 **So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase.** I hope this is an encouragement to all those who have loved ones which are lost, never give up praying and witnessing. May I ask you for your prayers yet again, that I may be a help to Tony to grow in grace and that he will progress spiritually and become an active Christian, zealous of good works.

Little Dee Dee turns 30...!

One minute she's in the Friday Club & DG, now she is a 30 year old business woman & Director, also helping to run a ministry & church, time sure flies! We've know her since she was 13 & I can honestly say she is an absolute pleasure to work with & it's a total privilege to be her friend. We celebrated in style, dressing up in 'posh clothes', (me in a suit for a change!) & went to watch 'The Railway Children' at Malvern Theatre. During the day we also tracted a couple of streets with our new tracts 'The End?' & 'Who's your favourite Superhero?' It was a great day & a very profitable

one at that. Not only did Dee's balloon take flight with a tract attached to it, but we also bought a helium gas canister & another 30 balloons & sent all these up with tracts too! *Did you receive one?*

More Calvinistic CLAPTRAP!

Mat 24v22 **And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.** There's that word 'elect' again! If you, like all Calvinists, think that the 'elect' here in Mat 24 is a reference to Christians as in Eph 1v3-11 then you're a Bible illiterate! Long before any Christian showed up in the Scriptures (Acts 11v26), ISRAEL was God's ELECT – Isa 45v4, 65v9+22. The context here is talking about JEWS (v15+16+20). There is NO reference to the Body of Christ ANYWHERE in Mat 24!!! Martin Rosenthal (Kent-beg-for-money-Hovind's 'god') used this verse above to teach that the church would go through 22 weeks of the Tribulation, giving every Christian the chance to take the Mark of the Beast & LOSE his salvation (Rev 14v9-11).

Tribulation Salvation is NOT Salvation by Grace Alone which Paul preached, which WE preach today!

You should all know the difference between the Gospel of the 'Kingdom' & the Gospel of the 'Grace of God'. Salvation IN the Tribulation is NOT 1 Cor 15v1-4. Read Mat 24v45-51 – none of these verses are aimed at the Christian, you & me. These verses deal with 'SERVANTS'. After the resurrection, the Lord called His disciples 'FRIENDS' not 'servants' – John 15v13-15. Christ makes sure His 'friends' end up in Heaven (Gal 4v7) just like Him (Rom 8v29-39). The servants in Mat 24v45-51 have to 'endure unto the end' (v13) or they will end up in Hell (v51). That is NOT the way of salvation today! Salvation is certainly NOT the same in every dispensation, & the sooner you get that the more you'll understand the Bible. In the Tribulation, salvation is 'faith plus works' (Rev 12v17, 14v12), today salvation is faith ALONE (Eph 2v8+9).

What is stopping you from doing what you know you should be doing?

Moron of the month!

It's just got to be Pfenny himself has the MORON TREE & This guy who can't just one big mouth trying to get people

hasn't it? Yes old-lady-fake-certainly risen to the top of claimed first prize this issue. rightly divide Romans 10 is on a stick banging his drum to listen. Unfortunately 99% of Christians can see through his CULT teachings & heresies, only deluded fools 'follow' the NUT! If I'm bored & want a laugh, occasionally I'll tune in to see who ghostly Ed is attacking this week.

Usually it's Bryan Denlinger because poor old Ed can't stand it that Bryan has over 20,000+ subscribers. Eddy just reminds me of one of those old ladies that like to talk about people all the time while getting NOTHING done in their lives... this is Ed-Fake-Pfenny all over. He is spiritually dead & therefore doing NOTHING for the Lord Jesus Christ. On his tombstone will read the following words... (see opposite)

Since a number of his own followers are getting fed up with Baby-Ed's childish antics of attacking everyone, many have asked if he will start trying to teach the Bible. I've noticed him caving in to the pressure & he's put out a few little 'sermonettes' recently. At least he's trying I suppose. You never know, maybe one day, he'll dump his arrogant attitude & submit to THE BOOK as his Final Authority rather than himself – miracles do happen!

The Flood was Worldwide NOT Local as some Christians seem to believe?!

Gen 6v13 **And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.** ALL of them, with THE EARTH!

Gen 6v17 **And, behold, I, even I, do bring a flood of waters upon the earth, to destroy all flesh, wherein is the breath of life, from under heaven; and every thing that is in the earth shall die.** Destroy ALL flesh,

Isa 54v9 **For this is as the waters of Noah unto me: for as I have sworn that the waters of Noah should no more go over the earth; so have I sworn that I would not be wroth with thee, nor rebuke thee.** Waters OVER THE EARTH!

You have to be a Biblical illiterate to think that 'Noah's Flood' was just local!

Thought anymore about the legacy you'll leave behind?

What are you known for? What will people remember you by? Have you been a good soldier for the Lord? Are you living for the Lord Jesus Christ at present, doing what He wants you do rather serving yourself? 1 Tim 5v22 **Lay hands suddenly on no man, neither be partaker of other men's sins: keep thyself pure.** Are you abstaining from what you should? 1 Thes 4v3 **For this is the will of God, even your sanctification, that ye should abstain from fornication:** 1 Thes 5v22 **Abstain from all appearance of evil.** (Another reason why NO Christian should drink alcohol) 1 Pet 2v11 **Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against the soul;** 2 Tim 2v22 **Flee also youthful lusts: but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart.** We're in a fight constantly, warring against the flesh & the world. Just look up the word 'lusts' or 'lust' in your Bible concordance & study what you shouldn't be doing... it's an eye opener! If you were to die today, what would your family, neighbours & work colleagues remember most about you? Have you been a great witness & testimony for the Lord? If you haven't this far, when are you going to start? You don't get another chance at life, this is it. Maybe it's time you sorted things out in your life, let things go, move on, 'purge out the leaven' in your life (1 Cor 5v7). I remember one Christian telling me that he couldn't care less about leaving a legacy, do you know why he said that? Because he wasn't living as he should. Christians make up all kinds of excuses of why they 'do & don't', but that is because they aren't living right. If you are making decisions *in the flesh*, rather than seeking the Lord for His will, you are bound to make mistakes & cause yourself problems. Today is another day, make it count. Do something worthwhile. Stop living for yourself & start living for the Lord. Get involved with reaching sinners with the Gospel & helping where you can. Get involved with a team of Christians, start one if you need to, & meet together seeking the Lord's will. Time is running out rapidly, & the Rapture is imminent. Make these last days count FOR THE LORD! No regrets, start afresh if you need to, God understands & will help you in every way. We are living in exciting times folks, & we are going to see the Lord's return very soon I believe. I'm doing all I can to stir as many Christians up to get out there & do something worthwhile, rather than just sitting at home watching TV or living on YouTube. 1 Cor 15v58 **Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.**

The Gap FACT! (Part SIX)

Continuing from the book 'The Gap Fact' by Perry Demopoulos... Gen 1v2 **And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.**

The first word in this verse is "And..." This word alone can be proven from Scripture that it separates and not only joins one and the same event, but rather separates two different events with a GAP in between those two events. For example, look how the word "And" separates Daniel 9v26 from verse 27 by a period of 2000 years – **And after threescore and two weeks shall Messiah be cut off, but not for himself: (2,000 year gap...) and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined. (2,000 year gap...) AND he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.** That is a gap FACT that cannot be denied!

Look also at Isaiah 61v1, 2 how the word "and" separates two different events. **The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; To proclaim the acceptable year of the LORD, (2,000 year gap...) and the day of vengeance of our God; to comfort all that mourn; Are you going to deny these verses? There they are, right under your nose, staring you in the face. How could you reject such obvious revelation of the usage of the word "and?" Let's look also at John 5v28-29 to show how the word "and" separates two different events by 2,000 years. **Marvel not at this: for the hour is coming, in the which all that are in the graves shall hear his voice, And shall come forth; they that have done good, unto the resurrection of life; (1,000 year gap...) and they that have done evil, unto the resurrection of damnation.** So to categorically reject the possibility of there being a gap just by the very word "and" would be rushing to prove a point, jumping to conclusions and rejecting light from the Scriptures.**

Rightly Dividing and More Biblical GAPS - Unfortunately, many of our brethren have missed the blessing of seeing the Biblical practice of the Holy Spirit creating GAPS between events. There is no such thing as the gap theory as Bro. Hovind, Bro. Tabb, Bro. Ham and others would have you to believe. It is rather a gap FACT. And to deny the following verses to prove such GAPS will only show your ignorance and blindness. Now you wouldn't think that there would be so much in one verse such as Genesis 1v2 but that is the difference between "searching the scriptures" and simply saying that Genesis 1v2 was just part of the creation week till the end of the chapter. For it is a common practice of the Holy Spirit to explain a period or different periods with GAPS between them which cover thousands of years. Here are more examples...

Example No. 1 For instance in Genesis 3v15 you will notice that in one verse there is enough prophecy within its content to write at least 10 pages and preach at least 10 sermons. **"And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, AND thou shalt bruise his heel."** To make it short this is the first direct prophecy of Jesus Christ (Matt 1v23), but the prophecy of the seed of the serpent is seldom mentioned (8v44). "...between thy seed..." is speaking of Judas Iscariot (John 6v70; John 17v12) and also the Anti-Christ (2 Thes 2v7, 8) which was yet another FOUR THOUSAND and SIX THOUSAND YEARS respectively to come. **"Her seed"** is of course Jesus Christ. (Matt. 1v23). "it shall bruise they head..." is dealing with the Second Advent which would not happen until another SIX THOUSAND YEARS, **"...AND thou shalt bruise his heel."** Is dealing with the cross of Christ. This prophecy is foreseeing things at a distance of four thousand – GAP – to six thousand years ahead of time. Not only that the last half is not in chronological order. The Second Advent is spoken of before the Lord's First Advent. From this example of Scripture the Holy Spirit has taken the liberty to do a number of things; 1.) Divide a verse by punctuation marks that cover thousands of years. 2.) Write a verse so that they are written not in chronological order. So the Lord has His own order of placing things. The Holy Spirit can write things in one verse that can only be expounded by patient study of the Scripture, making the proper division (GAP), comparisons and repetitions. Once that happens everything falls into its proper place.

Example No. 2 An example of events written in reverse order is when Paul wrote to those in Thessalonica concerning both the two different parts of the 2nd Advent, **"Now we beseech you, brethren, by the coming of our Lord Jesus Christ, (2nd part) – GAP – AND by our gathering together unto him"** (1st part, 2 Thess. 2v1). Notice the word "and" in this verse. It is what DIVIDES, or creates a GAP between the two different events. That is not man's explanation of a verse. That is the work of the Holy Spirit; plain and simple.

Example No. 3 Let's take another verse. We read in Isaiah 9v1, 2, **"Nevertheless the dimness shall not be such as was in her vexation, when at the first he lightly afflicted the land of Zebulun and the land of Naphtali, and afterward did more grievously afflict her by the way of the sea, beyond Jordan, in Galilee of the nations. – [GAP] – The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined."** This is a case where a period at the end of verse 1 separates two definite time periods, the Great Tribulation and the Millennium. Gap "theory" huh?!

Example No. 4 “Binding his foal unto the vine, and his ass’s colt unto the choice vine; [GAP] he washed his garments in wine, and his clothes in the blood of grapes” (Gen 49v11). Notice again how that the verse is SPLIT by a GAP and the difference between the two halves is 2000 years and those 2000 years are represented by a semi-colon after the word “vine;”

So to say that there is no such thing as a gap, (as many of our brethren do), is simply the figment of their own imaginations. They approach the Bible with doubt (Gen 3v1-6) as to Biblical facts, and then construct their own subjective doctrine using the inductive method of their own theology. It is pure SUBJECTION! The result of that is evolution, the very thing they are accusing Bible believers of they themselves are GUILTY. Now we have seen in both Testaments the regular practice of God to create a GAP in between two different events. We will look further into the Biblical doctrine of GAPS when we study “generations” in chapter 14.

“**And**” - A closer look at all the words in the second verse in the entire Bible is rather an enlightening experience. The word “**and**” is used about 148 times in Genesis 1-2 to separate the 102 recorded independent acts of God. Verse 2 is as independent of verse 1 as to time and subject matter as all the other separate acts of God. Verse 1 refers to the whole universe being created and inhabited with “**the sons of God**” (Job 38), while verse 2 refers to chaos because of sin. Verses 3-31 picture the restoration of the earth as before chaos, and its second habitation now with present man, (Adam as “**the son of God**” Luke 3v38) and the new earth brought into being about 6,000 years ago.

So we agree with the “young earth” proponents of the Fundamental Creation Science crowd that the earth, that is THIS earth, is about six thousand years old, as Kent Hovind has taught. But we most certainly DISAGREE with them where they smoothly and very subtly overlook a gap in Genesis 1v2 that is FACT that we’ve already proven although we haven’t even come to the half mark of this book. And we have done that without having to refer to any dictionaries (as Hovind does) any Hebrew or Greek lexicons or any other source of information.

Dr. Peter S. Ruckman writes concerning the word “**and**,” “Often miscalled “The Gap Theory.” What takes place in verse 2 is historical and takes place after 1v1. There’s no theory to it. The Institute for Creation Research has failed to observe that the word “**and**” occurs at the beginning of every verse in the chapter down to verse 31 (with the exception of vs. 27), and not one time in thirty-one verses does it refer to the verse before it. The silly teaching that verse 2 refers to verse 1 violates the entire chapter of 31 verses.” (Ruckman Reference Bible p. 1)

“was” means “became”

There is something else that needs to be mentioned about Jeremiah 4v23. Notice the two italicized words “IT WAS” in the verse. The word “**WAS**” is the very same word in Genesis 1v2 talking about the earth, that it “**WAS without form and void...**” meaning that it WASN’T “**without form and void**” at one time, previous to that event. Did you get that??? Let’s lay it out another way. If in Jeremiah we read “**I beheld the earth, and, lo, IT WAS without form, and void;**” it will have to BECOME “without form and void” because as of the year 2011 [at the time of this writing] the earth has NOT become of that state yet, but it WILL become “without form, and void” during the Great Tribulation. Now that is the true interpretation and the only interpretation of Genesis 1v2. The Book explains the Book. So ‘get with it’ or else the Book is going to “book” you.

