## Quick overview...

Well hopefully you've been getting all of our email updates. A few have complained that they are *too regular*, so we give you the option to *unsubscribe* if this is the case for you.

We are living in a very strange time at present. The 'generic church' is in such a mess & we seem to be fighting each other more now than ever, rather than fighting our enemies. Instead of *uniting* in getting the Gospel out to sinners, many are either fighting among the ranks, or even departing from the faith, & falling away, running back to the world. YouTubers think they have the corner on truth & expect 'us' to financially support them & *only* subscribe to them, while they stay in their homes all day making videos. What a bunch of losers they *really* are. I've never seen such disunity among Christians to be honest. No one wants to help anyone else it seems – PRIDE. I cannot believe these lonely YouTube Christians honestly believe that they are serving the Lord by what they are doing. They are in for the shock of their lives when they stand face to face with the Lord Himself. You will read about some of the trends sweeping across 'Christian-YouTube' in this issue, ranging from denial of the Trinity to believing the earth is flat etc. *Nutcases everywhere!* Like we keep saying "Not all the clowns are in the circus!"

Like you, this year we've had our fair share of trouble, problems & fights, but overall, we're really enjoying it so far, & we're so thankful to the Lord for what He is doing through the ministry, the church & the business, all of which we couldn't achieve anything if the Lord wasn't blessing our efforts.

Thousands upon thousands of tracts have been sent out all over the UK & overseas, along with Bibles, books, sermon CDs etc. which is very encouraging. Jacob has now 'kicked off' **Tft! USA**, which we hope others over there in the US, will help support him in getting this tract ministry off the ground. (Contact him direct on [jacob@timefortruth.co.uk](mailto:jacob@timefortruth.co.uk))

I'm steadily working through **volume two** of the **Christian Soldier's Battle Notes**, which I am really enjoying, I just haven't had the time I require to *drive it* forward... little by little, line upon line (Isa 28v10, Isa 28v13).

It's been a great start to the year for JDA, & we are hoping that the Lord will give us our best ever year. The more money we earn through JDA, the more money we pour into the ministry.

Donna's health is not too bad, thank you Lord, & both Donna & Dee are enjoying life to the full as always. They are such an inspiration & encouragement to me, & both are 'workaholics', it's hard to get them to stop at times, but that's how we get so much done with a small team, I guess. It's also a great blessing to have others in the church also helping us with the Tft! ministry.

So, considering we are half-way through 2019 already, I am very happy the way things are going so far, but still want to keep pushing forward, trying to achieve more for the Lord in all areas.

Now yet again, I have to deal with a lot of nutty Christians who love to tell me where I am going wrong & how they are right on everything, one of which is that nutcase Fake-Pfenny. I'm sorry to say, but I have had to expose him again in this issue all because of the nonsense & unbiblical stuff he teaches, he really is a fully-fledged idiot. So, there will be some negative stuff cropping up *again*, & if you are easily offended, just pass on by that particular article, as there is something here for everyone.

These two tracts have been so popular of late, with some Christians ordering over 1,700 at a time. If you haven't seen our full range of the literature that we produce, just request a sample pack. All our tracts & booklets are available AT COST... what WE pay, YOU pay. Everywhere you go, sow tracts. This week we received two responses from 'Why is our country in such a mess?' If you are the one distributing our literature in Fleet, keep it going, you're doing a great job. One person complained that he left Kidderminster two years ago & moved to Fleet & all he sees everywhere he goes is tracts from Kidderminster!

### The Oaks Church update...

I'm personally very encouraged by the way **The Oaks Church** is going at present, we have also seen a little growth which is very encouraging. We don't have to 'worry' about members coming, as they will *do all they can* to be there. We all seem united in wanting more of the Lord & His word. We enjoy each other's fellowship & we all look forward to the 'oasis in the desert' every Friday evening (7.30 pm) & Sunday morning (10.30 am). Recently we had a guest speaker over, whom I hadn't seen for well over 10 years, **Chris Richards**, who brought his lovely wife with him. Chris gave us a requested study on the life of **John Wesley**, which was EXCELLENT. We all enjoyed it so much that we have booked Chris in again for a series of talks on Roman Catholicism, which I'm sure will be very helpful & informative. I would highly recommend you coming if you can. I know I've said it many times, but if you are struggling for fellowship, then you ought to do all you can to visit **The Oaks Church** at least once or twice a month, so you can meet up with **King James Bible Believing Christians**. There's nothing better!

### Just a few thoughts...

Now with 48 years clocked up, I suppose you could say that I have *some* experience regarding life, & although I still feel I'm only at the 'beginning' & want to do so much more for the Lord, *I could be at the end*, now that's a scary thought. Isn't it amazing that none of us know the day nor the hour when we will either die, or when the Rapture will take place? Shouldn't this therefore help us concentrate our focus on the important things of life? Do we just let everyday slip by without *really* taking hold of it & 'living it'? Let me ask you a few questions to start with... Are you focused on what you *should* be, or are you a drifter, wasting precious time that you'll never get back? Are you enjoying life? Do you work hard? Are you in the will of God at present? I don't know if you are like me, but I'm always 'checking myself' to see if I am where I should be in my Christian life. Oftentimes I feel I am nowhere near close enough to the Lord & realise I need to spend more time in the Scriptures & in prayer. I don't like the hours I spend working, to bring in the money, rather than spending that time on Christian things. When I see full-time pastors & missionaries who are paid by the church members, doing very little for the Lord, I think to myself... 'They are in for the shock of their lives when they stand before Jesus Christ on Judgment Day!' Even some of the missionaries sent here to the UK from churches abroad are a waste of time & doing very little 'for their money' (& for the Lord); really, they are just spongers, parasites, living off others, on a permanent holiday it seems. I don't know many Christians *really* sold out to the Lord, who pour all their efforts into Christian work, do you? Am I wrong? Here in England, we're in such a terrible state with very few people getting saved. The majority of churches are lukewarm (Rev 3v14-17), & Christians tend to go where they 'feel', where they can 'fit in', rather than bed-down in a local church & get involved in the work there. I know of Christians who are so full of themselves & put on such nauseating 'fake humility', that they won't stay at any church, but instead they'll roam around, going from one to another causing problems everywhere they go. I see Christians today, so-called Bible Believers shifting from sound doctrine to unsound doctrine, all because they are reading & studying under the wrong men. Christians who were once sound dispensationalists, are now moving from what they once believed, to strange doctrines, it's amazing. A classic example would be to say that salvation is the same in every dispensation, which it isn't. I know Christians who are KJV men who believe that tongues are for today & alcohol in moderation is okay... like I say, Christians are changing & compromising a lot more in today's world. I still find it hard to believe that people can leave a King James Bible Believing church because of the smallest of disagreements. Where is the grace, mercy, forgiveness, 'tolerance' in that? In fact, thinking about it, if everyone would have stayed at The Oaks Church in the last eight years we would have had to move to a much bigger building! In the early years I used to let things get to me a lot more than I do now. If Christians didn't turn up for both meetings each week, I'd get so disappointed & it would affect me. Now I just leave it to the Lord. If Christians can't be bothered to support each meeting, then I'm sure the Lord will sort this out in their own lives, why should I sweat over it, as they are not coming 'for me', but when you are leading, it does affect you at times. I have been preaching & teaching at The Oaks Church for the last eight years. For months just to three women, who loved the word of God & who desired a deeper walk with the Lord through His word. They kept ME going, when I felt like giving up. Now we have a good nucleus of Christians who know how important it is to meet up at least twice a week around the word of God. I don't really worry about those things anymore. The Lord is 'playing chess', & I just want to be a pawn in His hand, He can move me anywhere He wants & do whatever

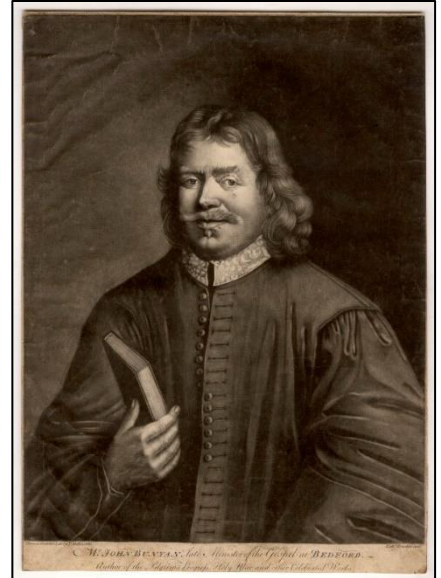

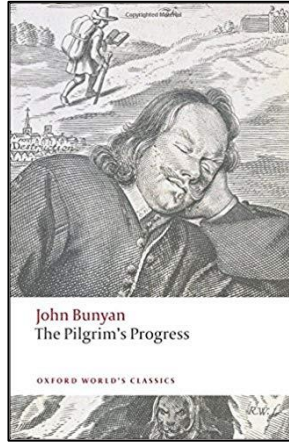

He wants to do with me, as I know He knows what is best for me & my life. To *even* be used of the Lord is the greatest privilege I could ever ask for. If the Lord Jesus Christ can do something good with my life, & I can help bring others to Him, then I count my life a success. My heart's desire is to serve the Lord – read Psalm 38 before going any further, what a Psalm.