Not only that, the words “*it was*” (Jer 4v23) are in *italics* meaning they were not in the “original” Hebrew text. Don’t you know that the Lord had His mighty hand on those translators of the King James Bible 1611 for them to put “it was” in Jeremiah 4v23? They knew what they were doing. Now if that weren’t enough, let’s take our concordance and look at what God has prepared for us. In Mark 14v1 we read – **After two days was the feast of the passover, and of unleavened bread: and the chief priests and the scribes sought how they might take him by craft, and put him to death.** Notice the word “**WAS**” in the beginning phrase. In the context, the event of the Passover had not yet taken place. But it eventually took place. It came and went. First it wasn’t, that is, it hadn’t taken place, and then it became, it came, it had taken place. The very same thing is what we’ve been talking about with the second verse of the Holy Bible, “**And the earth WAS without form...**” It wasn’t in that state but then it BECAME in such a state. Clear and simple, using Scripture to interpret Scripture and not your ‘logic’ to create a private interpretation to drag the Holy Scriptures down to your humanistic level. Humanism is contagious among those that profess to be Fundamentalists.

One of the basic “fundamentals of the faith” should be a proper comparing of the Scriptures. All one has to do is simply trust the Lord to show you where He has interpreted Himself. The REPETITION is in Jeremiah 4v23. There are no other verses in the entire Bible with that very same phrase, “**...was without form and void.**” And THAT, i.e., Jeremiah 4v23, is enough for God to explain what He wanted to say in Genesis 1v2. If anybody adds to that or takes away from that, then he has some ulterior motive for denying absolute TRUTH. He is trying to build a ministry upon a lie.

Now just to show you how unique the scriptures are, let’s take the concordance and type in the words “**was**” and “**became**” and see if we can find the scriptures interpreting the Scriptures. Well, lo and behold you can find a number of places that use those two words interchangeably in the very same verse. They interpret one another. “**And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads**” (Gen 2v10). “**And the cloud departed from off the tabernacle; and, behold, Miriam became leprous, white as snow: and Aaron looked upon Miriam, and, behold, she was leprous.**” (Num 12v10). “**And when he came unto Lehi, the Philistines shouted against him: and the Spirit of the LORD came mightily upon him, and the cords that were upon his arms became as flax that was burnt with fire, and his bands loosed from off his hands**” (Judg 15v14). “**And the king answered and said unto the man of God, Intreat now the**

face of the LORD thy God, and pray for me, that my hand may be restored me again. And the man of God besought the LORD, and the king's hand was restored him again, and became as it was before" (1 Kings 13v6). "Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened." (Rom 1v21).

Now comparing scripture with scripture let's take another look at the fierce anger of God as it will be in the Tribulation so it was in Genesis 1v2. We learn history by the future and the future by history. The BOOK is circular, eternal. "Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of the LORD of hosts, and in the day of his FIERCE ANGER" (Isa 13v13). God's fierce anger speaks of JUDGMENT upon sin. Sin was in Genesis 1v2. God judged Lucifer who fell along with "the sons of God." As a result of God's judgment, the earth was [that is it became] without form..." We'll pick up from 'without form' & 'void' next time in study 7.

Toxy is finally 'leaving' us...!!!

Well on her 28th birthday Toy (aka Tox, Toya etc.) is leaving us to go to London for 10 months. She has signed up to do a course in financial journalism. (!!!???? I know!) We are all *very sad* to see her go of course, but she is growing up fast & getting 'itchy feet' to get out there & see the world, seek a husband, do more with her life, travel etc. We have known her for 17 years & she is the best friend you could ever ask for, & we all love her so much. She has been a huge asset to the team, business, ministry & church. Personally I think (**I do NOT know!**) that she is making the *wrong* decision at this time, only the Lord knows, but no matter what, we just pray that the Lord will bless & protect her in everything. **IF** she has made the *wrong* decision, Toy has promised to call me & we shall collect her immediately. She is continuing as a director of JDA, & will also be involved in Tft! regarding looking after the website etc. I have asked her to produce an article regarding her 'moving on'.

Toy (aka Toxy, Toxy-Loxy etc.) in her own words...

The Time for Truth team is a fantastic unit; we have been together for many years and there are not many teams out there that work together in the way we do. Over the last 17 years we have built up a team where every one of us knows our role and part to play and thus we are able to work in harmony quickly and efficiently in both the ministry and business side of things.

With this said there are a lot of sacrifices we have each had to make to develop the closeness and depth we all have, we have all made choices to be in the position we are in today. Getting a team like this doesn't come without its hardships and trials; both collectively and as individuals. There is a lot that people do not see or do not understand when looking in from the outside (this applies to so many scenarios but more and more we are trying to see things from other people's view). As a group of 4 we have come from different walks of life, with different upbringings and experiences; different educations, different jobs, different interests and hobbies, different family life etc. We are one unit but still four individuals, and ultimately we have the same final goal of loving the Lord with all our hearts and reaching the lost for Him.

Our team brings a lot of safety and security in this troubled world but at the same time it can be very insular as we have the ministry and church together, we work together, live together etc. and this makes the relationships we have with each other very intense, we have our eggs in one basket so to speak. If one thing is wrong or slightly imbalanced the whole team is of course affected. That's just the way Tft! operates. Those of you who know us well and have seen us in action first-hand have often commented on just this... we are indeed a very unique family unit.

Knowing John and Donna from an early age has been a great benefit to me in both my spiritual and personal life, particularly throughout my teenage years where I grew up quite quickly and started learning and getting deeper and deeper in the Scriptures (which has helped me so much in my now adult life). Next week I am reaching the age of 28 and it is crazy to look back over previous issues of Tft! News where I was writing as a teenager or as just "one of the kids from Friday Club" and now I am nearing 30 years old?! Time just flies by yet these days seem like only yesterday.

One of the most frequent questions people ask us when they see us is "where do you think you'd be if you never met John and Donna?" and it is a question that I can never answer. We have been together so long, and I was still young when we met (11) and started at the DG (14) that it is almost impossible to picture what avenues my life would have taken without their input and influence. Over the last 10 years in particular during the times where we've lived together and started the Oaks Church and JDA, we have all experienced a lot as a team and I am very thankful for it and for the knowledge and understanding I have gained about life. We have been through some very blessed times and few trying times and I think we all would say that there are hardly any days we don't enjoy; many people in the world unfortunately do not have such a privilege.

As mentioned above, being in this team is quite an intense thing; you are laid open with all your insecurities and flaws on the table and oftentimes there is no room for mistakes. Both John and Donna are almost 20 years older than Dee and I and the experiences and life situations they had when they were our age is very different to what we are going through now, and being open and honest this is something I have mentioned to John a number of times that I struggle with.

John only wants the best for us (for people in general really) and he has a big heart when it comes to giving and sharing what he has, more than people will know. He has shared everything he has with us so much so that oftentimes I feel guilty

for the sheltered life that I live, despite the fact that I know that I am not just sitting back resting on my laurels. I have not known and do not know real hardship at all and everything I have (although ultimately I know it is all the Lord's, I have and am nothing) has been provided for me on a plate, or at least so it feels. From the roof over my head to the job I have and more, sometimes I feel that my life has been too sheltered in many ways (if there can be such a thing) but still I am very grateful, thank you Lord. The Lord certainly has blessed us bountifully.

I read and hear of emails John receives from Christians around the world who are alone or struggling in life and I know that I have it so easy. Even those I went to school with 10 years on have now all reached different stages of life; some have families of their own, some have started moving into their first house, some are struggling with their jobs, some have moved overseas etc. and even though I know that these things do not matter (these are all temporal things that will pass away) I can see that the insular group we are in is so different to the reality that is people's daily lives. Could I manage on my own if this was me, has being wrapped up made it harder for me if the time ever did come, would I feel as if I couldn't cope being in a different environment altogether? We live in a tight little bubble world and when it comes to actually growing up, interacting with others and looking outside this bubble we have it is an overwhelming, anxious feeling at times because I am living so far away from it. From the age of 18 up until now my life has been very stagnant; nothing has really changed with regards to where I am, what I do and who I see, which again is such a blessing as well as a curse.

Over the last few years I have said to the team that there is a lot more I want to do with my life and the time that I have, particularly interacting with more people as I did when I was younger. I am not really around people my own age which is another struggle I can face in the team (they are either usually a lot older than me or children a lot younger than me). Even in my own family I have recently seen a change in that my younger siblings, cousins and the neighbours who spend time at my house do not "need" me like they once did, they too are all growing up, moving on and making decisions for themselves and I wonder if this means that the Lord has something else in store for me too. It can be a strange feeling to not be needed anymore and it is the first time I am experiencing this in my own life; I guess it is a taste of what your parents have to go through when your children reach a certain age and take their own paths in life outside of your "control". As the oldest in my family the responsibility mainly stood with me, for advising them on certain situations, influencing them in the right ways and pointing them to the Lord and His word. I know that they know I am always there to talk to and look up to but as you grow up things change and you become more independent. It is a part of life. Thankfully the Lord stays the same. John and Donna have had to/are experiencing this with both Dee and myself too as we grow older so I appreciate how they may feel as time in going on.

Going back to influencing people... whilst growing up and being in education myself I was able to challenge those around me, give out literature in places where it was hard for those on the outside to get in and be an example and witness to "my own generation" of souls. From the many conversations and challenges, tracts and emails etc. there is an element of that same-level interaction that I miss today (although I am probably slightly out of touch with it all from not being in that environment for some time).

Each New Year's Eve we as a team often challenge ourselves to do the things we are still hoping to do for the coming year that we haven't before. Maybe some new avenue or hobby etc. it may work out and it may not, but at least we are trying to do something. For a while now there have been different ventures I have looked into that address all the points I have mentioned above; something that I can go to or get involved with that allows me to interact with people again to try and make a difference and open new doors, something that brings me out of the comfort zone I am in whilst allowing me to work off my own back and mix in with people my age.

Whilst looking around one of the things I found some time ago was a 10 month course based in London (as you may have seen from previous newsletters my background was studying Business and Finance, and the course is in Financial Journalism and Business Reporting). I wasn't sure about it at first and passed over it glibly years ago but it came back up again a few months ago and I had a look into it. I asked the Lord to open and close the doors accordingly and doors seemed to be opening at first as I was accepted on the course and offered a Scholarship to attend with my tuition fees paid for, sponsored by a Foundation. Despite this however I still wasn't sure about it all and that it wasn't just me pushing it open on my own accord so in the end I closed the door shut and turned the opportunity/course down. After doing this however the doors were reopened again twice and I was offered an additional living allowance for my accommodation too, so the 10 month venture is not setting me back anything financially, which we discussed to be a sort of "fleece" I could put out regarding the whole situation. This was only offered to one student who applied and I still do not know if this is the correct step for me or if it is an aid or solution to the situations we face but I am grateful still to the Lord for His blessings and to the team too, and my family.

I am not leaving Tft and JDA (for those of you who are worried that I am gone for good!!) and I am not being forced out in any way either. I love the Lord with everything that I have and I am only alive because of Him. My side of the ministry and the business will still be run remotely and all the tract production from my side, the amendments and proofreading, the coin orders, the website and CDs etc. will be still done with the best of my ability and of course I will be up and down the M40 as much as I can on the weekends for Oaks, tracting days and outreach events we do over the Christmas period and new year (if we are still here that is?!)

In a "normal" friendship group there wouldn't be the need to write an article like this or to feel guilty for doing something different or taking on new direction, but as you know our lives are different to that of a "normal" team ...and that's perfectly okay. Our lives all intertwine on many different aspects and we rely on each other for so many different things, it is understandably a big change for us all.

I am not saying that doing this is 100% right and that I have had a revelation from the Lord to go etc. etc. ...if you want the honest truth I don't know. It may be that in 3 months' time I am back to where I left off looking at different paths and avenues instead but it is something I have been going on about for a while now and I will certainly use the opportunity for the good and spread the Gospel where I am. There may come a time (and Lord willing there won't as the Lord's return surely can't be much longer... even so come Lord Jesus!!!) where I will be on my own and no longer living under my parents roof (or John and Donna's roof) or when Dee and I "fly the coop" as they say, or where some change will come and I wonder how ready I am for that. For now I feel that a step back is what I need to clearly see forward with regards to the points brought up above.

I always joke between us that it is like I am "married" to the team which actually has a lot of truth to it in terms of the loyalty and commitment we have. I do not want to let the Lord down, or anyone around me down, but I also do not want to let myself down with any regrets of what I did or didn't do.

Sorry for babbling on... for now this is a "brief" summary/update from me. I know the Lord has a plan and purpose for my life and I am open to wherever, whatever and whoever He guides me to. If the Lord tarries I will also be getting involved with different Christian groups, societies and outreaches where I am so rest assured the Lord and my Christian witness will be with me. Thank you all for your love, support and encouragement! Toy.

So there we have it... one's flown the coop, just one to go now! I can understand how hard it is for parents to let their children go, but such is life. We have done all we could for Tox these last 17 years & have poured our time & effort into giving here the best. We hope that she will use what she has learnt, & glorify the Lord Jesus Christ in everything she does. If she decides that JDA & Tft! is too much for her because of her workload & time schedule, she will relinquish her responsibilities & we shall look elsewhere to help carry the load. Until then, she is as part of both JDA & Tft! as she ever was. No one is pushing her out of anything, it is totally up to her if she decides to let the business & ministry go to pursue other ventures. Both Toy & us are all praying that the Lord's will shall be done in everything.

Dealing with problems... how do you do it?

If you are trying to do what is right, standing upon the word of God as your Final Authority, God will bless you for that. No matter how hard the path seems at times, as long as you are talking to the Lord about *everything* you're going through & leaning on Him for help & strength, you'll come through victoriously, even though you don't feel like you will at present. We all go through problems in our lives; whether personal, dealing with certain sins, problems at work, in relationships, families, at church etc. Sometimes what you go through can really get you down & you feel as if you're failing in your Christian life. I'm no different to you, I struggle through life praying & hoping I'm doing what I should be. I fail oftentimes & I hate it, but the Lord forgives & puts me back on my way. I just keep talking to the Lord asking Him to help me in every part of my life... & He does.