My challenge to you is this, how much do you really love the Lord & how much do you personally want to live for Him & serve Him? Are you consumed by the Lord, or is He just a thought once in a while throughout your day? (Read Ps 73v25-28, 145v19) Phil 1v21+23 **For to me to live is Christ, and to die is gain. For I am in a strait betwixt two, having a desire to depart, and to be with Christ; which is far better:**

## John Bunyan & Elstow Abbey...

While the three of us were visiting garden centres in Bedfordshire, we passed by Elstow, the town where **John Bunyan** was born. We had a walk to Moot Hall & Elstow Abbey, where there was a group of eight people having a cup of tea/coffee. We were invited in & joined them. We had about fifteen minutes together. They were all members of the church, yet not one of them had read Pilgrim's Progress can you believe. We were able to give all the people a copy of 'Where are they now?', 'Growing Old' & 'One Million Dollar' note, before we left.

**John Bunyan** was a wonderful Christian who achieved so much in his life.

You can find out more about him & also read his books by following this link...

### Jesus is NOT the Father!

Heb 1v5 **For unto which of the angels said he at any time, Thou art my Son (the Father speaking, a separate Person), this day have I begotten thee? And again, I will be to him (the Son, a separate Person) a Father (separate Person), and he shall be to me a Son? (a separate Person)**

6 **And again, when he bringeth in the firstbegotten into the world, he saith, And let all the angels of God worship him (The Son, a separate Person).**

8 **But unto the Son he saith (The Father speaking, a separate Person), Thy throne, O God (talking about the Son, a separate Person), is for ever and ever: a sceptre of righteousness is the sceptre of thy kingdom.**

2 John 1v3 **Grace be with you, mercy, and peace, from God the Father (a separate Person), and from the Lord Jesus Christ, the Son of the Father, (Separate Person, It says the Son of the Father, NOT the Son who IS the Father) in truth and love.**

1 John 1v3 **That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son Jesus Christ. The Father is a separate Person to the Son.**

Jesus Christ is NOT the Father!

### There have always been knives available...

On average, two people a day are being murdered by knives in 'Christian England', THAT is a figure that is mind blowing for us Englishmen to take in. Never have we seen anything like this before. So why the hike in numbers, as there have always been knives available & easily accessible? Now that is a question isn't it. Children no longer go to Sunday School to learn what sin is, what's the difference between right & wrong. The Bible is no longer taught to our children at school, so they don't hear about sin & the consequences & punishment it earns itself. So right up to the age of 18 our young people haven't heard anything about sin, guilt, judgment, punishment, God, Jesus Christ, the Gospel & Hell. So, what do you expect? Youngsters are living off violence, sex & crime, through computer games, TV, & the internet. So, what do you expect? They are taught that they are just an accident through time & chance, via evolution, eventually, over millions of years, turning into an animal. So how do they know what is right & wrong anymore? The law only punishes the crime, the Bible prevents the crime, telling you what you should & shouldn't be doing, & the consequences, 'the wages of sin' (Rom 6v23), if you do break God's Law. Take God & the Bible OUT of people's lives & it's downward all the way. So, here is what to expect for the future because our country has rejected the word of God... Many more knife crimes, many more sex crimes, violence on a scale that you won't believe, drugs so easily accessible that anyone can get them (the drug war was lost a long time ago), alcohol related crime off the charts, bullying in schools like you've never seen, due to kids watching so much violence through computer games, films, YouTube etc. (Lam 3v51). England is out of control. What's the answer to it? The Holy Bible (KJV) back in the schools, prisons, hospitals & CHURCHES. But it won't happen, so we are all in for a very rough ride to the Rapture.

### Responses from the last Tft! News...

...a time to keep silence, and a time to speak; Ecc 3v7.

WOW, the Lord really does sort things out doesn't He! **Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord.** Rom 12v19. After the last newsletter & the situation with Mark Hunter, I received this email *from him...*

*Hi John, I do not wish this to be a long a drawn-out email nor do I seek a reply. I read the newsletter you just put out and was utterly horrified to be honest. Rather than seek to defend myself I would prefer to take more direct action instead. It is plainly, and obviously, time to finish. I therefore offer you an unconditional and unreserved apology for all statements made - include (and especially) those about Ruckman. I hereby retract the statement about him being a racist in its entirety. The Lord is my witness to this statement. I have also taken the step of **DELETING the YouTube channel** so it will no longer offend anyone. **I will also not look to return.** I am truly sorry for what I have done. I hope you will find it in yourself to forgive me. Goodbye John. Please do not reply.*

An answer to prayer indeed! I also respect him a lot more *due to his response*. Not everyone would have been man enough & apologised, let alone take such a drastic measure, **(let's see if he keeps to his word shall we, one guy has already told me that he won't, he can't stay away from YouTube, we shall see!)** But let me tell you a few things about this whole situation so you understand a bit more about it all. I did NOT enjoy writing all that stuff. There was more to it than you or Mark could see, & it *needed* to be addressed. **God sorted it out immediately.** I won't go into all the 'in's & out's' but a lot was at stake. Also, I **did** respond back (see below), & Mark & I have reconciled 'to a degree'. I have offered to help him & get him involved in ministry if he wants it. We have corresponded a number of times now & I am just awaiting his *next* response (**as he's gone quiet on me**) before I go any further, as it has to be **two-way**. Mark was on the *wrong* road. I hope that Tft! has helped him get back on the *right* road. I have had several responses from the last newsletter, most of which have been very positive. I had three people want to come off the mailing list & one **coward calling himself 'Terry O'Shea'** who sent me a very evil racist email but then *deleted* his email account immediately (*what a hero!*) & ran away into the bushes just like a little child. You can read more about him later on in this issue.

### My Response to Mark...

My words in 'black bold' below...

Hi John, I do not wish this to be a long a drawn out email nor do I seek a reply. **I need to reply.** I read the newsletter you just put out and was utterly horrified to be honest. Rather than seek to defend myself I would prefer to take more direct action instead. **I understand. I did NOT enjoy any part of what I put out. I was also very angered by your comment on Google regarding The Oaks Church, but that's history now. I am also saddened to a degree of your drastic measure, although I do understand it.** It is plainly, and obviously, time to finish. **That's between you & the Lord. I do not feel as if I have won some sort of victory, to be honest, I feel quite sad about it all.** I therefore offer you an unconditional and unreserved apology for all statements made - include (and especially) those about Ruckman. I hereby retract the statement about him being a racist in its entirety. The Lord is my witness to this statement. **I totally receive it, appreciate it & respect you more now than ever. The Lord is my witness to this also. I have also taken the step of deleting the YouTube channel** so it will no longer offend anyone. **I will also not look to return.** I am a little shocked, but I understand. **YouTube is a very nasty place, which as you know, is getting so bad, I am sure many will follow you. I personally do not like it & have shied away from 'video' rather than audio.** I am truly sorry for what I have done. I hope you will find it in yourself to forgive me. **I certainly do, & like I say, respect you now more than ever. I believe that we have BOTH learnt a great deal about this whole thing, & hopefully about each other. I am sure that there is a lot we could both say, but to no avail. Let's leave it all in the past. I forgive you, & I would also hope that you forgive me. To show you that I have no grudge or bad feeling towards you, & only one of sincere well-being for you, I would like to invite you to come & speak at The Oaks Church either one Friday evening or Sunday morning. I believe that we have both matured a little through all of this. I will understand if you decline my request, but I also believe it would do us both good if you did. It would also shock the 'YouTube world' that two Christians could *really* forgive each other after falling out so badly. I leave this with you. I would also say this, which you may not fully understand as yet... I trust you enough to choose your own subject (truly led of the Lord of course), but a suggestion would be on 'forgiveness'???** May God have mercy on both of us for the way we have acted & reacted. I love you Mark, & I mean that. I want us both to get as close to the Lord Jesus as possible & not hinder each other. It is hard to get to know the 'real me'... I am oftentimes misunderstood. **May the Lord guide you in all your decisions. John, Tft!**