005 Bible writing pens...

Recently we have been told that the ZIG Millennium 005 pens are being discontinued, so we have had to do some research & get some samples of other pens equally as good or better. I have received a few different samples & we are just setting up a deal with a company that has excellent quality, & hopefully will be cheaper. I personally think they are even better than the previous ones, so we shall be stocking them very soon. We should be able to offer them cheaper than anyone else worldwide!

What ideas have you got?

Have you any ideas yourself to get the Gospel out to sinners? Anything that we could team up on? I mentioned about a Christian newspaper once a month, but we would need quite a few faithful committed people to help get this off the ground, plus we will need to have others helping to finance it. Is this of any interest to you? What about holding regular tracting days on a Saturday (once a month or once every two months), again is this of any interest? Here at Time for Truth! we are very open to hearing from anyone who has an idea of getting the Gospel message out to sinners. Why not drop us an email or letter.

What's the most important thing you do?

How can you get to know the Lord or do His will if you don't spend time in the Scriptures? If you are not reading & studying the word of God on a regular basis, how can you grow spiritually? These Christians who put the emphasis on everything BUT the Scriptures, are fakes & know nothing about living the Christian life. You cannot get to know the Lord without His word. I wonder how much quality time you spend reading your Bible?

What 'fruit' does Ed-Pfenny produce?

This is the moron who thinks he's right & everyone else on the entire planet is wrong. He is a hyper-dispensational NUT, aka a 'Hyper-Diaper' as diapers are nappies & babies wear nappies, & all Hyper-Diapers are babies when it comes to understanding, teaching & preaching the word of God e.g. Baby-Colic-Caldwell, Moron-Moore etc. Well, let's just see what fruit this idiot produces shall we!

Apart from his cult YouTube channel, where all he does is attack Christians, what else does ghostly-Ed do? You will also note, that the only reason he attacks Christians like Ruckman, Denlinger etc. is to 'boost' his views, as he knows that if he was just 'teaching & preaching' the Scriptures, NO ONE would listen to him, so he rides on the back of well-known names. He has now started to do it with Time for Truth! you'll notice. He can't get a following himself, neither people to listen to him... *no Hyper-Diaper can*, that's why none of them can grow a church! *Fat-slob-Eli's-so-called-milk-sop* 'pastor' is in the same situation, they just don't know how to witness, how to lead a soul to Christ, (old Ed-Pfenny hasn't led a soul to Christ all his life, like Baby-Eli), neither preacher or teach, so they just set up a camera & spout... that's all they do! While the world goes to Hell, these babies love to talk. I don't think I have met a dumber pair than 'Eli & Eddy' – dumb & dumber!

So 'Ed & Eli' don't tract, preach or teach, witness, try to save souls, or do what the Scriptures & the Lord declare, they are both Bible REJECTORS! So what fruit do they produce? You got it, NOTHING!

They just love themselves, their YouTube channel, & their baby-blog. That is it! Nothing else! Do you think the Lord is pleased with them? I think they are in for the biggest shock of their lives when they stand before the Lord Jesus Christ at the Judgment Seat of Christ don't you? That's if they get there, it could be the Great White Throne they land up at! Hyper-Dispensationalists, like Calvinists, & like Charismatics are just a curse on the Body of Christ (the Hypers just don't know 'which' body... that's funny!) Eli's baby-blog is full of FAKE NEWS that Bible Believers just don't take seriously. Both of these idiots believe Ruckman wasn't saved because he asked Jesus Christ to save him from his sins (I kid you not), & both of them don't believe in eternal security, because if you have trusted Christ for your sins forgiven & THEN pray asking Him to forgive you, you are lost! I mean, come on folks, have you met a bigger pair of idiots? Neither have I. Make sure you keep sending any Hyper-Diaper you meet, the link to our website - <http://www.timefortruth.co.uk/errors-of-hyperdispensationalism/> & keep checking back on it, as at the bottom more articles are added on a regular basis about these morons.

Oh & by the way, have you ever seen one single tract that these babies have written... neither has anyone, they just couldn't care less that 154,000+ souls are dying every day. Old-Fake-Pfenny may have been a Marine, but he certainly **ISN'T** a soldier of Jesus Christ that's a fact. Both Eli & Eddy have gone AWOL!

sojourner 16 hours ago
when are you gonna make some videos that just teach the bible

edwardpf123 14 hours ago
When I feel it time to do so. You are free to go somewhere else.

sojourner 14 hours ago
edwardpf123 ok I can buzz off if you'd like. I was just asking a question.

This is typical of the kind of comment Fake-Pfenny receives. All he does, day in day out, is attack Christians. He thinks that it's his calling. What a self-deluded idiot he really is. He doesn't make videos teaching the Bible because he cannot teach the Scriptures, why, because he cannot *rightly* divide them.

Mat 25v1 – Virgins (plural)... these are NOT the Body of Christ, or Christians

There is not one single member of the Body of Christ in the entire chapter of Mat 25. These 'virgins' (plural) do NOT go to MARRY 'the Bridegroom'; they go to MEET Him, because He is ALREADY 'married' (Luke 12v36). The Bride of Christ is NEVER referred to as 'virgins' (plural), she is ONE (Eph 4v4) 'chaste virgin' (singular) 'espoused... to Christ' (2 Cor 11v2). These virgins (plural) here in Mat 25 are mentioned in Ps 45v14 & S of S 1v3, 6v8 as SEPARATE FROM the Bride. In the companion passage in Luke 12v35-37, these virgins (plural) are MEN, who are SERVANTS. As we saw back in Mat 24v45 (see note in RRB), these 'servants' are JEWS, not Christians. These JEWISH, male virgins (plural), show up in the Tribulation (Rev 14v1-4 cf. 7v4-8). Their salvation is connected with WORKS (Rev 12v17), which is why some of them can LOSE IT! You CAN'T lose your salvation in THIS dispensation! You had better RIGHTLY divide those Scriptures hadn't you? – 2 Tim 2v15.

Who is the Antichrist to come?

With so much speculation regarding WHO is going to be the Antichrist (all prophecy YouTube channels make money because they preach 'newspapers' instead of the Scriptures e.g. Bob-the-boob-Mitchell et al.), let us look at what the Scriptures say in regard to this fascinating topic, rather than the newspapers!

John 17v12 **While I was with them in the world, I kept them in thy name: those that thou gavest me I have kept, and none of them is lost, but the son of perdition; that the scripture might be fulfilled.**

2 Thes 2v3 **Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin**

be revealed, the son of perdition; Note 'son of perdition' S.O.P (SOP) & John 13v26 **Jesus answered, He it is, to whom I shall give a sop, when I have dipped it. And when he had dipped the sop, he gave it to Judas Iscariot, the son of Simon. Note also the number 13 i.e. John 13v26 (2x13) & Judas Iscariot has 13 letters! John 13v27 And after the sop Satan entered into him. Then said Jesus unto him, That thou doest, do quickly.**

The Antichrist is the Devil incarnate (incarnate = of a deity or spirit embodied in human form) – Luke 22v3 **Then entered Satan into Judas surnamed Iscariot, being of the number of the twelve.**

Who fits the verse in John 17v12 – **ONLY** Judas Iscariot does!

John 6v70+71 **Jesus answered them, Have not I chosen you twelve, and one of you is a devil? He spake of Judas Iscariot the son of Simon: for he it was that should betray him, being one of the twelve.** Judas is NOT a human being like you & I, he's 'a' devil, not 'The' Devil, but 'a' devil.

John 13v18 **I speak not of you all: I know whom I have chosen: but that the scripture may be fulfilled, He that eateth bread with me hath lifted up his heel against me.** Read also Ps 109 as this is talking about Judas Iscariot & the son of perdition (see also Rev 17v8+11, Job 15v20)

The word 'Iscariot' is a Hebrew word & the word 'Judas' is a Greek word. Judas is the Greek spelling of Judah. Iscariot is a man of **Kerioth**... **Kerioth** is in the land of **Moab**. Judas is the only disciple from outside the land of Canaan, i.e. he's from Moab & Moab is a part of Syria. **So Judas is a Syrian Jew.**

Jer 48v24 **And upon Kerioth, and upon Bozrah, and upon all the cities of the land of Moab, far or near.**

Jer 48v25 **The horn of Moab is cut off, and his arm is broken, saith the LORD.**

Jer 48v28 **O ye that dwell in Moab, leave the cities, and dwell in the rock, and be like the dove that maketh her nest in the sides of the hole's mouth.**

Jer 48v41 **Kerioth is taken, and the strong holds are surprised, and the mighty men's hearts in Moab at that day shall be as the heart of a woman in her pangs.**

Jer 48 is all about the judgments of Moab. So we have a Syrian Jew from Moab who has trouble with his arm!

Zech 11v16 **For, lo, I will raise up a shepherd in the land, which shall not visit those that be cut off, neither shall seek the young one, nor heal that that is broken, nor feed that that standeth still: but he shall eat the flesh of the fat, and tear their claws in pieces.**

v17 **Woe to the idol shepherd that leaveth the flock! the sword shall be upon his arm, and upon his right eye: his arm shall be clean dried up, and his right eye shall be utterly darkened.**

So he will have trouble with his arm & with his right eye!

Who is it?

Zech 11v12 **And I said unto them, If ye think good, give me my price; and if not, forbear. So they weighed for my price thirty pieces of silver.**

v13 **And the LORD said unto me, Cast it unto the potter: a goodly price that I was prised at of them. And I took the thirty pieces of silver, and cast them to the potter in the house of the LORD.** It's Judas Iscariot! Mat 26v15.

Judas is an unusual kind of character because he doesn't technically go to Hell, because he's not an 'unsaved man' who goes to Hell, he's 'a devil' remember, therefore he goes to his own place in the bottomless pit!

Acts 1v25 **That he may take part of this ministry and apostleship, from which Judas by transgression fell, that he might go to his own place.**

So Judas is a Syrian Jew, & a devil with two names, a Greek name & a Hebrew name - Rev 9v11 **And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.**

Rev 17v8 **The beast that thou sawest was (he was man who WAS before John wrote Revelation), and is not (He wasn't around when John wrote the Book of Revelation); and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.**

Rev 13v18 **Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.** So the beast is a man (Judas Iscariot).

So Judas Iscariot was a spiritual being (a devil) walking around in a human body, who came UP from the bottomless pit. You have the second coming of Christ, the second coming of Moses & Elijah (in the Tribulation) & also the second coming of Judas Iscariot in the Tribulation.

Judas had no salvation to lose as he wasn't a 'normal' human, he was a devil, so he couldn't have been 'saved'. He was a king over the bottomless pit before coming up.

Next time Judas comes back he will be the Devil manifest in the flesh, a counterfeit of the TRUE, the Lord Jesus Christ manifest in the flesh (1 Tim 3v16 – note in the Tribulation when Judas comes 'in the flesh' he'll counterfeit Jesus Christ – 1 John 4v2+3, 2 John 1v7).

Gen 3v15 **And I will put enmity between thee (the Serpent) and the woman, and between thy seed (the Serpent's SEED) and her seed; it shall bruise thy head, and thou shalt bruise his heel.** The Devil therefore has a 'son'. Back to 2 Thes 2v3 **Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;** Note 'son', the Devil has a son.

In Acts 4v26 **The kings of the earth stood up, and the rulers were gathered together against the Lord, and against his Christ.**

Luke 2v26 **And it was revealed unto him by the Holy Ghost, that he should not see death, before he had seen the Lord's Christ.**

Antichrist is the 'man of sin' who is an egomaniac & probably a sodomite (see Dan 11v37 below) – he is associated with the animal the leopard (note a leopard is yellow, with black spots & a white belly – covering all the bases of race).

Dan 11v36 **And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done.**

v37 **Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.** (See also - Dan 7v8+11+24-25, 9v27+11v16, 2 Thes 2v4, Rev 13v5-6, Isa 14v12+13, 2 Thes 2v4, 1 Tim 4v3)

The Lord's Christ vs the Antichrist...

The Lord Jesus Christ	Antichrist
Christ came from above – John 6v38	Antichrist ascends from The Pit – Rev 11v7

Christ is the Man of Sorrows – Isa 53v3	Antichrist is the Man of Sin – 2 Thes 2v3
Christ is the Son of God – Luke 1v35	Antichrist is the Son of Perdition – 2 Thes 2v3
Christ is the Mystery of Godliness – 1 Tim 3v16	Antichrist is the Mystery of Iniquity – 2 Thes 2v7

THE CHRISTIAN SOLDIER'S BATTLE NOTES – VOLUME TWO

I have just started work on volume two. Much of it will be on dispensationalism & rightly dividing the word of truth, to help Christian soldiers, to understand the Scriptures. Like volume one, it will be packed with Scripture & very easy to read & understand. If you would like to reserve a copy, just let me know.

Prison ministry... at last!

Trying to get the Gospel into prisons has been very difficult for us over the years, especially because of the stand we take. We couldn't join the Roman Catholics of course, & therefore we stand against the ecumenical movement, but recently, we have had a great breakthrough with all this. Over the last month we have been shipping lots of our literature (tracts & booklets) into one prison, to a group of Christian inmates, & they are seeing souls saved! We are corresponding with a number of them & sending them a copy of our book 'The Christian Soldier's Battle Notes' which they are loving. We just hope & pray that this ministry continues & grows. It is a great opportunity for all the prisoners to 'think' seriously about their life & what the future holds, especially in dealing with spiritual & eternal things.

Antichrist 'bible' – The New King James Version - NKJV

Notice the 666 satanic sign used by this satanic 'bible' publisher. It's not just this 'bible' that is satanic, loads of them are. If you are using any of the following 'bible' PERVERSIONS you are using a satanic counterfeit... NIV, ESV, NASB, RV, RSV, GNB, TEB, TMB, plus 200 more! ONLY the King James Bible aka KJV aka AV is the perfectly preserved word of God for today. If you're not using it, you'll NEVER grow to your full potential as a Christian, & you'll NEVER be able to rightly divide the Scriptures because of all the changes & missing words & verses, you cannot follow the inspired threads etc. We have loads of material on the subject of Bible versions on our Time for Truth! website – check it out.