I also received a very encouraging email from one of the people who commented/followed Mark's videos. Here is an excerpt from his email... *I do attend a church lol... Sad what has happened to Mark especially as I have met him in person while he was attending Barry's church, seemed like a nice guy. Unfortunately, this happens when Christians don't fellowship with other believers and they isolate themselves. Seems to be huge problem among the YouTube KJV Christians. Keep fighting the good fight of faith, appreciate your Bible studies on your website. The one about alcohol really helped me out.*

Now I hope the whole thing is over & done with now, & Mark & I can move on in our lives. There is so much work to be done, & we all have a job to do, so let's all get on with what the Lord has called us to. There is nothing more important,

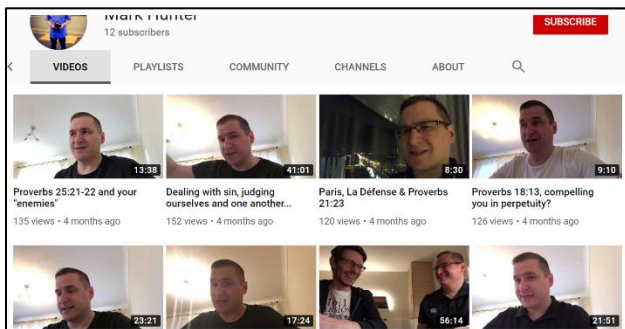

worthwhile & rewarding, than getting the Gospel out to sinners. Fake-Pfenny, Eli, Lex & all the Hyper-Diaper crowd have no interest in saving souls, hence why they do NOT leave their homes, rooms or cameras. They think they are doing good by attacking all those who are trying to reach the lost... take away YouTube & you take away their lives, as they have NO MINISTRY! The Hyper crowd play semantic games regarding the Gospel, even though none of them know what the Gospel *really* is. Pfenny's 'mental ascent' Gospel is nothing more than FALSE/FAKE just like he is. God will deal with this cretin in due time. IF, he makes the Judgement Seat of Christ, he'll see hardly any, if any, rewards at all as Pfenny bears NO fruit.

**Update on Mark since my last email to him a while ago is... *he never contacted me... pray for him!* He's had every opportunity to *really sort things out & start afresh*, but he's gone off the radar & that's always a bad sign. We shall also see if he keeps his word & does what he says!**

**OH DEAR!**

**Update on Mark Hunter as of 4<sup>th</sup> May 2019...**

**He's BACK on YouTube!!!!**

Deut 23v23 **That which is gone out of thy lips thou shalt keep and perform; even a freewill offering, according as thou hast vowed unto the LORD thy God, which thou hast promised with thy mouth.** Well the brother who told me *Hunter wouldn't / couldn't stay away* from YouTube was right! **A double minded man is unstable in all his ways.** James 1v8. Prov 17v4 **A wicked doer giveth heed to false lips; and a liar giveth ear to a naughty tongue.** *Has Hunter a naughty tongue?* I was surprised to be honest, as I thought Hunter was *serious*, but then again, I should have known, he said he would **DELETE** his channel but **didn't**.

Considering the last email Hunter wrote to me regarding 'his faith' I am shocked to see him back. YouTube is like a magnet, a drug, that some Christians *can't* live without, sadly it seems that way for Hunter. I shall be keeping a close eye on this guy in case he reneges (*to fail to keep a promise or an agreement*) 'again'. No longer is a Christian's 'promise' worth anything it seems these days. He never even mentioned to me that he was coming back to YouTube... *now there's a statement for you! Narcissism? We shall see! Unlike the guy who told me that Hunter WOULD return, I thought he'd keep to his word. Now I KNOW that he cannot be trusted no matter what he says!* Ecc 5v2-6 **Be not rash with thy mouth, and let not thine heart be hasty to utter any thing before God: for God is in heaven, and thou upon earth: therefore let thy words be few. For a dream cometh through the multitude of business; and a fool's voice is known by multitude of words. When thou vowest a vow unto God, defer not to pay it; for he hath no pleasure in fools: pay that which thou hast vowed. Better is it that thou shouldest not vow, than that thou shouldest vow and not pay. Suffer not thy mouth to cause thy flesh to sin; neither say thou before the angel, that it was an error: wherefore should God be angry at thy voice, and destroy the work of thine hands?**

For further study on **keeping your word, a promise or a vow**, see the following Scriptures... Prov 11v3, Mat 6v7, Num 30v2, Deut 23v21-22, Mat 5v33-36, Prov 25v14, 1 John 2v3-5, Ezek 17v15-21, Ps 56v11-13, Ps 116v18, Prov 28v13.

I know of hardly any Christians who KEEP their word, most say one thing, **promise something** & then lie by NOT doing what they said. **I do NOT trust anyone who does this.** Let this verse sink DEEP INTO YOUR EARS & HEART... **Be not rash with thy mouth, and let not thine heart be hasty to utter any thing before God: for God is in heaven, and thou upon earth: therefore let thy words be few.** Ecc 5v2.

Remember, Hunter in his videos tells everyone to **GET OFF YouTube**, as he did in his talk called '*Sunday encouragement concerning confusion and doubts...*' I wonder if he will now take down THAT video!? The problem is this, Hunter *doesn't* have a ministry really, but wants one, he thinks YouTube is it... *it isn't!* It's sad to see Christians wasting so much time on this worldly medium rather than doing something *really* worthwhile for the Lord instead, but that's modern-day Christianity for you. Hunter has had many chances to put things right, but sadly PRIDE is his downfall as usual.

**On May 4<sup>th</sup> 2019 I was saved 30 years!**

Thank you Lord Jesus for saving me & sorting out my life! I'd like to thank all of you who sent me 'happy birthday' emails. It has been an amazing walk, a great adventure & I appreciate every day the Lord gives to me. Like you, I've had my hard times, but it's all been worth it. I can't believe it's been 30 years to be honest. I love the Christian walk, I love life. Looking back over those 30 years (see The Ministry Years volumes 1-3) I am so thankful for all the Lord has brought me through & the blessings He's given me.

**A man that is an heretick after the first and second admonition reject;**

Titus 3v10

### Justine, Justin & Justify...

Recently I have noticed regarding a few certain people, that they just don't know how to apologise when they have done something wrong, neither even admit they have done wrong without trying to *justify* themselves first, are YOU like that? It stems from Adam & Eve of course & has filtered down to all of us. You make a mistake, what do you do next? You try to *justify* yourself without *apologising* or even *admitting* that it is a mistake. I see it everywhere, people don't know how to apologise or admit their wrongdoing these days, why is that? Same old answer as always... PRIDE.

### Unthankful – 2 Tim 3v2

(Ingratitude - a discreditable lack of gratitude).

Rom 1v21 ...**neither were thankful**. A 'sign of the times' that is certainly neglected in many sermons today is the ingratitude Christians, as well as non-Christians show. I know of very few Christians who are thankful, appreciative & not always 'on the take'. Most Christians I know just TAKE TAKE TAKE, without even thinking about saying thank you. They'll take your money (& never offer to spend theirs), they'll take your 'time' (when it's convenient for them only) without ever offering to help you, & they'll just leave a 'bad taste' with you every time. It amazes me that most can't even see it, even when you point it out to them. Are you one of these people who visits other Christians houses expecting to be fed all the time? When was the last time you offered to take them out for a meal, or buy a takeaway etc. It didn't even cross your mind! Man alive! Why is it, that we are surrounded by greedy, tight-fisted Christians who hate to part with their (the Lord's!!!) money. What makes a Christian stingy, unthankful & disrespectful? You have to be prompt them to think of others? Man alive!

1 Thes 5v18 **In every thing give thanks: for this is the will of God in Christ Jesus concerning you.**

Eph 5v20 **Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ;**

Col 3v17 **And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him.**

If you show ingratitude to your fellow Christian brothers & sisters, what are you like with ingratitude towards the Lord? What have you done recently for someone else?

### What inheritance are you leaving behind?

**A good man leaveth an inheritance to his children's children: and the wealth of the sinner is laid up for the just.** Prov 13v22. What are you leaving behind if the Rapture happens tomorrow? What are you leaving behind if you died today? I'm not just talking about money & possessions; I'm talking about your Christian legacy. What will you be remembered for? What work have you done for the Lord since you have been a Christian? What work are you involved in at present? Too many Christians aren't doing much for the Lord with their lives, their time, but instead, they are 'drifting', wasting the time the Lord gives them.

### 'In the departure lounge'...

Read 2 Tim 4v6, Phil 1v23, Gen 35v18 – In May, a lady on our mailing list will be 88 years old. She recently wrote me a letter saying that she is in the 'departure lounge'. This touched my heart. This lady is an incredible woman who has been distributing our tracts for some time. She is not in good health at present but does all she can to get the Gospel out to sinners, especially all those who come to her house. **For I am now ready to be offered, and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing.** 2 Tim 4v6-8. This certain lady is 'fighting a good fight' & is 'finishing her course' for the Lord. It would be amazing if she sees the Rapture, which is a possibility seeing it is so close. She is suffering with 'retention of fluid' & swollen legs at present. Please pray for her. She is an inspiration to all of us here at Time for Truth! These are the real Christian soldiers, not like the idiots on YouTube who are doing NOTHING for the Lord, or to reach the lost.

### Would you like some FREE Bible Studies?

We offer our CD sermons each week for **FREE** to anyone who requests them. Our sermons are sent out all over the world, so if you feel you would benefit from our ministry, just sign up to our free mailing list if you haven't done already. You can of course listen to all our sermons on the Time for Truth! **YouTube** channel.

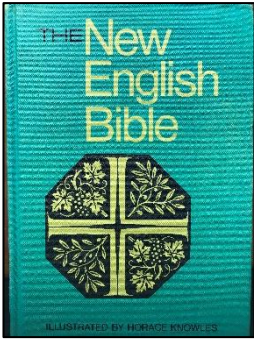

If you are not on the right road at present, what is stopping you from making some changes in your life? There are times when we all drift off down a wrong path, but once you realise, you need to do something about it now, before things get too bad. If you are not where you should be in life at present, call out to the Lord to help you make the right decisions.

### Prayer Request

**Fred Shelter – please add me to your prayer list for the pacemaker that was “installed” on July 3<sup>rd</sup>**

### All Bibles are NOT the same!

You want a laugh?

Have a look at Judges 1v14 in 'The New English Bible' (1970).

Now compare it to the KJV.

KJV... **And it came to pass, when she came to him, that she moved him to ask of her father a field: and she lighted from off her ass; and Caleb said unto her, What wilt thou?**

NEB... **When she came to him, he incited her to ask her father for a piece of land. As she sat on the ass, she broke wind, and Caleb said, 'What did you mean by that?' She replied, 'I want to ask a favour of you'.**

I hope that when you are in 'my' company, none of you ask me for a favour!

You've got to hand it to these Satanic 'bible' counterfeiters, they really do know how to corrupt the word don't they? - 2 Cor 2v17, 2 Cor 4v2.

### The Antichrist – taken from Brian Donovan's article in BBB...

When the Antichrist (a Syrian-Jew) enters the world scene, the Roman Catholic False Prophet will cause ...**the earth and them which dwell therein to worship the first beast...** (Rev 13v12), **until no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.** (Rev 13v17). This world leader will place his mark as a black 'spot' (Rev 13v2) in the right hand or foreheads of his followers (Rev 13v16). It is interesting to note that in the Syriac language (originating about 3500 BC in Aramea, or modern-day Syria), the name Nimrod translates to mean 'spotted'. So, the Bible traces the kingdom of Syria as coming out of Babel (Gen 10), with a Syrian ruler whose name means 'spotted', to finally rule over Israel in the last days, even coming from outside the land. The implication is that he will be bold enough to 'come in his own name' (John 5v43), & that name is Judas Iscariot, being the only apostle chosen from outside the land (the literal meaning of his name is 'a man of Kerioth'). Judas was the only apostle chosen who was 'a devil' (John 6v70), & as he went out to betray the Lord, 'Satan entered into him' (John 13v27). The Muslims will be ready to receive this part Syrian Antichrist as their coming 'Mahdi', or messiah who will set himself up as ruler in the Temple Mount, while the Jews will be ready to receive this part Jewish Antichrist possessing the 'signs & wonders', that they require (1 Cor 1v22, 2 Thes 2v9).

### Compromising our faith & letting the Lord down

Read Rom 7 & especially note v19. We do things we ought not, & by doing them we compromise our faith & let the Lord down. I hate doing it, but I do it, just like Paul did & you do. Well something happened recently where my faith was tested & I let the Lord down. It did not sit well for me for days, until eventually I sought the Lord, poured out my heart to Him (Ps 62v8) & one morning, I got up extra early & sat down at my computer to write a letter to the guy it was concerning & rectify the situation. I don't know how he will take it, but I did the right thing & my conscience is clear – Acts 24v16, Rom 2v15, Rom 9v1, 1 Tim 1v5+19, 1 Tim 3v9, Titus 1v15, Heb 13v18, 1 Pet 3v16.

Rom 12v17 **Recompense to no man evil for evil. Provide things honest in the sight of all men.**

### Who's your mentor?

Who do you look up to & lean on? Have you got someone? If you haven't, it's a very lonely walk isn't? If you can't talk to someone, that's sad. Try hard to get close to someone & find someone you can look up to, while also reaching out to others to help them. There is nothing better than helping others, loving & caring for those around you.

### South Africans join The Oaks Church

One of Donna's favourite accents is the South African one, so the Lord blessed us with a lovely couple from that country recently, who have now joined our church. They are hungry for the word of God & have already 'converted' to the KJV big time. They have settled in really well & love to fellowship around the Scriptures.

### Jesus is NOT the Father!

Mat 24v36 **But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only.** Does Jesus KNOW the 'day & hour' now? If Jesus didn't know the 'day & hour' then (but does now?), then God would have been double minded, or even 'schizophrenic' when Jesus was on earth wouldn't he, knowing but NOT knowing, because the ONE God was split? It doesn't make sense. The Godhead (aka Trinity) is ONE God but THREE 'separate' Persons... no one FULLY understands the Godhead, if they say they do, then they're LIARS. What would be the point of Jesus being the Father, why not just be Jesus? The 'oneness' doctrine of the Godhead is just another cultish lie spawn from the pit of Hell to sow confusion among believers. Jesus is NOT the Father nor the Holy Spirit, they are separate, but they are all God! It's no accident that Godhead (Acts 17v29, Rom 1v20, Col 2v9) appears THREE times in Scripture, & Almighty God (Gen 17v1, Ezek 10v5, Rev 19v15) appears THREE times in Scripture... THREE 'separate' persons but ONE God. 1 John 5v7.

### Why it's so important to leave tracts on trains, buses, taxis, in bus shelters, doctor's surgeries, dentists etc.

I received this email this morning... Hi John, just read your leaflet on a train in Glasgow, not sure how it ended up here as I can see you're based in England, but God works in wondrous ways! I am a Christian, but I feel you have inspired me to share my own testimony via leaflet, so thank you for that! God Bless you and the works you're doing for the kingdom. I pray you will continue to be blessed and to be used to bring others to our Heavenly Father! Many thanks, \_\_\_\_\_.

### Have you listened to our sermon...?

**A young lady was to die that evening, as she lay there looking at her boyfriend, she asked him... "What will you do tomorrow?"** This sermon has certainly got a lot of people thinking. Request a FREE copy!

### Do you look after your Bible?

Every so often I use 'Renapur Leather Balsam' on my Bible. It keeps it clean, supple & brings the leather back to its original form, just like new, you'll be amazed. It's a quality product & I would highly recommend it. I also use it on the leather on my desk, as it does exactly the same. If you use a leather Bible & want it to last, I would certainly buy this product as its excellent. The other week I took it to church & 'did' everyone's Bible for them, they all thought it was amazing. It's well worth the investment. I probably use it once every two or three months on my Bible.

*This leather conditioner is made from gentle waxes and oils. Its colour is neutral & suitable for all shades. It helps to retain the soft & supple nature of leather. One pot is enough to treat your Bible hundreds of times.*

### What problems are you facing in 'church'?

Well I guess it depends on which side you are coming from?

If you are a leader (pastor, elder), you may see problems like...