Trade shows at the Birmingham NEC

Autumn Fair was the first for 4 days. It's hard work! We leave the house at 7.00am get to the stand at 8.00am & get things ready. Then you are on your feet for most of the day talking to customers (potential & existing). This goes on for 4 days solid. By the time you have eaten & returned home it is about 8.00pm. Apart from the workload, we did get chance to witness for the Lord to a few people there & they all took tracts. We also left a couple of Gospel coins. One guy I had the chance of talking to was a Muslim & he willingly took our latest booklet 'The End?' The business was good, the fellowship was good & it was worthwhile trying to reach a few sinners with the Gospel. We have now taken on a sub-agent for the whole of **Ireland**. It's Nic who I used to work with at the Chester City Mission. Remember those days! Lord willing we will also be looking to take on a sub-agent for **Scotland**. So if you think you could do the job (& live in the relevant area), let us know a bit about yourself. You will need a car, phone, laptop & a great personality, along with determination, motivation, organisational skills & discipline.

What's the worst thing that can happen to you?

If you are not a Christian then obviously going to Hell when you die is the worst thing that can happen to you. But what about if *you are* a Christian, you're saved & bound for glory, so what is the worst thing that can happen to you? We all go through trials, problems, & some go through horrific situations such as the death of a loved one, divorce, breakdowns, health issues, job loss etc. We are not immune to all these things as Christians, we all suffer too. The difference is, as Christians we rely on the Lord Jesus Christ to help us & give us the strength we need to get through our tough times. I'm constantly asking the Lord for help & guidance through life, I need Him to direct my path, the decisions I make etc. (Prov 3v5+6). Without the Lord helping me, my life would be so far off course, maybe not even on 'life's radar!' I'm so blessed to have such a great team around me, as I often lean on them for help & advice too. Folks, we all need friends, if you're trying to 'go it alone' because of pride, you will only hurt yourself in the end. Make sure that you make some good faithful friends in this life, one or two you can really count on. It has to be two way, don't play hard & arrogant, 'give & take' & put the effort in. Go out of your way to help, show your love to one another (John 13v35) & open up & be honest all the time. Developing a friendship is one of the best things you can do with your time. Throughout my life I have met only a few really *great* people who I trust. They have been wonderful friends & a great help & encouragement to me. Friendship is all about commitment, honesty, love, empathy, & faithfulness... & I'm sure a lot more. If you haven't got some really good trustworthy friends, you need to ask yourself why? Could the problem lie with YOU?

Glee & alcohol!

Trade shows are always hard work, & we've just had two in two weeks, which was shattering. They always give us a good chance to witness & take a stand for the Lord, which again the JDA team did at both, with some tracts being given away, plus a few good conversations had regarding the Lord. One disappointing thing though, was the fact that a certain Christian (who used to minister to alcoholics) who was working *with us* was seen drinking alcohol with one of the guys we have been witnessing to over the years. How any Christian can even think that drinking alcohol is okay after the devastation it has caused in millions of lives is beyond me, *let alone the Scriptures standing against it!* **It is a sin** for any Christian to drink alcohol, yet like most Christians, their final authority is *themselves* rather than the word of God. If you have never studied the subject of 'drinking alcohol' from the Scriptures & you do it, you are a MORON, as this Christian is! It's another reason why we are very hesitant to allow Christians to 'join' JDA. We are a Bible Believing Christian company operating a team of dedicated Christians serving the Lord, with a passion to get the Gospel out to sinners & who stand on the KJV Bible as their FINAL AUTHORITY in all matters of faith & practice.

When the Bible is NOT your Final Authority!

If the Bible is not the 'last word' in your life, what is? Christians seem to use the Scriptures as & when it suits, but on the whole, when the word of God convicts you of your sins, those that you enjoy, you'll do anything to try to bypass it, including running to 'THE Greek' (there isn't one), or to other books by your favourite (or not) authors. That's why Christians drink, smoke, fornicate, lie, steal, watch things they shouldn't on TV & the internet etc. 1 Thes 5v22 **Abstain from all appearance of evil.** Do you? If not, why not? Why don't you live a sanctified life for the Lord Jesus Christ? If you don't you really will have some regrets when you meet Him at the Rapture.

Getting wrapped up in date setting for the Rapture... Breaker, the new Camping!

What on earth are some of you getting into & wasting your time on? Folks GROW UP!!! The more people keep talking about 'dates' the more the world thinks you're a NUT & the less you'll start *really* looking for the Lord when those dates FAIL! Many Christians have taken their eyes off the Lord because they are totally fed up with all these FALSE dates being set. Listen, the Rapture COULD happen before you finish this article, that's all you need to know, EXPECT The Lord anytime NOW. Live as if He is coming back TODAY, then you won't be caught up in all this TOSH! I know Christians who instead of reaching sinners with the Gospel, they are spending hours on YouTube listening to NUTS telling them that the Lord is coming because the planets are 'aligning up'. I've seen Christians holding their iPhones up to the sky looking at the planets, I mean MAD MAN! Acts 1v11

September 23, 2017? What's going to happen?

Missionary Evangelist Robert Breaker talks about September 23, 2017, and the big "sign" in the heavens that many are talking ...

side as to WHY Christians want to talk about a certain date... MONEY! Their subscriptions increase, their book sales increase, & their YouTube hits go up! Breaker loves to talk DATES as you can see here. One minute he's talking Sept 2015, & because that didn't happen, he starts talking about Sept 2017. I'll say it again, DON'T get caught up with all this TOSH. Live for the Lord as if He is coming back today & you won't be caught out.

POST-Trib vs. PRE-Trib

The confusion lies when you confuse the two! You find the Rapture of Tribulation saints in Mat 24v31, Ps 50v2-5, Isa 26v19-21 & Rev 11v15. You find the Rapture of the Body of Christ in 1 Thes 4 & 1 Cor 15. The TWO are NOT the same. This is where AnderSNAKE & Hovind mess up, they don't RIGHTLY DIVIDE the Scriptures (2 Tim 2v15), & therefore confuse the two. When you don't rightly divide the Scriptures, you'll teach that the Church will go through all or part of the Tribulation, calling this kind of Rapture a 'Pre-Wrath-Rapture', which is what us Bible Believers call 'Hogwash'. These POST-Tribbers get all in a mess when dealing with 'the Day of Christ' & 'the Day of the Lord'.

The term 'day of the Lord', as Paul's 'THAT day' (2 Tim 4v8 & 1v18) is a reference to SEVEN DIFFERENT periods of time in the OT which are 3,800 years apart. In the OT, 'the day of the LORD' is used to mark...

- 1) The invasion of the ten northern tribes by Assyria in Isaiah 10v5-16+20+21+24+27+32, 7v14+17+20, Amos 5v18-20, 6v9+11+14.
- 2) The destruction of Jerusalem by Nebuchadnezzar in Joel 1v6-15, Isa 2v12+20, 3v7+16+25+26, 5v25-30, Mic 3v1+2, Jer 17v18+19+27.
- 3) The Virgin Birth & the FIRST Advent of Christ in 4 B.C. in Isa 7v14-18, 61v1+2, Zech 9v9+10+14+16.
- 4) The Millennial reign of Christ (yet future) in Isa 19v18-25, 24v21-23, 26v1-4, Hos 2v18+19, Zech 13v1-6, 14v8-21.
- 5) The Battle of Armageddon at the SECOND Advent in Joel 2v1-11, 3v9-18, Mic 5v1-15, Isa 25v7-11, Mal 4v1-3, Zech 14v1-6, Ezek 38v19.
- 6) The Last Judgment at the end of the Millennium in 2 Pet 3v10, Isa 66v22-24, Dan 7v9-11.
- 7) The destruction of Babylon by Persia in Isa 13v6+9+17+19.

The trouble with people like AnderSNAKE, Hovind etc. is that they follow Rosenthal who used the term 'day of the LORD' exclusively for the Second Advent, again, NOT *rightly* dividing the word of truth.

How about this for ADVANCED REVELATION in the KJV Bible... notice the words in italics... 2 Thes 2v3 **Let no man deceive you by any means: for *that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition***; Those words in italics are not found in ANY Greek manuscript, so WHY do ALL the modern day perverted 'bibles' PUT IT IN??? Because THE STANDARD is the KJV Bible, they have to! The KJV sets the pace & the others try to keep up. Think about it, why do all the modern 'bibles' put these words (***that day shall not come***) IN the text when they were NOT in the original manuscripts? *Makes you think don't it fella!* **(Now jump to page 44 to continue...)**

If there is one change you need to make in your life right now, what would it be?

Poor old Ed-fake-Pfenny... BLIND as a bat coming in backwards!

As usual Idiot-Ed is at it again! This time he is attacking our new tract 'THE END?' saying that it has the Gospel in it but also has 'works' in it. He's a very sad lonely man our Eddy. He is also very shallow in his doctrine. Sadly this heretic can't understand that 'calling upon the Lord' includes believing & receiving the Lord once the Gospel has been presented. It amazes me that children can 'get it' but for some reason Hyper-Diapers can't? Work that one out. Fake-Pfenny, who hasn't written, produced, or put a Gospel tract out in his entire life, never mind NOT *saving* one single soul, also has a dad who is unsaved. What chance has this elderly man got of getting saved, seeing as his son doesn't know how to lead a soul to Christ? Please pray for Ed-Pfenny's dad that he'll get saved. Sadly Fake-Ed could be used of the Lord instead of the Devil, IF he would only drop his arrogance &

dump his false mentor Richling. Like all CULTS, they think they have something 'special' or 'extra revelation' to offer. With Richling it's his man-made-non-biblical '*establishment heresy*' which is as important as a sequin on Eli-Colic-Caldwell's grandmother's handkerchief. With Fake-Pfenny it's his '*If you ask Jesus Christ to forgive you of your sins He'll send you to Hell because asking is working!*' (I kid you not... this is what the idiot really believes!) All three stooges (Fat-Slob-Eli, Fake-Pfenny & their 'god' Richling) are mentally unstable & couldn't rightly divide the Scriptures if their life depended upon it. Tragic case of 'I'm a god syndrome' (Gen 3v5).

Are you humble enough to admit you are/were wrong & to apologise & get back on track?

What is it with Christians? They just can't seem to shake off their pride & apologise when they are wrong, why is that? If you make a mistake, like we all do at times, apologise & admit your error & start again, what's difficult about that? As Christians we should be walking in humility... read these verses - Prov 15v33 **The fear of the LORD is the instruction of wisdom; and before honour is humility.** Prov 18v12 **Before destruction the heart of man is haughty, and before honour is humility.** Prov 22v4 **By humility and the fear of the LORD are riches, and honour, and life.** Acts 20v19 **Serving the Lord with all humility of mind, and with many tears, and temptations, which befell me by the lying in wait of the Jews:** 1 Pet 5v5 **Likewise, ye younger, submit yourselves unto the elder. Yea, all of you be subject one to another, and be clothed with humility: for God resisteth the proud, and giveth grace to the humble.** So why is it, that so many Christians (pastors & leaders included) are so proud? Do you find it hard to apologise, say sorry? Why? Too proud & full of yourself? If so, it is certainly time to make some changes & take your arrogant character to the Lord asking Him to change you. When was the last time you asked the Lord to change you? Are you bothered? Watching some of these YouTube 'preachers/teachers' is nauseating & all you see is their arrogant attitudes coming across & it just puts you off.

Nabeel Qureshi has died & gone to be with his Saviour the Lord Jesus Christ. He was a Muslim but found the truth was in Jesus Christ (Eph 4v21) NOT in the Islamic faith. He leaves behind a wife & child I believe. I didn't know much about him to be honest, but when I listened to him, towards the end of his life, he seemed a real sincere humble Christian, with a great testimony for the Lord. I think it was David Wood who was the instigator of leading him to the Lord, & after that, they worked together a number of times. He was only 34 when he died. Nabeel is now in Heaven with perfect health & everlasting life, & soon we shall all be with him.

Friendships... hard work?

Some of our friendships can really be hard work can't they? You feel as if you are the one who is always trying & making the first move, yet you don't seem to be getting anywhere. Why is that? Doesn't the other person value the friendship as much as you do? Is it then time to quit & move on? We all change with time & our feelings, ideals & opinions change. This is something I have recently found out again. When I meet people after a time of absence, there always seems to be something different, something not quite the same as there once was. It's a shame, but that's life, we have to deal with it. Do you want a close & deep friendship? If you do, then you will need to 'give' & not just take. You will need to be honest & open, even exposing a degree of vulnerability, if you are going to seek a true friendship. The question is, do you *really* want it? Most don't as it takes so much effort. I have also recently found out how much it hurts when friends do grow colder & even leave. Again, it's all part of life, but it hurts nevertheless. We must do the best we can with the time we have left & the people who are in our lives.

Question?

When was the last time you wrote a letter, sent a card or email, to thank your pastor/leader for all the effort he puts in to preparing sermons, looking after the church etc. Are you one of these Christians who just turns up each week 'expecting' everything yet doing very little to help? How about making a change & offering your services to help your pastor?

What are you doing to get out of the rut you're in? Do you know you are in one?

**Ed-Fake-Pfenny, Richling & Fat-Slob-Baby-Caldwell's Gospel has 'children' IN HELL FIRE!
This is why I DETEST their Satanic man-made-anti-Scriptural doctrine of Hyper-Dispensationalism!**

Jacob writes... Hey John, Our Abigail has been VERY interested in salvation lately. I've gotten lots of practice lately on giving the gospel where a child can understand it. About six months ago we were outside and I pointed to the stars, quoted some verses from Genesis 1 and told her that God made the stars and that every time she looks at them she needs to remember that she's a sinner and needs to be saved. Ever since then, whenever we go outside at night she points up and says "Dad, God made those stars, and we are sinners, right?" I also pray for her and John William to be saved whenever we eat dinner together. Mary Elizabeth told me the other day over lunch, while I was at work, Abigail

thanked the Lord for the food then said "and please save me and John William". It was very cute. We always read the Bible at night together, and a couple days ago I also used some pictures to tell the story of Creation, the Fall and Christ dying for us. One picture in particular showed a lamb lying on the ground in a pool of blood. I explained that the lamb hadn't done anything wrong, but died to cover Adam and Eve who had disobeyed God. She started crying and seemed to "hear" it, then when I pointed to the picture of Jesus on the cross, the "Lamb of God which taketh away the sin of the world" she really

seemed to understand the connection between a lamb dying for guilty Adam and Eve, and The Lamb dying for guilty Abigail.

Yesterday at work I had been praying that the Lord would lead me to souls ready for Him to save so that I could point them to Jesus, and then last night while we were eating ice cream together, Abigail said she wanted to tell Jesus she was a sinner and ask Him to save her. So I went over the gospel with her again and then she asked Him to save her right there over our bowls of ice cream.

She doesn't know much, but she knows she's a sinner, that Jesus is the only one who can save her from the wages of her sins which is eternal death in hell, by His death, burial, and resurrection, and that the Lord Jesus Christ will save anyone who asks him. Yes absolutely, you can use whatever you need! As an adult, I'm always encouraged by a child's faith. It's like they don't know enough to have their "intellect" get in the way of being saved. Hopefully others will be encouraged by what it looks like when a tiny little girl realizes her need for a Saviour.

Last night Abigail and I had a conversation that went like this:

Me: Are you a sinner?

Abigail: Yes!

Me: Can Daddy save you from your sins?

Abigail: No.

Me: What about Mommy?

Abigail: No.

Me: What about Mohammed?

Abigail: (laughing) NO!

Me: Bhudda?

Abigail: No.

Me: Can you save yourself from your sins by being a good little girl?

Abigail: (very solemnly) No.

Me: Is there anyone that can save you from your sins?

Abigail: Yes! Jesus!

Anyway, it was very sweet and I'm very thankful! Today's a good day! Jacob.

Martin Richling & Eddy Pfenniger

What a great little testimony this is from Jacob's daughter. Who but a Hyper-Diaper would send a child to Hell because they asked Jesus Christ to save them, you tell me! No one! It is only the Hyper-Diaper CULT (Eli-Colic-Caldwell, Fake-Pfenny etc.) that sends children to Hell. Bible Believers don't!

When you just can't see it!

Your selfish fleshly desires taint your spiritual vision so often, true? You want to do something for yourself, & like so many Christians, you try to justify it spiritually. 'God opened the door so I went through!' This is said with such confidence, yet deep down, you just hope rather than know, why, because your worldliness & carnal desires means more to you really than doing what God actually says. Others around you can see the pitfalls, & how you are running back to the world instead of following the Lord, but you can't see it! No one can get through to you because your worldly mind has been made up. Just another typical modern-day 'un-caring' decision has been made... & the Lord has been left out. Christianity is a joke for most Christians today, all they do is try to justify their sins, their selfishness, but then again don't we all at times? But does that excuse give you the permission to proceed with what you are doing? Of course not... but you're going to aren't you. Just like the Devil tempting the Lord with 'all the kingdoms of the world, & the glory of them', & you, just like a dog retuning to its vomit (Prov 26v11, 2 Pet 2v22), you have embraced 'the world' & been deceived by Satan again... tragic.

What is the will of God for my life? By Dee

1. Be a good example to my family.
2. Tract and evangelise to others.
3. Encourage other Christians.
4. Put others before myself – serve as best as I can.
5. Love God with all my heart and pray always.
6. Keep reading the Scriptures and try to memorise them better.
7. Worship God in all I do; would the Lord be happy with what I'm doing?
8. Treat others how I would like to be treated.
9. Have an open heart to listen to the Lord, whether through the Scriptures or others; and to be willing to change without complaining – don't be sensitive to criticism.
10. Not to be selfish and pray for my will and what I want.
11. Keep myself as clean as possible; don't conform to the world.
12. Keep pushing forward; don't dwell in the past with regrets.
13. Do everything for the Lord – what is my motive like.
14. Think and pray for other Christians.
15. Serve God alone and put Him first. Don't easily be persuaded to do things that don't look/seem right.

What are YOU doing to improve things?

Are you a 'good' Christian? What work/ministry are you involved in where you are impacting other people's lives? If you are not actively involved in Christian work, why? 1 Cor 15v58 **Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.** Have you tried to do something for the Lord? What are your talents & are you using them? Are you using your money for the Lord & getting the Gospel out? Do you know who finances most ministries? Old ladies! Christian businessmen hardly ever invest their money in Christian work, why is that? If it wasn't for the Lord allowing you TO work, you wouldn't be able to earn the money. What are you giving back to the Lord? Why is it that so many Christians are tight-fisted? When was the last time you did something yourself & gave back to the Lord? How are you having an effect on your neighbourhood, village, town or city? ...or are you just living for yourself?

You need skin like a rhinoceros hide at times!

If you are in leadership, or you are on the front line of ministry, there will be times in your life when you will need to have 'thick skin' as they say... like a rhinoceros hide! Why? Because of all the criticisms, fights, arguments, debates, plus many other things that people throw at you. It will come from your enemies, acquaintances & friends (Ps 41v9, Job 19v19, Ps 55v12-14 etc.) Some of those you think you can count on, will let you down, stab you in the back, & bad mouth you to others. Those who profess loyalty oftentimes are the first to become disloyal. You feel as if you can't win. People have said to me things like... *"Why are you so hard with people? Why can't you just be nice all the time?"* My answer... *"Shove off!!!"* If you had to deal with some of the effeminate idiot Christians & situations I have to deal with, you'd have rhinoceros hide! So the picture on the left is what I now look like. No one stayed with the Lord at the end, how sad that is (Mat 26v56), is anyone staying with you? Who are you loyal to?

Threatening phone call!

No doubt about it, 'The End?' booklet is certainly getting a reaction. Today we had a response from a person in Aylesbury who was complaining that his daughter could have read it & he would have taken legal action! Same old stuff we hear time & time again! As soon as I heard him threaten with legal action I turned it back on him & we said that we had our own solicitor so that would be fine (of course we do... someone in the Yellow Pages), after that, he didn't want to talk anymore! Just another coward who has been stung by THE TRUTH of the Gospel & the word of God, & under conviction, wanted to show his disdain to the Lord & the Bible. 'The End?' tract is a very powerful tract & people certainly respond to it. Have you ordered any?

Update on Prisons...

It was all going well until last week we had four packages returned. All the others got through but these didn't for some reason. So what I have done is packaged them back up, all in one box, & sent them to the governor without putting any return details on the box, so he can't return it unless he opens it. Inside I have written to the governor asking him for a reason why the packages were returned & how can I stop this from happening again in the future.

What do you really want out of life?

Ed-Fake-Pfenny's hero is now destroying him!

Breaker is FINALLY getting it at last, even though he's still *leaning* towards the Hyper-Diapers!

Breaker is now showing that Hyper-Diapers (Fake-Pfenny, Fat-Slob-Caldwell etc.) are really Hyper-Calvinists. Ghostly Ed will detest this video because Ed once used Breaker to defend his heretical position as did Cult-Eli. **Time for Truth!** is really helping all these dippers to see clearly how you get saved 'through' prayer. What Hypers can't understand is the word 'simultaneously'... **calling upon the Lord through prayer, believing the Gospel is receiving Christ & instantly getting imputed righteousness & justification simultaneously!** What's hard about that? Like I've been saying for ages, it's semantics, playing on words & a total waste of time. Hyper-Diapers like Stammering-Stammite-Stam & Moron-Moore etc. just cause confusion among weak Christians. This is why Baby-Fat-Slob-Eli is so

screwed up along with his so-called 'pastor'. They just can't read English & have to run back to 'The Greek' (That's what Stam used to do) to try to prove their heresies. I mean '*more than one Body of Christ!!!*' (Rom 12v4+5, 1 Cor 12v12+13) You kidding me!? '*The Body of Christ starting in Acts 9 with Paul!!!*' (Rom 16v7) You having a laugh!? This is the teaching of these jackasses, & it's dumb, very shallow & extremely childish. People like Caldwell & Pfenniger are just down right idiots to put it bluntly & that's why they have NEVER led a soul to Christ, can't preach & teach the Bible & continually sit in their homes writing blogs (that hardly anyone reads) & making YouTube videos which hardly anyone watches. They are just narcissistic-egomaniacs seeking attention. Sadly the arrogance of Breaker also means that he & his arrogant wife also swing into this camp on many occasions, as I keep on saying... 'PRIDE is a KILLER!'

What have you got to offer?

Are you talented? Do you use your talents for the Lord? If you don't, you're wasting them. What are you good at?... *music, writing, encouraging people, tracting, DIY, I.T., teaching, sport, maths & English, making money & business, bringing people together, networking, cooking, cleaning, gardening* etc. You all have different talents, but what are you doing with them, that's the question. If you are not using them you really are wasting what God has given you. Are you helping those around you? What about people in your family, your church, are you going the extra mile (Mat 5v41) to help those? It's a great privilege to serve others FOR THE LORD! You don't seek payment or even recognition, you just serve because you love the Lord Jesus Christ so much. Are you like this? Do you even try? I'm sure there is a lot more we can all do if we put the effort in. Do you know people that need help, then offer your services. James 4v17 **Therefore to him that knoweth to do good, and doeth it not, to him it is sin.**

When is it right to quit?

Do you decide to finish or does the Lord? Christians quit for all kinds of reasons. What profit is in this? One of the most annoying things in life can be dealing with baby Christians who are so immature, that they quit, & run & hide as soon as the going gets tough. I know I keep saying it, but where are the Christian MEN today in churches? Don't think it's just your church that attracts 'idiots', we have certainly had our fair share at Oaks over recent years! We now have a nucleus of committed Christians, who love the Lord, support all the meetings, help to organise the church (tables, chairs, tea & coffee, literature table etc.) & who are actively involved in witnessing, tracting & living as a Christian should live. They are not 'quitters' – they are Christian soldiers in the Lord's army trying their best. I'd rather have a few of these kind of soldiers than 10,000 lukewarm Calvinists, Pentecostals, Hyper-Diapers, Brethren etc. just making up the numbers – Prov 25v19. I've spent the last 28 years serving the Lord, reading, studying & teaching His word & trying to reach lost souls with the Gospel. I haven't got the time or interest to mess around with those who can't be bothered, those who are attention seekers, those who just moan & whine all the time, & those who are so easily offended. I've poured my life into serving the Lord & others, & I will not stop until the Rapture. Help me out, or get out of the way please!

1000+ miles a week

We drive over 1000+ miles a week all over England because of the nature of our business/company JDA. We are very thankful to the Lord for His protection over every mile. Travelling through most counties, we pass thousands of churches, & it just makes you wonder what 'good' are they really doing? What affect are they having in their local areas? Are they actively involved in outreach & soul-winning, or don't they bother? Does your church have an outreach programme, & are you involved in it? If it doesn't, what is stopping you from starting one? How many tracts did you give out last week/month/year? Do you care that over 154,000+ people die every day, with the majority going to Hell? What are you doing with your life for the Lord?

Just 'another' Bible CORRECTOR & REJECTOR – DUMP HIM!

Dr. Michael Brown is a very arrogant NUT who believes he is greater than God as HE can change the Scriptures as & when he believes them to be wrong. That means from now on, you & I must go to 'Charlie-BROWN' as HE is NOW the Final Authority. This total idiot is just 'another' self-deluded egomaniac who thinks he is important (Gal 6v3). People like him, AnderSNAKE, WhiteWASH, Stammering-STAM etc. are just so full of self-importance that they are a disgrace to the Body of Christ, & NOT ONE OF THEM has a copy of 'The Bible', they have NEVER seen a copy of 'The Bible', & they have NEVER read 'The Bible' they profess to believe in. Not one of them could produce a copy of 'The Bible' if their lives depended on it. ALL they have is what THEY refer to as 'reliable translations' & 'unreliable translations' with THEM as THE final authority when it comes to choosing WHICH ONES! Brown is just one ugly liar with a crocodile smile pretending to be somebody & making money out of suckers. Here at Time for Truth! we don't waste 10 seconds on these satanic charlatans who profess to be some kind of authority on the Bible... something they've never seen or read. Ironic isn't it.

Hyper-Diaper-Fat-Slob-Eli is getting closer to *understanding* salvation, thanks to Time for Truth!

Colic-Caldwell writes... 'Everybody *prays* (whether in their heart, mind, or mouth) *WHEN* they get saved. However, nobody gets saved BY praying'. **Who said they did you idiot???** You see these Hypers have to lie & make up FAKE things (as he does on his FAKE-baby-blog) & ride on the back of Bible Believers (Ruckman, Tft! etc.) to get any sort of following. Pfenniger does the same. They can't get a following without us, but at least Colic-Caldwell is now understanding that you can get saved 'praying' (calling upon the Lord, repenting, asking, believing... SIMULTANEOUSLY!!!), which has of course, upset his boyfriend Eddy-Pfenniger, who still doesn't quite get salvation. Hopefully they are both not far 'from the kingdom of God'. Now all Colic needs to do is realise that there is only ONE Body of Christ instead of the '2, 3 or 4' (???) he believes. Maths isn't his strong point, neither English unfortunately, but we live in hope.

What are you doing with what you learn?