- 1) Lack of commitment from some of the members; apathy, people not really behind you or the work you are trying to do
- 2) Divisions among members – perhaps there has been a fall out
- 3) Backsliding – Christians who are not where they should be & are affecting others
- 4) Doctrinal problems – someone could be stirring it up because of an author they are reading
- 5) Someone wants recognition & glory, an attention seeker
- 6) Someone doesn't like what you say or the way you are doing things
- 7) The pastor's family may be 'off the rails', either the children or the wife
- 8) Not enough money coming in to pay the bills
- 9) Very few people are doing any work in the church, most just turn up
- 10) You feel as if the sermons you prepare are doing very little & no one really appreciates the time & effort you put in
- 11) Someone always wants to challenge you over something
- 12) Disunity

I'm sure the list could go on & on.

So, what about from the other side, the person who attends, what problems do they face?

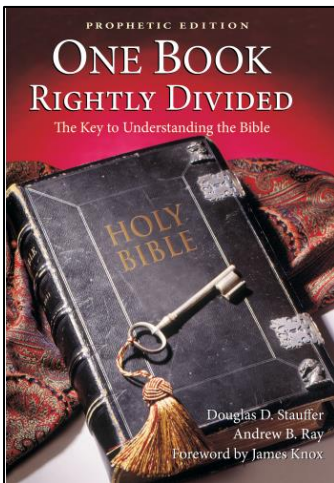

Most of the above I guess, but also...

- 1) He knows he attends church disinterested, apathetic, just putting on a show, acting
- 2) He brings his life to church, his problems etc. rather than focusing on the Lord & His word
- 3) He isn't getting fed much because the leader is incompetent
- 4) He finds the sermons boring, not challenging, stale & therefore he finds himself stagnant in his Christian life
- 5) He's not getting any opportunities to get involved, as it's a 'one man show'
- 6) He thinks he can do better, preach & teach better than the pastor
- 7) He knows he isn't reading the word during the week
- 8) He doesn't want to get involved in evangelism, tracting etc.
- 9) He doesn't want to show commitment because he wants an easy life
- 10) He turns up as & when, & is happy to miss meetings which disappoints everyone else
- 11) He tries to influence others in the congregation to come onto his side & way of thinking
- 12) He will not sort out any problems he may have with the pastor or anyone else for that matter
- 13) He disagrees with what is being taught
- 14) He is seeking a name for himself rather than come under any kind of authority

Again, there are many more things that I'm sure you can add to this list, why not send me an email to let me know your thoughts. I hope that it has highlighted a few things that are relevant to your situation. If so, think next about how you are going to deal with them. The first thing to do of course is to talk to the Lord about it. Does the problem start with you? Don't go out of your way to cause problems, try your hardest to help, support & work as a team. If you have upset someone through your actions, make the first move FOR THE LORD, & put it right. DON'T just 'up & leave!'

## One Book Rightly Divided by Doug Stauffer vs. One Book **WRONGLY** Divided by Doug **Can Stuff It!**

I've heard it said by many a Christian, that old Doug is very jealous of Ruckman & what he achieved, & after Ruckman was 'promoted to glory', he wanted to become the new kid on the block. *How do I say this...? 'Doug can STUFF-IT!'* Like always, PRIDE gets the better of these arrogant Christians. When Christians want you to buy them a 'TV studio', you KNOW they are *finished* with as a ministry in the Lord. You can send Doug all the money you like, but as for me, I'll keep investing in tracts, Bibles & Ruckman books! **Alan O'Reilly** along with **Brian Donovan** have definitively refuted the errors that Stauffer has made in his book, & I shall also be doing a section on him in the **Christian Soldier's Battle Notes volume two**. But just as an appetiser here are a few booboos 'Stuff-it' has made...

- 1) Donovan writes... *Originally, he taught that Peter & Paul preached different Gospels, but I believe he repented of that error – Read Gal 1*
- 2) He wasn't / isn't sure 'when' the church began – *is he now?*
- 3) He believes that salvation is the same in every dispensation – it is NOT!
- 4) He thinks James & Hebrews are doctrinally aimed at Christians in the Body of Christ (James 1v1), as Hyper-Diaper Ed-Pfenny does also. Insanity!

- 5) He has to make Heb 10 teach 'eternal security' as Stauffer believes in eternal security, so he has to bend Heb 10 to fit.
- 6) He has to do away with 'works salvation' as taught by James & bend it to mean 'faith alone' just like Hyper-Pfenny does.
- 7) He distorts Heb 6v4-6 & Heb 3v6+14 to apply to Church Age rather than Tribulation salvation.
- 8) Rather than rely on reading IN CONTEXT & focus on correct 'application', Stauffer would rather apply the same words 'unto the end' for example, as consistent all the way through the Scriptures... they are NOT, they can mean different things in different places – cf. Mat 24v13 (Tribulation) + 1 Cor 1v8 (NOT Tribulation).
- 9) He teaches that no one can lose their salvation in any dispensation – the same as Hyper-Pfenny does... *loonies!*

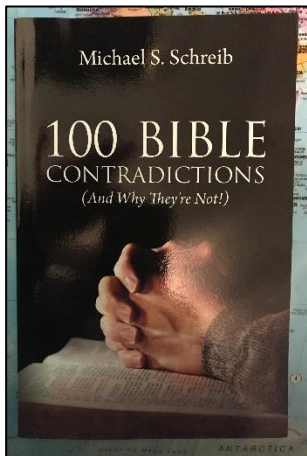

Donovan sums up beautifully with the following statement (added words by myself in brackets!)... Bible believers need to be awake in these last days. The Lord used Dr Ruckman to bring the Body of Christ further along in Scripture revelation (than anyone else has done since Larkin!) He helped thousands of Bible Believers to trust THE BOOK & study it for themselves & rightly divide it. Huge numbers were PULLED AWAY from fundamentalism & pastoral popes who privately interpreted the Scripture with their cute sayings. This crowd (Stauffer & ilk) cannot stand this fact & are trying to pull Bible Believers a step back & fall under them instead of the Book. The apostle Paul gave believers a serious warning prior to the last paragraph mark in the KJV Bible when he said... **Also of your own selves shall men arise, speaking perverse things, to draw away disciples after them.** Acts 20v30. Pay attention Christian; this is NOT an idle warning as there is an underground apostasy among Bible Believers. You are being tested in your love for the Book, versus... **having men's persons in admiration because of advantage.** Jude 16.

My conclusion... Donovan is SO RIGHT here! YouTube just shows you how bad things are getting. Even well-established Christians are falling for some of the lies that are being spread these days, & they're getting confused. Be VERY careful of following strange doctrines & people who pretend to have the 'corner on truth'. Stauffer is always telling us how the Lord spoke to him today & showed him so many 'new things'. Acts 17v19-21 **And they took him, and brought him unto Areopagus, saying, May we know what this new doctrine, whereof thou speakest, is? For thou bringest certain strange things to our ears: we would know therefore what these things mean. (For all the Athenians and strangers which were there spent their time in nothing else, but either to tell, or to hear some new thing.)**

Sadly, I cannot recommend this book because of the many errors that it contains. It seems as old Doug has fallen in with the Hyper-Diapers. I have said it on numerous occasions, walking the *straight line of dispensationalism* compared with the *crooked line of HYPER-dispensationalism* can be a *very fine line* at times. 2 Tim 2v15.

### **There isn't another book that is as divisive than the Holy Bible.**

It isn't just lost sinners who find THE BOOK problematic & divisive, most Christians do. Think of the hundreds of denominations there are, all claiming that they know the truth, & it's their way or no way. Danny-boy sent me over 50 emails telling me that Jesus IS the Father (which he is NOT!), backing it up with a couple of verses taken out of context, but he's adamant that he is right & everyone who believes in the doctrine of the Trinity is wrong. *Don't you find that fascinating?* Christians from all over the world, from all kinds of sects, denominations, fractions etc. email me to tell me I am wrong & they are right. They want to fight me over doctrine, until I submit to what they believe, & then they'll go away with their haughty spirit, head held high... *they have won the battle.* This is 'Christianity' today. There's no such thing as unity. If you're a true Christian today, you *must* fight among the ranks & destroy all the Christian heresies you can, *that's what God wants.* Isn't there just one single person who you've ever met that believes *everything* you do. *Don't you find that fascinating?* And I'm talking about ONLY those who hold to the KJV Bible as God's word too. Why are we in the mess that we are? Where & when did it all start going wrong? Who is right apart from you? That BOOK is deadly. You better submit to it, read it & ask God to help you understand it, or you'll go off at a tangent & because of stubbornness & pride, you'll stay there, out on a limb, isolated, with no friends & no ministry... see any YouTuber!