What are you learning from the Bible? What are you being taught in your church? How are you applying this to your life? It makes you think doesn't it, what good is what I am learning really doing me in life? Knowing about the difference between the Kingdom of God & the Kingdom of Heaven, or who is the Antichrist; how is that affecting your life? You see, most of these bedroom-YouTube-Christians spend all their time wanting to debate with Christians over 'doctrine' (Pfenny, Caldwell etc.), when in reality, they are achieving NOTHING for the Lord, & if you get tied in with all this junk, you too will achieve NOTHING for the Lord with your life. On a serious note, answer this question... 'What kind of ambassador for Jesus Christ are you?' Now answer this question... 'Do you know the seven different baptisms in Scripture?' If the answer to the first question is 'A poor ambassador', but the answer to the second question is 'Yes I can name the seven', then you have some big problems in your life. If the Scriptures are not changing you, your character, & making you a more loving, caring person, who is seeking a deeper walk with the Lord, leaning on Him for every decision you make, then learning about what will happen in the Tribulation is a waste of time! If you are not having an impact on those you are around, your family, friends & work colleagues, then what 'good' are you really doing with your life? If you are not constantly seeking to bring souls to the Lord, but you are spending your time rightly dividing the Book of Revelation... what a waste of a life! Do you understand what I'm saying here? If the Lord isn't IN *everything* you do, why bother? What profit is there in *anything* without the Lord, you tell me? ...in **all things he might have the preeminence**. (Col 1v18). Is a career important to you, if so why? How will the Lord be glorified in it? Many Christians '*talk the walk*' making out they are doing what they are doing *for the Lord*, when in reality the bottom line is that they are doing it for themselves. They want the glory, the 'spondoolies' & the 'kudos'. I have met very few *honest* Christians in my lifetime, who actually tell it like it is. I could count them on my fingers with fingers to spare. I teach & preach the Scriptures 'dispensationally', but I am always challenging the listeners to make sure that their lives are right with God & they are serving Him. Gaining knowledge & doing nothing with it, is pointless, it's just a pride issue, wanting to 'gain' & belittle someone else who knows less, this is useless. 1 Cor 8v1...**Knowledge puffeth up, but charity edifieth**. Col 2v18 ...**vainly puffed up by his fleshly mind**... Pride kills the Christian life DEAD! So I ask again, what are you doing with what you learn? How are you affecting others around you & what impact are you having on them? If you're not... why not? It's easy to see mistakes in others & miss our own (Mat 7v3), yet still be arrogant enough to tell others how they should live. I could produce an issue of Tft! NEWS full of just the names of Christians telling me how I should live, yet they are oblivious to the problems they have in their own lives. It's easy to judge wrongly (Mat 7v1), yet the Christian is told TO judge (1 Cor 2v15) & judge righteously (John 7v24) – did you look those three Scriptures up? If not you missed a real blessing there, don't be lazy! Tft! NEWS is produced to challenge you, & get you to think about your own life, & how you are living it for the Lord Jesus Christ. Is it time to re-evaluate a few things?

Very encouraging video from Bryan Denlinger – ‘husky394xp’

Bryan spends hour upon hour studying & preparing messages which he uploads to his YouTube channel on a regular basis. He has been doing this for 21,000 subscribers. all over the world have when he took some encouragement to all

years & has over Many Christians from profited from his studies. We were very blessed by Bryan time out to promote the Time for Truth! tracts. It was a great of us here & Tft! & through his video we have had many Christians sign up to the Tft! mailing list, plus we have had some who have placed orders too. If you have been blessed by Bryan’s ministry, & have used his material, why not send him a gift to help him in his ministry. Most Christians take Bible teachers / preachers for granted, & have no idea how much time & effort goes into preparing Bible studies etc. What do YOU give back to these preachers & teachers? Why not send him a gift to thank him.

Questions for the KJV Critics – By James Melton

1. Since you're smart enough to find "mistakes" in the KJV, why don't you correct them all and give us a perfect Bible?
2. Do you have a perfect Bible?
3. Since you do believe "the Bible" is our final authority in all matters of faith and *practice*, could you please show us where Jesus, Peter, James, Paul, or John ever *practiced* your terminology ("*the Greek text says...the originals say...a better rendering would be...." etc.*)?
4. Since you do not profess to have a perfect Bible, why do you refer to it as "God's word"?
5. Remembering that the Holy Spirit is the greatest Teacher (John 16v12-15, 1 John 2v27), who taught you that the KJV was not infallible, the Holy Spirit or man?
6. Assuming you believe in the degeneration of man, rather than evolution, why is it that you believe education has somehow "evolved" and that men are more qualified to translate God's word today than in 1611?
7. There is one true God, yet many false gods, so why do you think it's so wrong to teach that there is one true Bible, yet many false "bibles"?
8. Isn't it true that you believe God inspired His holy words in the "originals," but has since *lost* them, since no one has a perfect Bible today?
9. Isn't it true that when you use the term "the Greek text" you are being deceitful and dishonest since there are *many* Greek *TEXTS* (plural), rather than just one?
10. Before the first new perversion was published in 1881 (the RV), the King James Bible was published, preached, and taught throughout the world. God blessed these efforts and hundreds of millions were saved. Today, with the many new translations on the market, very few are truly being saved. The great revivals are over. Who has gained the most from the new versions, God or Satan?

What is next on your agenda?

I don't mean 'When are you redecorating, or landscaping your garden!' I mean, what is the next thing you're going to do regarding your Christian life? Or is this as good as it gets? Have you thought about how you can do more for the Lord, or are you happy with your Christian life at present? What about Bible study, do you do it? If not, why not try to get a group of Bible Believing Christians together, even if it was once or twice a month, & meet at your home, village hall or a coffee shop, & read & talk about the Scriptures together? I would travel miles to sit with some likeminded Christians who want to talk 'Bible', wouldn't you? There are lots of isolated Christians all around this country, why not start meeting up on occasions?

According to David Hathaway 'signs, wonders & healings' are for today!

If so, could somebody tell me WHY David Hathaway wears glasses? Why is it that according to all these FAKE 'healers', God can heal *most things* but He just can't heal poor eyesight, neither can he put limbs back on that have been amputated or

blown off. Apart from that, God can heal anything you *can't* see physically. As long as its internal God can heal. You see the difference between ME, a Bible Believing Christian, & these FAKES, is that I believe in healing, I just DON'T believe in 'healers'. 'Signs, wonders & tongues' are NOT in operation today. The apostolic gifts 'died out' with the apostles. If you don't believe that, you do not know your Bible, you cannot rightly divide the Scriptures, & you are either deceived or self-deluded. I can't say it any plainer than that I'm sorry.

When David FAKE Hathaway talks about seeing signs & wonders HE'S LYING, he's a FRAUD... FACT! On occasions I get some unsound Christians sending me stuff on Fake-healer-Hathaway. When I respond & 'tell it like it is', these charlatan Pentecostal NUTS show how loving they really are & HIT THE ROOF! Listen, it's a free country (!!!), you believe what you want to believe, & I'll stay with the dispensational teaching of the Holy Scriptures.

Any NUT can start a church!

Well I was typing in Barry Galvin's church (BIBLE BELIEVERS CHURCH) in Google & up popped, *right at the top*, this NUT-JOB, who has recently started a church in Barry's area. I quickly had a look at his blog & statement of faith, & emailed him a few questions etc. regarding his use of the ESV/NASB. He told me NOT to spam him, in other words, translated, he meant... *please don't question me, as I have no answers & am finding it hard to deal with someone who actually believes the Bible as their Final Authority*. I asked him 'How could I spam him if he wanted people to contact him by advertising his email address in his 'Contact' tab?' Well we exchanged a few emails before he ran away & hid, after saying that he didn't think having a 'Final Authority', let alone a 'perfect' one, was important at all. He had no answers to any of the questions I asked him, & rather admit that he was a Bible 'rejector/corrector', he stayed with his arrogant spirit & ran away, never to be heard of again. Any simpleton can start a church these days, you don't even have to teach the Bible. Heart Church Maidenhead is just a social club for effeminate 'so-called-Christians'.

BIBLE BELIEVERS CHURCH closes its doors - Update regarding Barry's church...

Barry has just emailed me this... Following on from our discussions we've had in the past about the church being the most difficult part of a ministry, I just wanted to let you know that it was with a heavy heart but a peaceful spirit that we had the last Bible Believers Church service on Sunday. It had been a great 4.5 years, where we saw a good number of people come and go, and a few salvations too, praise the Lord! But during this last year, it really started to take its toll on me personally, and I found that I was getting very drained and ill, my sermon messages were not as polished as I usually had them be, and my overall enthusiasm had waned somewhat. I had been in that situation before and managed to push through it, but ever since my blackout a few weeks back it really seemed that things were coming to an end in that particular 'chapter'. We moved to a new hall a few weeks back, but really, I think we all knew that it finished when we left the original place we were in (which started causing us a few problems over recent months). The people are all doing well in their own lives, and having their own Bible studies and tracting around their areas, etc., so no one has been 'left in the lurch' so to speak. They all have something to do for the Lord, and somewhere to go for studies. It's just that the whole Sunday services in Maidenhead were getting a bit 'stale'. I think too that the travel for some was taking its toll on them, with regards to cost of petrol and duration. Anyway, you know me John, I certainly am NOT a quitter, and will ALWAYS do something for the Lord. So this is NOT the end! :) I will be starting a new Bible Class on Nov 1st, Lord willing, which will include a slightly new format to the study, with people getting pre-work AND homework - so should be really good, and I'm really excited about it. I also have a number of public talks planned too regarding the Bible, so prayfully people will come along. Piera, Arnya and I, along with a few others who live near us will all continue to spread the gospel via tracting and conversations, and be very active in our soulwinning efforts - so nothing's changed there! :) *My comments... It's a sad day here in England, as another Bible Believing Church closes its doors. Running a church is an extremely difficult thing to do, & as Barry has said, it can be very draining. Unless you are supported with a team around you, I certainly wouldn't recommend it. I'm sure Barry will continue to get the Gospel out wherever he goes, which is the main thing. Please pray for him & all those who attended his church, that they will find somewhere else to go & settle down in fellowship.*

Q & A... ready for this?

What has gone wrong for you this year? Was it your fault... honestly? How could you have changed things?
What have you learnt through it? Was pride & ego & major part of why things went wrong?
What is your next step & how will things be different? How are you changing as a person for the Lord?

Guess what, I've just looked at... Old-Lady-Pfenny's YouTube again... *who's he attacking today?*

You guessed it... **Bryan Denlinger** 'again!' He has an infatuation for Bryan. Eddy won't preach or teach the Bible, he won't write a tract or reach his neighbourhood with the Gospel, all he will do each day, every day, is attack 'Christians' thinking he is *doing* the will of God (John 16v2). His one-stringed-fiddle is 'no Gospel in Rom 10', that's it! That's all he says, nothing else, that is why you'll never grow spiritually listening to him or guys like him, their dead ducks. All his followers are just shallow students who have small brains & very large mouths.

Christian Soldier's Battle Notes – ONLY £10.00 without Dog-Tags

Well we have sold nearly all the copies of our first edition, quite incredible. We have a few left & then we shall be printing the second edition. We are amazed where this book has got to, all around the world.

This book that is jam-packed with Scripture & has been produced especially for those who are either on front-line ministry, or those who want to go much deeper into the Scriptures. To be honest, it's a book that every Christian should read & study. **Subjects covered include...** The Holy Bible, Understanding the Scriptures, Knowing God's will for your life, Living as a Christian, Hello Pastor, Eternal Security, Jesus Christ is God, Evolution, Errors of Calvinism, Biblical Numerics, Islam, Cults & false religions, God's not finished with Israel, Matthew 24, The Rapture & the Second Coming, Errors of the Post-Tribulation Rapture, Should a Christian drink alcohol?, Signs, wonders, tongues & healings, Women in the ministry, Marriage, divorce & re-marriage, Errors of Hyper-dispensationalism, The Gospel, etc.

Under the **Miscellaneous section** you'll find the following topics... The family of God, Forsaken by your family, Culture, CT Studd, Who wrote Isaiah?, Rudiments of the world vs. Rudiments of Christianity, Sow a thought reap an action, 777 - the Book of the Lord, The threefold nature of man, Communist rules for revolution, Sodomy, Lust, The seven stages of growth, Vanity of vanities, Historical proofs for Jesus, No need to go to Bible college, What are you? Satan is cast out five times, Time periods separated by a comma, 'Interesting', List of evils in Scripture, Three types of men, Four spirits, The love of money, Time wasters, Study on tongues, the brevity of life, Love not, Sin,

Four sins you should flee from, Your survival kit, The Apostle Peter, Apostles didn't even understand, That Prophet, You know you are saved, How much fruit?, Five Judgments/Five Crowns, False teachers & preachers, The Golden Rule of Interpretation, OT saints after death, It's an evil perverted world & the cock crowing! You won't find another book like this one!

• Full colour cover • 330 pages • Glue-bound - Price: £10.00

Why not go through this book in your church or home Bible studies, looking up every Scripture. You'd certainly get a hold on the Scriptures if you did.

Warning PRIDE Kills!

You lie, you run, you quit, you get angry to cover up, you're arrogant etc. Why? Because of PRIDE! When was the last time you were wrong & apologised to those affected, came clean about you being wrong & asked for forgiveness from those you lied to & hurt? Boy what a man you would be if you did that! Boy, how the Lord could use a man like that these days! None of us like being wrong or making the wrong decisions, but we all do it don't we. It's how we react & respond when we have made that mistake. Recently I have learnt a lot about people (no names), & how they pretend to be honest when in reality you can see right through them. They put on a façade, an act. Oh sure they do & say all the right things but to be brutally honest, they are liars. Because of this, I have had to pull back & even let them go. I don't want to crush them with honesty & tell it like it is because it would hurt them so much. So instead I let them live in their self-deluded world. Am I doing what is right, I wonder at times. Should I just let them know? Now these next set of Scriptures just say it all... Prov 27v6 **Faithful are the wounds of a friend; but the kisses of an enemy are deceitful.** Ps 141v5 **Let the righteous smite me; it shall be a kindness: and let him reprove me; it shall be an excellent oil, which shall not break my head: for yet my prayer also shall be in their calamities.** Gal 6v1 **Brethren, if a man be overtaken in a fault, ye which are spiritual, restore such an one in the spirit of meekness; considering thyself, lest thou also be tempted.** 1 Cor 10v12 **Wherefore let him that thinketh he standeth take heed lest he fall.** 1 Cor 4v21 **What will ye? shall I come unto you with a rod, or in love, and in the spirit of meekness?** 2 Thes 3v14+15 **And if any man obey not our word by this epistle, note that man, and have no company with him, that he may be ashamed. Yet count him not as an enemy, but admonish him as a brother.** Heb 12v12-14 **Wherefore lift up the hands which hang down, and the feeble knees; And make straight paths for your feet, lest that which is lame be turned out of the way; but let it rather be healed. Follow peace with all men, and holiness, without which no man shall see the Lord:** James 5v19 **Brethren, if any of you do err from the truth, and one convert him;** Now if you are wrong, have made mistakes, *yet because of pride*, you are not apologising or asking for forgiveness, what does this say about you & your Christian walk? *I know... do you?*

If Only... By Donna

Someone understood me.	I was on 'top of my game.'
I could fit in and be a part of the crowd.	I had a true friend.
Life was like it used to be.	I could get over this bereavement.
I didn't feel so lonely.	My family wasn't so disjointed.
People were honest.	I had more money.
I hadn't let myself go.	I didn't have this illness.
I had someone to talk to.	I enjoyed my job.
I hadn't made that poor decision.	Life was simple.
People weren't competitive.	People were satisfied.
My children could grow up in a different environment.	Life was fairer.
I could be myself.	I hadn't got addicted.
My emotions weren't so up-and-down.	I had made my career choice.
I had the finance to do more.	I hadn't put on weight.
I could have passed my exams.	My parents were still here and I could talk to them.
I could change my appearance.	I could move out and get my own place.
I could start afresh.	I could have had children.
I could find the right person to become my wife/husband.	I didn't feel trapped.
I could understand more.	My family hadn't split up.
I could forgive myself.	I could see a point to it all.
I hadn't got into the wrong crowd.	I had a brighter future.
I could get away.	I could stop the clock.