#### Very interesting quote...

I'm not into Malcom Bowden (*although you can of course learn from those you don't like*), I find him a very biased arrogant Bible corrector & very unteachable. When it comes to the authority of Scripture & its perfection, Bowden is a novice who hasn't got a clue. He's illiterate when it comes to God's preserved words.

But here is a good quote from him, to which I am aiming it at all those **looney, lonely, narcissistic YouTubers**, who sit in isolation glued to their cameras telling everyone that they are wrong & that you should ONLY listen to them...

#### Let's read what Big-mouth-Bowden says shall we...

*Many feel that they are insignificant in the eyes of the world, and therefore they will be strongly attracted to any movement or cause that will boost their ego. It can give them a strong sense of purpose in there otherwise boring or mundane lives. Anyone who holds to a very unusual cause or belief, whether well supported or not, can easily develop a sense of superiority over ordinary people. He feels that he has secret and superior knowledge to the millions of ordinary people who believe the lies that the experts feed to the masses by their complete control over the mass media.*

*If he makes his own video on YouTube or gives talks on the subject, his ego will receive an even greater boost. This desire to feed this feeling of superiority over ordinary people is so strong in some that they are only too willing to be persuaded by whatever evidence is placed before them.*

*Thus, a second possible reason (of why people believe what they do & hold on to such stupid doctrines) is the ego boost that they get from being different from the common heard.*

Now that is a very good summary of the idiotic things being taught by idiotic people on YouTube. Things like...

Prayer is a work

If you 'ask' God to save you He will send you to Hell because you are 'working for your salvation'

Don't preach repentance because that's a work

Jesus is the Father & the Holy Spirit

The Body of Christ started with Paul

Church buildings are evil therefore you shouldn't go to 'church'

The Rapture is after the Tribulation

Salvation is the same in every dispensation

God can't give us a perfect Bible

The earth is flat

Now you can believe what you want, take your pick, follow what idiot you like, but as for me, I'm going to stay sound in mind, IN THE BOOK, asking the Lord to guide me through life. You do what you want.

#### Taking its toll on your health & wellbeing...

Read the following Scriptures - Ps 80v6, Prov 16v24, Prov 17v22. Now if you are like these **YouTubers** Pfenny, Richling, Breaker etc. who are always criticising, moaning, complaining, & attacking each other, eventually this will affect your health, like it has these guys. Stress can cause serious problems, & most of these YouTubers are stressed *all the time*. If you watch Fake-Pfenny, he looks ill, & unwell. These guys don't sleep peacefully, as they are constantly attacking each other, trying to win arguments, debates, & get one over on their 'competitor', their enemy, *that's the whole purpose of their lives*. It was the same with Hunter. None of these guys are happy, **they never look happy**, they look worried & distressed *all the time*. They certainly don't act like Christians & come across as good Christian ambassadors. They are either overweight, have high blood pressure, because they are up & down all the time, & it's all because of PRIDE. As I keep saying, PRIDE KILLS, not just spiritually, but it can physically, it will destroy your life. Pfenny is not a happy man in life. He's a stress-head trying to be somebody he isn't. Lex is the same. It's sad to watch Christians, who think they are right, be SO WRONG!

### **Time for Truth! Ministry Day / Conference is on – Saturday 24<sup>th</sup> August 10.00 am – 5.00 pm**

This year we are hoping for 50 people. We haven't held one for over two years. It's a great day of ministry & fellowship. If you've never been previously, I would highly recommend coming, as you'll hopefully learn a lot & make some new Christian friends. Think, only **King James Bible Believing Christians** will predominately be there. We shall feed you throughout the day (physically & spiritually), & there will be plenty of time for discussion, getting to know one another, Bible study & loads of fun. There's nothing like it, so if you haven't put your name down yet, I would urge you to do so now, before all the places are taken. We cannot accept anyone 'just turning up on the day' I'm afraid as a lot of preparation goes into hosting one of these, & seats are allocated, although you of course, can sit where you like.

#### **DON'T quit... DON'T give up!!!**

I know that some of you are finding life very difficult at present, & after emailing me, I can understand why. There are times when we all seem to have to go through some very dark valleys for whatever reason. It's in these times that we should be talking to the Lord MORE not less. By stopping talking to the Lord & reading His word will ONLY cause you more problems, stress & you'll make poor decisions. If you are struggling, TALK TO THE LORD about it all, don't leave anything out, tell Him how you feel & what you're going through (even though He knows of course). Ask Him to guide you through or out of the situation & be prepared to make some radical changes. Many Christians wallow in self-pity, I know, because I have done this. When things aren't going well for you, DON'T blame God, man up & seek His will regarding your problem. Too many Christians just give up, run back to their old ways, old lifestyle, thinking this will help, when in reality it will only lead you deeper into sin & further away from God. If you are doing something you KNOW you shouldn't be doing, STOP RIGHT NOW, & seek God for the help, strength & courage you need to beat the thing. Running back to the world is NEVER the answer. If only life was easy all the time, but it's not. Most of the time we cause ourselves problems by poor decision making, yet we'll blame everyone else. We can of course get so desperate when we are so low, that we'll often take the 'easy road' out, yet in reality it always works out for the worse, you'd have thought we would have all learnt that by now wouldn't you. Whether it's health issues, money trouble, relationship problems etc. the only way of doing RIGHT is by doing what the Lord wants you to do. Staying in your backslidden state is doing you no good at all. It's easy to sin & rebel against God isn't it? Yet this is hurting YOU more than you realise. Many of us have problems regarding our families, & we'll blame THEM for the problems that oftentimes WE cause. So, Lord willing, you're going to get up tomorrow morning with a new attitude towards life, towards serving the Lord, are you? (Phil 3v13). 'Success' in your eyes, compared to other people's eyes, compared to the Lord's eyes, can be three different things. It's pleasing the Lord that really matters in life, everything else is secondary, & the sooner we realise that the better, it will help us LIVE.

Col 1v10 **That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God;**

1 Thes 2v4 **But as we were allowed of God to be put in trust with the gospel, even so we speak; not as pleasing men, but God, which trieth our hearts.**

1 John 3v22 **And whatsoever we ask, we receive of him, because we keep his commandments, and do those things that are pleasing in his sight.**

Are you actually living a life that is 'pleasing' to the Lord? Gaining knowledge about the Lord & His word but NOT living for Him is NOT pleasing the Lord & NOT living for Him. Spending your whole life attacking other Christians like those on YouTube (e.g. Fake-Pfenny et al.) is NOT pleasing the Lord, it's living in the FLESH - **So then they that are in the flesh cannot please God.** Rom 8v8.

Oftentimes, it's going through the tough times in life when you learn the most, the trouble is, that many Christians I know, DON'T learn, so they go through *another* tough period due to their unwillingness to surrender to the Lord's will, their pride, stubbornness, even ignorance.

#### **Witnessing to one of our Principals...**

I had the opportunity to *share* the Gospel with one of our Principals at the latest trade show we visited in Harrogate, which was a great encouragement. He is an Argentinian man, who is a lawyer in London speaking five languages including Russian. He believes in evolution, so we had a good talk about 'design, time & chance'. That evening he was taking the train back to London which took 3 hours, so I offered him 6 Gospel booklets to read while travelling, which he willingly took. I really like this guy. Although being very successful in the business world (he also owns 5 houses in London & 1 in Barcelona), he was very humble. He said he would let me know his thoughts & email me. Please pray he gets saved.

#### **Knowing what to do in business...**

We get all kinds of people offering us things to sell etc. due to the nature of JDA & oftentimes I just don't know what decision to make. I always try to see how things will affect the Lord & my relationship with Him, & whether it will be a hindrance in any way to my/our Christian walk. If it will cause a problem, we tend to stay well clear of things. I hear Christians say things like "Do you know they support the Masons or sodomites" etc. If we all tried to stay away from places that were associated with either of these groups, we'd all starve, as nearly everything, including 99% of shops & superstores are pro-sodomite etc. these days, it is very tough to be a Christian in business in such an anti-Christian world.

**Coward Terrance O'Shea – (oterrance83@gmail.com)**

This **effeminate racist coward** sent such a vile email to me recently I couldn't print it here. I have kept it in case he emails again, as I'll get the Police involved next time, & get them to trace him & find out who this NUT is. He attacked Donna (over not being able to bear children (*Why he's hung up on that subject I'll never know?*), & Dee over being black (!!!) the racist bigot) in his pathetic attempt to 'shock', & do you know what the **coward** did next? He *deleted* his email address so I couldn't respond, what a *tough guy*. He ran away chicken, like a little child, he has no guts whatsoever, he's a **coward**. These are the type of people who follow Pfenny (O'Shea loves him), they're mentally deranged, they have serious mental & sinful problems. If anyone knows this idiot, please let me have his details. Hyper-Diapers are some of the nastiest people you will ever come across, beware of this. We shall continue to expose them for the **cowardly** heretics they are.