Life seems so complex; so hard and such a fight/struggle. No-one seems to really care or is interested in anyone else other than themselves and their own family. There are so many things I would like to change and so many thoughts I have, but no-one to share them with or interested enough to even listen to me. The world seems to be changing so quickly and I just don't fit in anymore, if ever I did. I can't keep up-to-date with fashion, technology and the generic way which I am supposed to look like. Expectations of image and appearance are unreachable and though so superficial, seem to attract the majority. Everyone and everything these days is so fake. I often sit and *people watch* and realise that we are all in the same boat travelling through this life. However, our own personalities, characters, and childhoods, affect the way we are and think. Our mind tells us we need to travel, to move, change career, better ourselves, yet all these 'thoughts' bring unrest and never contentment. So many choices, yet so many limitations. All trying to survive. All have the same basic needs... eat, sleep etc. If people speak about religion they either seem crazy, unbalanced or over-the-top in some way. They dress differently, often act strangely and cause people to be put off. Religion is a divider just like money, status and class.

I can't say I've experienced or felt like all the 'If only's' but I can certainly relate to many of them. So like you, I've had to deal with 'real life' situations and have made decisions and choices and been shaped because of what's happened to me personally. I am responsible for my own actions as you are too, though admit people affect us like we affect others but the 'the buck stops here' as *they say!*

How about getting to know someone who is completely honest, offers you an intimate and deep relationship for eternity, will never let you down, will guide your every decision, knows what's best for you, loves you more than anyone on earth ever will, is totally reliable, fair and just, someone who completely understands you and your strengths and weaknesses ... what a dream it would be. This person is The Lord Jesus Christ, God in the flesh. Because He became a man He knows exactly what we feel and go through, the only difference being, He never sinned in any way despite being tempted.

I know none of us like to be called sinners but we were each born into sin; hence why as children we automatically did/do wrong and have to be taught to do right. As sinners we also have to be punished in order to learn. This is all for our good. We have cut ourselves off from our creator God and until we make our peace with Him, we will never be content in life. Whatever our lot; financial security/difficulty, inheritance, fame, career, promotion, etc. there will always be something missing. Nothing or no-one can fill the void we each have except the Lord Jesus Christ. The majority today have no concept or interest in who and what He did to bridge the gap and make the way possible for us to come to Him. It was because of His great love for us that He gave His life, as our substitute. He died on the cross of Calvary to take away all our sins and was punished in our place. He was buried and rose again 3 days later - showing He is God and ...God's not dead! Ask Him to forgive you and come into your life. You will then have a purpose and know the true meaning of it all. You have nothing to lose but are guaranteed the certainty of a perfect future when all the 'If only's' you longed for on earth, either become a reality, or don't even matter anymore. Don't delay becoming acquainted with my best friend. He can be yours too.

2 Pet 3v9 The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.

Ps 27v1 The LORD is my light and my salvation; whom shall I fear? the LORD is the strength of my life; of whom shall I be afraid?

Ed-PFenny's taken up a musical instrument... guess what it is?

You guessed it, *it's a one stringed fiddle!* The ONLY song he can play at present is 'Consumed by Bryan Denlinger!' That's all 'Old-Maid-Pfenny' can play. His life seems consumed with Bryan Denlinger. All day, every day, he watches Bryan's videos & then makes videos about Bryan! Seems a bit *creepy* to me to be honest, but then again, Ed's a Hyper-Diaper & they have a lot of strange ideas. For some reason Ed's got tunnel-vision & all he sees is Bryan. Not only is Ed very shallow in his Bible knowledge & doctrine (same as Colic-Caldwell), but he finds it hard to teach *anything* to the few morons that follow his channel. One of Ed's

problems is jealousy. He has very few subscribers (like Eli's baby-blog) & so they need to ride upon those who do, like Bryan with over 21,000 subscribers. All Hyper-Diapers want is recognition & for someone to listen to their heresies apart from their own families (e.g. half of Eli's followers are related or in his cult-church). No one listens to them & they get all angry about it because they think they have something to say & us Bible Believers should be giving them credit rather than naming & shaming the idiots. It's a pride issue!

NEW Children's Tract... at last - 'Who's your favourite Superhero?'

Some of you have been asking me about producing a children's tract for years & I always avoided it because I thought there were a lot of them out there, & I've never been very good at producing things for children to be honest. But recently Eric contacted us, who does a great open air work & reaches a lot of children in the process. He asked if we could produce a children's tract, the same quality as our other tracts, so I took up the challenge. If you would like a **FREE** sample just let me know & we'll post you one. **Don't forget, you are very welcome to print our tracts in your own country** as long as the text & Scriptures aren't changed. I know some of you guys want to order our tracts but the shipping is too expensive. Find yourself a local printer & give him our PDF file & get a quote to see if you can produce them as cheap

over where you are. You are welcome to place your own details on them, we are ONLY interested in getting the Gospel out to the masses. All our tracts are produced AT COST, what WE pay YOU pay. We hope & pray that this NEW children's tract will be widely circulated & Christians will saturate their areas with it. Has your church ordered any yet?

John 20v19 **Then the same day at evening, being the first day of the week, when the doors were shut where the disciples were assembled for fear of the Jews, came Jesus and stood in the midst, and saith unto them, Peace be unto you.**

John 20v26 **And after eight days again his disciples were within, and Thomas with them: then came Jesus, the doors being shut, and stood in the midst, and said, Peace be unto you.** What a *Superhero* Jesus is! You'll be able to do that soon!

Someone recently sent me this picture which was taken from a T-shirt, looks as if they have seen our new children's tract doesn't it. Kids love cartoon characters & that is the reason why we produced one that is attractive & 'exciting' to look at, yet it hits home with a straight down the line Gospel message. Some of you have 'pestered' me for years to produce one, & it was only this year, in my holiday, that I finally wrote one. It has been very well received & many of you are now using it in your outreach programmes. Kids love to take it, because they recognise the 'Superheroes' on the front & back covers. If you know of youth workers & those that get into schools etc. perhaps you would post a copy of this tract to them, in case they are interested in using it too. I'm not into pictures/drawings of Christ on the whole, but *occasionally* they'll certainly bring the point across.

Have you asked for help recently?

Do you feel you need any help? If you don't, do you think you could be self-deluded & not see 'the wood for the trees?' We all need help at times in our lives, but some of us are too proud to ask for it. Is that you? Perhaps NOW is the time to let someone know you need some help. It will do you good 'to ask', can you understand that?

Gospel coins, one of the most sought after Christian products with sinners!

Everyone picks them up & pockets them! It's one of the best products we've ever produced & we are constantly ordering between 500/750 at a time. It is worth keeping a few coins on you, in your purse, in the car etc. as the opportunity of giving these out are too many to list. Have you invested any money in Gospel coins?

Responses to our booklet 'The End?'

We are already getting a number of responses to our new booklet 'The End?' It is really getting people to think. Below is just one of the many we have recently received...

Hi Arun, thanks for your email & response to my booklet 'The End?'

Hi John I received your "The End?" booklet and I have a few inquiries about it. Firstly I would like to say the booklet you have made is very well put together and it doesn't come off as overly preachy (**Thank you for this, I tried to make it punchy & straight to the point!**), I would also like to say any point I make is not trying to prove you wrong or upset you in anyway (**No worries at all, I receive lots of emails from all types of people**) I would just like to see your point of view. **No problem**

In the booklet you imply that on your death bed you can accept God and you will go to heaven however this begs the question can you be evil your entire life but the second you accept God all will be forgiven despite what you have done. **To us humans, I can understand what you are saying & it doesn't seem fair... BUT... going to Heaven doesn't have anything to do with good works, living a good life or any of that kind of stuff. Going to Heaven is all about what you have done with Jesus Christ, have you accepted Him as your Saviour, asking Him to forgive your sins, OR, have you rejected Him. Whether you do that at 10 years old in innocence, or 100 years old living a sinful life, it's all about whether you die IN your sins, or with your sins forgiven! Scripture back up - Eph 2v8 For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: v9 Not of works, lest any man should boast.**

John 1v12 But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:

To me this doesn't make sense. **Humanly speaking I agree, BUT it's NOT what we think or do that matters, it's whether Jesus Christ, through His shed Blood, has washed your sins away, whether that is few or many! God's way & His righteousness is totally different from our opinions & ideals.**

Isa 55v8 For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD.

The next point I would like to talk about is, how do you know all of this? Now you may say that it says so in the Bible but how do you know that other *holy books* aren't correct, **The Bible is PROVEN to be THE ABSOLUTE AUTHORITY on which to turn to. No other 'holy' book is like the Bible.**

The Bible PROVES itself through prophecy (NO book in the world dare do what the Bible does. Written over a period of 1600 years through 40 different writers (but God as the Author!) from different countries, by different people from all walks of life YET NOT ONE SINGLE ERROR!) The Bible has hundreds & hundreds of prophecies that have been fulfilled, are being fulfilled & going to be fulfilled! The attached is just one group of prophecies... no other Book can do this!

The Bible predicted that Israel would become a Nation 'again' - it did in 1948.

Prophecy is the PROOF that the Bible IS the word of God!

Other PROOFS would be the study of Biblical numerics (see attached) NO other book in the world has this!

The Bible is scientifically accurate, mathematically accurate & archaeologically accurate!!! It goes ON & ON!

There is so much evidence & proof that the Bible IS the word of God - today the PERFECT Bible is ONLY found in the King James Bible aka The Authorized Version.

and you say "you may believe in evolution rather than God's creation, thinking the scientist have got it right rather than trusting in the Bible and believing what it says." There is a lot more substantial evidence for evolution than God.

There is NO evidence for evolution at all (macro NOT micro that is) - there has NEVER been one single animal found in the half stage - the fossil record is ZERO for evolution with the exception of man-made inventions, conjecture & speculation! If evolution was true there should be BILLIONS of half stage fossils - my links on my website blows evolution out of the water...

Thanks for reading I would love for you to answer my questions (I hope I didn't seem rude or offend you) **You haven't offended me at all. I hope this helps. If you would like some of my other booklets FREE OF CHARGE, let me know & I'll post you them next week. I just need your postal address.**

I hope that you will also become a Christian now Arun as I would love to see you in Heaven!

God bless you & thanks for writing. John

Christian Music

I've heard all kinds of preachers 'tell me' what I should & shouldn't be listening to, they tell me 'what to do' & I tell them 'WHERE TO GO!' (Works well!) Some of my favourite Christian music I like to listen to is... Keith Green (one of the best), Randy Travis, Steph MacLeod (has ministered to me many times), Glen Campbell, & Christian hymns, there are others, but these are a few of my favourites. I don't like every song they sing of course, but many of them have been a great help & inspiration to me over the years. To me, 99% of modern day 'Christian' music is just emotional slop & a total waste of time. I also love classical.

Continued from page 31 – ‘POST Trib vs. PRE-Trib’

You see, ‘the day of Christ’ indicates that the ‘day of the Lord’ OVERLAPS the end of the Church Age & the BEGINNING of the Millennium as well as THE END of the Millennium – 2 Pet 3v10. This makes an 8th application of ‘the day of the Lord’. The ‘day of Christ’ would INCLUDE the Rapture & the Judgment Seat of Christ, & the Marriage of Jesus Christ. As Ruckman continues... The thing is, it would refer to events that take place UPSTAIRS that are *simultaneous* with what is going on DOWNSTAIRS in the Tribulation. What this means is this...

- 1) The day of the Lord applied to Armageddon, does not come until the Antichrist has been revealed as ‘the son of perdition’.
- 2) The Rapture & the Judgment Seat of Christ will not take place till there has been a ‘falling away first’.

To test this hypothesis, pick up Clarence Larkin’s book ‘Dispensational Truth’, published before WW2, & learn why ‘THAT DAY’ can refer not only to the Millennium & the Second Advent but also the Judgment Seat of Christ (2 Tim 1v18, 2 Cor 1v14, 1 Cor 5v5, 2 Tim 4v8). This explains why the Holy Spirit chose to call the ‘beginning’ of ‘the day of the Lord’ (it overlaps the White Throne Judgment – 2 Pet 3v10-12), ‘the day of Christ’. Between pages 43 & 44 in ‘Dispensational Truth’ are ‘The Prophetic DAYS of Scripture’. There you will find this note... ‘The Day of Antichrist, the Day of Man, & the Day of the Lord OVERLAP, but for clearness the ‘overlapping’ is NOT SHOWN.’ So Larkin left it up to the Bible student to search the Scriptures for themselves.

Clearly, in the drawn chart, the ‘upstairs events’ are shown, & the title over them is the title of 2 Thessalonians – ‘THE DAY OF CHRIST’. The ‘Day of Salvation’ clearly ends in the drawing with THE RAPTURE, not the Second Advent, while the ‘Day of Man’ OVERLAPS the Tribulation, since the ‘MAN of sin’ is a MAN. Ruckman goes on to say that Larkin only missed one overlap, ‘The day of the Lord’ with the ‘White Throne Judgment’. This is too deep & too confusing for Hyper-Diapers (Bullinger, O’Hair, Stam, Baker, Moron-Moore, Baby-Eli & Fake-Pfenny etc.) these Hyper-Diapers don’t believe that covenants & dispensations can overlap... they can, & they DO! The covenant in Gen 3 goes right through the next FIVE DISPENSATIONS & is as applicable for saved people in the Church Age as it was BEFORE the Genesis Flood.