**What an encouraging email to receive...**

Dear John, Hello Brother, warmest greetings to you in the name of our Saviour, the incomparable Lord Jesus Christ. I hope and pray that your ministry grows from strength to strength in His name, and what an awesome Saviour we serve! I would also like to say a very big Thank You for the wonderful parcel that you sent to me a week or two ago containing not only the Ruckman Reference Bible, but also a veritable mountain of discs and tracts and other wonderful things. I was, frankly, amazed at how much great stuff was in there, so I must give you some praise for that...Thank You, Brother, and also your entire ministry and family too. I sincerely hope and pray that you might continue doing this wonderful work and that Dr. Ruckman might begin to receive the praise that is due unto him from the Body of Christ. The man is a giant of the faith, whichever way you choose to look into him. If we make it another hundred years on Planet Earth (which I honestly doubt that we will), I am convinced that Ruckman will be remembered alongside Scofield, Bullinger, Spurgeon et al. It saddens me that so few Christians in England have even heard his name or know who he is. You are the first English guy that I have come across who loves the man as much (if not more) than I do. I was also amazed at how reasonable the prices are for his books from your organisation, it has been such a great blessing to me to own and to be able to read all of the brilliant footnotes, ideas, appendices...His cross referencing (especially in the New Testament) is so amazingly precise that I'm pretty sure a man could construct a sermon from those sections alone, such is the quality and quantity of ideas expressed. If you are like me, John, in respect to being unafraid to rightly DIVIDE THE WORD OF TRUTH (which I suspect you are), then this can only bring blessings to other people like me who are tired and annoyed with the "new" brand of what is being passed off as a sermon these days by many of the mainstream pastors.

I hope that I am not taking up too much of your time waffling away here in this email, and I apologise if I slide off track sometimes, but I am actually filled with a child-like excitement as I type these words. I have been trying to push and "large up" Dr. Ruckman onto every other Christian that I know for about a year or so now and the only person who has read and looked into his stuff is my Dad haha. By one of those "strange coincidences" which you and I both know has zero to do with coincidence at all, my Father told me that he actually KNOWS you in person, John. Isn't that crazy? He asked to be remembered to you and to your wife in this email...He knows you from the time when you were serving the Lord in Chester City Mission, and you might be happy to know that my Dad described you as "an excellent evangelist." (His words precisely.) All I can add to that statement is this: KEEP UP THE GOOD WORK, BROTHER!!! I suppose I should introduce us before I carry on, shouldn't I?! Haha. His name is Pastor Peter McGrath and I am his son, Adam. I am writing this using Dad's email in case you are becoming more confused with every new sentence haha. I just needed to tell you how incredibly happy I am at finding another "Ruckmanite" in England. Praise God for that, and I hope that you don't object to that moniker or that label because I would happily describe myself as a Ruckmanite to anybody who asked. Of course, I don't agree with everything he says (and I have yet to find any single preacher or teacher who I DO agree with one hundred percent, thank God...Which is what makes "dividing the word" interesting, wouldn't you agree, mate? Wouldn't it be terribly boring if we all agreed on everything haha.) If I had to choose just one guy, in the style of "Desert Island Discs" where you are only allowed to pick one book etc. then I don't think Ruckman would be such a bad choice. I've only owned his Reference Bible for a week or two and my mind has already been blown with so many wonderful ideas and such great information that it's almost unbelievable! I saw how high the prices were for the calfskin-bound Bibles on other sites and I was pretty disappointed, to be honest, because I wanted to read what he had to say SO badly...Imagine my surprise and joy when we were able to find a hard-backed copy of Ruckman's Bible from your ministry for such a good price...That is when a dream and a hope became a reality, and it is probably the best money that I have ever spent. I see it as a superb investment, the spiritual equivalent of buying the majority of shares in the Coca Cola company for 20-something quid haha, There is no way that this book is not just going to keep giving and giving and giving out spiritual riches and helping me to explore the Scriptures in a far deeper way, and once again I can only say Thank You, John.

I listened to your sermon online last night and again today: the one where you eulogised Ruckman and went on to talk about the Book of Revelation, and it was just what I needed to hear at exactly the right time too (coincidence indeed!!! Haha, I don't think so!) Your exposition and your whole approach to speaking was so incredibly refreshing to hear that it could not help but edify me enormously. Again, I say THANK YOU, BROTHER! May the Lord bless you and your work for Him in a real and mighty way. Amen, amen, amen, as the good Dr. would say haha!!! I don't want to bore you anymore with too much of

my own testimony, but I feel like I just have to mention one thing...Although my Dad is a pastor, and a very good Bible teacher, and a very good Father for that matter, this does not mean that his son did not disappear into the wilderness of the world for twenty or so years, and live like the devil and lose all of his hope, and end up like a wild animal, lost and angry and first an alcoholic and then a drug addict who was hooked on the worst one of them all etc. It's a familiar story which I'm sure you have heard before, but the difference between me and everybody else is that while I was living that horrible life, it never stopped me from also reading my Bible and watching as many sermons and Bible studies online as I possibly could. Though it didn't feel like it at the time, it is amazing in retrospect to see just how much God was using that terrible time to instil a deeper love for His word inside of me. And during the absolute worst of times, when I was unable to even crawl out of bed because the physical and emotional pain was so bad, it was LISTENING TO RUCKMAN PREACH AND TEACH that helped me to get through the nights and days. More than anybody else, it was him who helped me to get things into perspective and see a way to get close to Jesus again when my soul was burning and crying out in agony, and I will love him forever just for being there and for knowing which words to say to reach me and guide me back to the right path. What a wonderful, wonderful man. And how ridiculous it is to see all of these other Christians ripping him to pieces now hahaha, don't make me laugh. You were dead right when you said in your message about the critics and the wolves coming out of the woods to take a bite out of his flesh now that he is gone to be with the Lord. Well, let me assure you of what you already know, John...THEY DON'T HAVE A CHANCE!!! Hahaha. Seeing these "Charismaniacs" (as I call them) saying that Ruckman is in Hell and Ruckman is a racist and Ruckman was married more than once etc. only convinces me more that the people who attack him are not only crazy, but they are also complete babes in Christ when it comes to doctrine and understanding the Word of Truth. Maybe I was spoiled from an early age with all the "strong meat" from my Dad's ministry (and his specialist subject is eschatology and Revelation) but I am sometimes appalled at the state of some of these attacks, not because of the content, but more because of how lukewarm on doctrine and understanding they are...Just how "milky" they are compared to the heavy "meat" of Ruckman. If these people knew their Bibles better, they wouldn't even be asking this stuff or making these idiotic attacks in the first place...It's not difficult to offend somebody who has an awful knowledge of the Scriptures and who is just ACHING to be offended, now is it?!! I wouldn't mind if this was coming from a secular position, but these are people who are SAVED! Oh my goodness me, the mind boggles!!!

Anyway, my friend, I apologise for taking up so much of your time with these words, and I hope that it raised you up a little bit because I feel like you DESERVE to be lifted up somehow, John. I really can't thank you enough for making this stuff available to an English audience AND for such a reasonable price too...Fabulous!!! And yes, I absolutely go along with the KJV ONLY movement too because the A.V. IS the best translation that we will ever see in the English language, and it always will be, thank God. And praise the Lord for Peter S. Ruckman. And praise the Lord for you too, John. And thanks again so so much for everything. Much love in Christ from Adam (and Peter) McGrath here in Merseyside. I also want to order and purchase two more of Ruckman's books...

#### **It is ONLY the Blood of Jesus Christ that gets you to Heaven... BUT...**

'Faith & Works' got the OT saint to Abraham's Bosom, to await the PERFECT sacrifice that was to come.... Right or wrong?

#### **Friday Night at The Oaks Church... Best meeting of the week!**

From being surrounded by unsaved people all week, & mixing with the world, it really is an oasis to come together every Friday night at The Oaks Church around the word of God. We first find out about each other's week, go through the notices, sing a hymn, then maybe talk about something that has come up recently, whether it's a certain doctrine or something in the news. After that, we turn to our Bible study. Church starts at 7.30 pm & goes on until 9.00 pm. We then stay for a cuppa, talk, play chess even, while just enjoying each other's company. We have a great bunch of Christians at The Oaks Church. They really do love the Lord & want to serve Him in their daily lives. I love Friday nights, more now than ever. Heb 10v25 **Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.** Read also Acts 2v42+46.