2 Thes 2v2 – So the Day of Christ has to INCLUDE the Advent & the Millennium, so it is not ‘at hand’ in that sense. Several things have to happen first. The word ‘Christ’ was inserted to confirm His Deity. Our ‘gathering together unto him’ (v1) will not take place until a ‘falling away’ (v3) takes place & that will precede the appearance of the Antichrist. The time bracket is not given. The problem comes when you see ‘that man of sin be REVEALED’ (v3). Obviously when he is ‘revealed’ he is revealed in his true nature which is NOT JUST ‘the man of sin’ BUT the SON OF DAMNATION – the ‘son of perdition’ (aka the ‘angel of the bottomless pit’ – Rev 9v11. He was a King, so it was ‘his own place’ - Acts 1v25). He appeared on earth as A MAN (John 6v70), & Jesus Christ called him ‘the son of perdition’ (John 17v12) because he goes into ‘perdition’ finally (Rev 17v8). We are NOT waiting for the Antichrist to be revealed like AnderSNAKE & Hovind ARE! *I’m outta here fella!* In v6 we see that he WILL be revealed at a later time... ‘that he might be revealed in his time’. But that is a reference to the whole world getting to know him (Rev 13). He will then be revealed to the sinners described in vs 10-12.

The man to be ‘revealed’ to the world has already been so well ‘revealed’ to us who read the Scriptures... he will be a Syrian-Jew with Hamitic blood in him (Jer 48v24+25); he will be an hermaphrodite (double-sexed – Dan 4v37) & reign as a ‘wicked prince’ (Ezek 21v25) & false ‘messiah’ (‘anointed’) on Mt. Zion in the rebuilt temple (vs 4 in our context). He will profess to be ‘God... in the flesh’ (v4) after denying that Jesus Christ WAS! Jerusalem will be ‘Sodom & Egypt’ as long as he reigns (Rev 11v8), & he will reign for 42 months (Rev 13v5) while beheading anyone who does not take his *mark* (a black spot), or his number (666), or his name (‘Apollyon’ in Greek, ‘Abaddon’ in Hebrew – Rev 9v11) – see also Rev 20v4. He will demand that all nations in the UN worship a ‘living’ idol (Rev 13v14+15), & that all of them agree to wipe out every JEW on earth (Zech 11v15-17, 12v3, 14v1+2). His *letter* is ‘X’, & his *sign* is a ‘kiss of peace’. For the rest of the material get Ruckman’s book ‘The Mark of the Beast’ – it’s a definitive work on the subject.

2 Thes 2v3 – ‘Be revealed’? Future? Not for anyone who has a KJV Bible! No Christian would be waiting for the Antichrist to ‘be revealed’. Paul is simply telling the Thessalonians what is going to take place before ‘the day of the Lord’, & he calls it ‘the day of Christ’ because ‘that day’, for **them**, will begin with the Rapture (1 Thes 4), NOT the Second Advent. For the world, ‘that day’ is in Rev 19, Mal 4, Isa 63, Jer 25, Judg 5 & Joel 3.

‘The day of Christ IS at hand’ (2 Thes 2v2) – Well it might be ‘at hand’ for the Christian, but ‘that day’ which is ‘the day of the Lord’ will *not come for the...* until... No *interval* is given for the time *between* his writing (Paul’s) & the Rapture; it was IMMEDIATE in 1 Cor 15v51 & Rom 13v11+12.

The best way to handle these verses is to say that the ‘man of sin’ (NOW) is ‘the Pope’, who will later become Satan incarnate, & thus, ‘the seed of the serpent’ (Gen 3v15) will be the literal ‘son of Satan’. It is probable that he will come up from the dead after being assassinated – Zech 11v17, Job 3v8, Ezek 31v15.

More Ruckman quality... From a Scriptural standpoint, the Tribulation temple (which ‘the son of perdition’ will enter & sit down on the ‘mercy SEAT’ – Exod 25v18-22, Rev 2v13) could be ‘built’ in less than 48 hours. Once you believe that the Antichrist reigns for 42 months (which he does) & Moses & Elijah witness against him for 42 months (which they do), while Israel runs to the wilderness to be fed manna (which they will – Mic 7v14, Exod 16, Rev 12v6+14), you will have to have the ‘temple’ PRESENT at the START of those 42 months (Rev 11v1+2).

That means that the Rapture could be delayed if the Body of Christ is NOT going to be here during those 42 months (Rev 11v1+2)... & IT'S NOT! The Rapture would be 'conditional' on the 'building' of the temple. This would mean that, at this *present* moment, there is no possibility the Rapture could take place, because to rebuild a building that took SEVEN YEARS to build in 1 Kings 6v38, & took more than FORTY YEARS to build in the First Century B.C. (John 2v20), means that no one in 2017 can throw that building up in even a week, not if it's going to match Herod's Temple, or Solomon's Temple!

But here comes a corker! Follow this closely for some real insight... The Lord has a 'tabernacle' being 'built' & NOT a 'temple!' The NIV blunders into it innocently by giving you a 'formal equivalence' in Acts 15v16 (cf. with KJV). It says 'I will REBUILD David's fallen TENT!!!' In Amos 9v11+12, where 'It is written' (Acts 15v15) in Hebrew, the word chosen was 'sukkah' connected with the 'Feast of Tabernacles'. Thus, Amos ties himself up with the Hebrew word 'mishkan' used throughout Exodus in describing the OT 'TENT' & 'TABERNACLE' which Moses erected (Exod 40) in the wilderness; it was NOT any reference to a BUILDING that could be 'built'. But James in Acts 15v13-16 IS referring to that TENT! You see, that cloth & skin TENT that was the 'tabernacle' IS CALLED a 'TEMPLE' is 1 Sam 1v9, long before Solomon built anything. That 'temple' even had 'posts' (1 Sam 1v9). This makes the KJV reading 'tabernacle' superior to 'tent' (NIV), for it was separate from the tabernacle according to Exo 36v19, 40v19 & Num 3v25. **THAT IS ABSOLUTELY WILD FOLKS!!!**

The TABERNACLE was the *whole structure* that was covered by 'the tent' (Exo 40v19). That is the 'Tabernacle' that 1 Sam 1 called 'THE TEMPLE!' *Now you show me another prophecy teacher to whom God revealed that? The Lord certainly blessed Ruckman! Genius!*

A 'temple' can be 'rebuilt'. That is why the Lord said what He said in Acts 15v16. He did not say 'dwelling place' or 'tent' because David's 'tabernacle' (2 Sam 6v17) was NOT the 'real tabernacle'; it was a 'tent' he set up for the Ark of the Covenant *when there was no temple!* Till that time, God Himself said He Himself had 'walked in a TENT & in a TABERNACLE' (2 Sam 7v6). The OT 'tabernacle' could be erected in less than 'forty-eight hours' if it had to be done & the Jews had been preparing to do it. The 'tabernacle' that David pitched for (2 Sam 6v17) did NOT contain the Golden Candlestick, the Table of Shewbread, or the Altar of Incense; it contained just the ARK. It was just a tent! The 'Tabernacle' wasn't in Jerusalem, it was in the 'high place of Gibeon' (1 Chron 16v39, 21v29, 2 Chron 1v3).

I would highly recommend you buying the book 'Israel – A Deadly Piece of Dirt' by Peter Ruckman. (See Appendix THREE)

If the Lord isn't in it, it's just vanity... useless & a waste of time!

Remember the 10 vanities the Lord gave us in Ecclesiastes? If not, here they are again...

- 1) The vanity of selfish living (Ecc 4v7+8)
- 2) Dedication to pleasure (Ecc 2v1 + 7v6)
- 3) Coveting what you do not have (Ecc 6v9)
- 4) Becoming famous (Ecc 9v15)
- 5) Labour & work (Ecc 1v3)
- 6) Ambition (Ecc 4v4)
- 7) Preparing for the future (Ecc 2v26)
- 8) Hoarding money (Ecc 5v10)
- 9) Worldly wisdom (Ecc 2v13)
- 10) Optimism (Ecc 11v8)

Definition of Stupid: Knowing the¹truth, seeing the²truth, but still believing the³lies.

The 'verdict on LIFE' is that LIFE IS VANITY – the day of one's death is *better* than the day of one's birth (Ecc 7v1); A living dog is better than a dead lion (Ecc 9v4); 'time & chance' can upset every plan anyone makes, & you will soon die & face judgment! ALL 10 vanities are VAIN (useless) apart from God's presence, approval, blessing & power! Without God in your life, everything is negative & futile (Job 7v6, Eph 2v12). Now after reading the Scriptures, can you honestly say you are where God wants you, or are you just lying 'again?' Christians are such good liars aren't they! As previously stated, if you are not living every part of your life with the Judgment Seat of Christ in mind, you are wasting your time & effort, your life. That my friends, is a VERY profound statement that many of you don't get sadly to say. Because of it, you will have many regrets when *that day* comes. You have been warned time & time again. *Are you wasting time doing something that is pointless?*

My friends...

As I have previously stated on a number of occasions, I'm not very good with 'shallow' friendships. I much prefer deep ones that are oftentimes very intense & need to be worked at, hence why so many people can't/don't get close to me. I have always been like that from a child I guess, it's my character. We all choose our friends & as Keith Green sang... 'Friends may come & go!' Even my closest friends I struggle with at times, as I'm sure they do with me. We let each other down. So often we only see things from our point of view & this can hurt friendships a lot, I've noticed that even recently. There are also times in friendships when you have to let go, pull away, & allow things to work out naturally, I'm learning this. Do you pray for your friendships, work at them, 'compromise', or are you just self-seeking? I also know that sadly, some friendships come to an end, & even though that hurts a lot, it can be the best for both parties. Life is full of 'ups & downs'... we're all the same.

Hugh Hefner had the greatest shock of his 'life' stepping out of his body & into the flames of Hell after he dropped dead!

Mat 5v28 **But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart.** This man has done untold damage to millions of other men with his pornographic empire & now he is dead & burning in Hell. This ugly satanic sex pervert started Playboy magazine which sold seven million copies every month at its peak. With a *minimum* of 7,000,000 people committing adultery every month according to Mat 5v28, can you imagine how HOT Hell is for this vile character. When he stands at the Great White Throne Judgment I wonder what he'll say to the Lord Jesus Christ?! Sadly we live in a sex crazed world. Governments are full of sex abusers & sodomites, which says a lot about the kind of leadership 'we' vote in doesn't it. We get what we deserve. Is there a man that has done more damage to society than Hell-Hefner? His exploitation of women (*most of the sexual deviants were happy when they were made famous & rich*) was second to none; he built his empire on lust. I wonder how many Christian men fell in their Christian walk because of this man? He has a lot to answer for. Now he is in Hell! If he was given a second chance at life, *knowing what he does now, & where he is*, he would become a KJV Bible Believing missionary committed to getting the gospel out to sinners worldwide, but sadly it's too late. This dirty old pervert will spend ETERNITY burning in Hell Fire... *forever & ever & ever & ever & ever & ever & ever!!!* What a wasted life, & now he is reaping what he sowed & what he deserves. *What will your legacy be when you die, & what will you reap?*

Don't work... don't eat!

Turn to this passage of Scripture & read it 2 Thes 3v1-15. Christians should be hard workers & by doing so, they will be able to help others. In fact everything a Christian *should be*, oftentimes he is not? Why is that? Many Christians I know are lazy & sponge off others. Many Christians I know don't work, why is that? What do you 'expect' out of life... *everything to come to you?* We oftentimes want things *instantly* rather than put in the effort & be patient for the outcome. Life isn't easy, & there are no quick ways of making money 'legally' on the whole, you've just got to work hard & pray, asking the Lord to help you make the right decisions. Opportunities will come along, but they can take time so be patient. Don't expect things immediately & don't get disheartened when things don't go the way you want them to. Put your faith & trust in the Lord, pray that you are doing His will, & keep walking through the doors that HE is opening, not the ones you are trying to *force* open because of selfish desires. Think about that long & hard for a while. Ask the Lord to help you understand.

New Bible Believing Church setting up...

Since Barry's closed his church, some of the congregation have *started up* another. Here are the details... **King James Bible Believing Church** - meeting in the Town Hall (above the library), High street, Ivinghoe, Near **Leighton Buzzard**, Bedfordshire, at 10.30 am - 12.30 pm every Sunday, from 1st October onwards, contact **Carolyn Putt** mobile **07462 131025** for details. If you live around that area why not join them on Sunday mornings.

Thank you as always...

Well that's another Tft! Issue 'done & dusted'. It's amazing that we have been sending these out since 2001 & now we're very close to entering 2018, time is flying. With over 750 Christians now on our mailing list, we are still a very small ministry, but hopefully we are a help, challenge & encouragement to you all. We have had many people come off our mailing list, because they just can't stand ME, 'The Truth' or 'the tone'. As you can imagine, we get a lot of negativity with our ministry, but we also receive a lot of encouragement from Bible Believers all around the globe (not the 'flat' by the way!) We would like to thank all of you who pray, write emails/letters, & support our ministry. The Lord has been very good to us as always, & we are very thankful for his protection & His blessings, without which, we would not be here. If we can help you in any way, just let us know. Keep sowing the seed of the word of God & the Gospel everywhere you go. Today we visited the doctor's for Donna's regular blood test & left a tract on the seat, then we grabbed a coffee & left a tract on a bench, it's easy to do & can be so effective, as people who sit down always pick up something to read if it's available. Saturate your area with Gospel tracts. As we draw to the close of another year (2017) why not make some plans to end it with some real achievement for the Lord. Finally, if you are ever passing, please let us know & visit us. We'll buy you lunch & have some Christian fellowship together. If you don't have a church to attend, why not pay us a visit. If you live a long way away, then plan to come just once a month if you can. Some fellowship & Bible teaching is better than none. I would travel miles to be in the company of some Bible Believers, & have done many a time.

We hope you have been encouraged, stirred up, challenged, & maybe even 'angered' by this issue, if so, I've done my job! Please drop us line/email & let us know your thoughts etc. Tell us what is happening your end as we're always interested in what's going on with other King James Bible Believers. *Stay close to the Lord & talk to Him about everything!*

Every blessing, *Tft! Team*