#### **A couple of questions for the Evolutionist...**

Blood has to touch every part of your body, from your hair to your toenails, if it doesn't, that part will die. Where did the design & intelligence come from to know that this was needed? When did this happen? Also, how & when did your body know that blood needed to circulate? Oh, & why 'choose' blood? To believe in evolution, random chance, multiple mutations over millions of years, then to finally arrive at a human being... is INSANITY. Evolution is impossible. FACT!

#### **Little study on backsliding...**

Look up every reference... 2 Cor 6v14, Mat 4v16 (Ps 107v14), 2 Cor 4v6, 1 Pet 2v9, Eph 6v12, (John 8v12, Luke 23v44), Luke 1v76-80, John 3v19, Acts 26v15-18, Rom 13v12, Eph 5v8+11, 1 John 1v5, Jude 9-13, Rev 16v10, Eph 5v14, Hos 8v7, Hos 10v12+13, Mark 12v30, Jer 3v12+14+22, Hos14v4. Now if you have just run those references, you will understand how important it is to stay as close to the Lord Jesus Christ as you can, read His word, pray, go to your local church for fellowship. This will help keep you from backsliding. It all starts with your heart. Prov 14v14 – memorise that verse!

**One million new sexually transmitted infections (STIs) occur every single day, the World Health Organization (WHO) has estimated.**

**(Segments taken from BBC article)**

**My comments in BOLD**

There are more than **376 million new cases annually** of the four infections - chlamydia, gonorrhoea, trichomoniasis, and syphilis.

The WHO highlights a lack of progress in stopping the spread of STIs, and says its figures are a "wake-up call" The figures suggest that among people aged 15-49 in 2016 there were:

- 156 million new cases of trichomoniasis
- 127 million new cases of chlamydia
- 87 million new cases of gonorrhoea
- 6.3 million new cases of syphilis

Dr Peter Salama, of the WHO, said: "We're seeing a concerning lack of progress in stopping the spread of sexually transmitted infections worldwide.

"This is a wake-up call for a concerted effort to ensure everyone, everywhere can access the services they need to prevent and treat these debilitating diseases."

Dr Tim Jinks, head of Wellcome's Drug Resistant Infection programme, said: "Untreatable cases of gonorrhoea are harbingers of a wider crisis, where common infections are harder and harder to treat.

"We urgently need to reduce the spread of these infections and invest in new antibiotics and treatments to replace those that no longer work."

#### **Tft! USA update**

Well Jacob is up & running now with his first print run... see photo. If you are in the USA & need some great quality tracts, please contact Jacob direct.

**[jacob@timefortruth.co.uk](mailto:jacob@timefortruth.co.uk)**

If you know of any Christians in the USA, please pass their details on to Jacob or given them his contact details so they can touch base. If you are not already part of a ministry, why not team up with Jacob?

Running a tract ministry is an adventure, as you never know where these tracts end up. Doors will open, you'll be in contact with people all over the world, & each of these Gospel missionaries will get into places that you can't. Since starting our ministry we've been in contact with thousands of Christians, it's amazing. The testimonies we've had back is incredible.

#### **Jesus Christ IS God, but Jesus Christ is NOT the Father...**

1 John 3v16 **Hereby perceive we the love of God, because he (God) laid down his life (God died? Jesus Christ IS God) for us: and we ought to lay down our lives for the brethren.**

1 John 5v20 **And we know that the Son of God is come, and hath given us an understanding, that we may know him that is true, and we are in him that is true, even in his Son Jesus Christ. This is the true God, and eternal life.**

Isa 9v6 **For unto us a child is born (the 'child' was 'born'), unto us a son is given (notice the son was 'given' NOT 'born' as He is from everlasting, & had NO beginning - Mic 5v2, John 1v1): and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father (Notice Jesus is CALLED the everlasting Father, it does NOT say He IS the everlasting Father), The Prince of Peace.**

#### **Are you encouraged by what you see?**

In the church, in your Christian life, in your family or at work? Sometimes it's hard to find encouragement in what we see isn't it. It's in these times that we need to do the same as David... **And David was greatly distressed; for the people spake of stoning him, because the soul of all the people was grieved, every man for his sons and for his daughters: but David encouraged himself in the LORD his God.** 1 Sam 30v6. Oftentimes I encourage myself in the Lord when feeling distressed. He understands how I think, what kind of person I am, why I am like I am, & what I'm trying to achieve with my life, He knows. So when I'm frustrated, disappointed & disillusioned, I encourage MYSELF... in the Lord. Do you?

### Deluded-Danny-boy (Dan-KJV1611) is so confused that he thinks 'HE' fully understands the Godhead aka Trinity...

This poor deluded kid emailed me with 'attitude & arrogance' (don't they all) wanting to bait me into a discussion about Jesus Christ being 'the Father' (how dumb can you get). Of course, he never got this from the Bible himself, nor did the Holy Spirit reveal it to him, he got it from another NUT that he follows. He was so far off the radar I thought I'd include some of this kid's whacko-jacko private interpretations (2 Pet 1v20) to warn anyone else who is shallow in the Scriptures NOT to follow his pernicious ways (2 Pet 2v1+2). **Jesus Christ is NOT the Father**. I can't even believe we're talking about it, as it seems like it has only risen to the surface in 2019. Ruckman used an analogy (*which means... a comparison between one thing and another, typically for the purpose of explanation or clarification; a correspondence or partial similarity*) regarding the body, soul & spirit & the Trinity (Godhead), which some have jumped on to say that Ruckman believed that Jesus Christ was the Father, he DIDN'T. He just used the analogy, that's all. There is ONE God, & three separate Persons, NOT 'parts', NOT 'modes'... Persons. A person does NOT always mean a human being. There are NOT three Gods, there is ONE God made up of three Persons. Well ol-Danny-boy started off in his arrogant manner with the verse Isa 9v6. He said "There, Jesus is the Father, it says so!" *I actually felt sorry for him*. This verse obviously does NOT say that Jesus IS the Father... he just couldn't read elementary English. It says 'his name shall be **CALLED**...' This was his 'rock-solid-I've-got-it-all-right' verse & he MISSED the word 'called'. A tragic case of PRIDE with one BIG fall (**Prov 16v18**, Prov 18v12, *Things were too high for Danny-boy* - Ps 131v1). That was his first lesson in humility. But did THAT stop him, of course not, PRIDE takes you deeper into the mire (Jer 38v6, Jer 38v22, Zech 10v5, 2 Pet 2v22), & this kid wallowed in it. Arrogance got the best of him & he sank like a stone. As I've previously stated, if Jesus is the Father (which He is NOT), then He would have TWO wives, as the Father's wife is Israel & Jesus' wife is the Church – that's bigamy, but that's okay for Danny-boy, as his 'god' *can have TWO wives*. I'm surprised he hasn't joined the Mormons, are you? When I quoted 1 John 1v3 & 2 John 3 he didn't want to talk about them... *too right he didn't*, as it PROVES that Jesus is NOT the Father, He is the Son of the Father. This was just too much for ol-Danny-boy & *the pipes, the pipes were calling...*! (pipes were found in whom? Oh yes, the Devil - Ezek 28v13) So what next? I asked him if the **Person** of the Holy Spirit, who IS fully God, revealed this NEW doctrine (1 Tim 4v1, Heb 13v9) to him, & guess what he said... 'YES! *The Holy Spirit revealed it to me*', then he insinuated that I wasn't saved, *don't they all*. I asked him if the Devil was 'one' person or three, as he counterfeits God, but he declined to answer. In fact, all he did was stand on Isa 9v6 & didn't want to answer any of my questions. He then became very angry & started insulting me... par for the course for people who *have no answers*. He said that I took my doctrine from the Roman Catholic Church. He didn't like it when I said that my surname was Davis & so was my dad's, but I was NOT my dad. He didn't like that analogy for some reason. **Jesus is NOT the Father**. He said that the word Trinity wasn't in the Bible... I said the word 'Bible' wasn't in the Bible, he didn't like that either. *See how dumb these babies are?* He's just another man-follower who can't read simple English but wants to try to make a name for himself. I feel sorry for people like him, they amount to nothing in life & have no ministry for the Lord, & no passion to reach lost souls on their way to Hell with the Gospel. They just want to argue, debate & 'puff-up' (1 Cor 8v1).

Danny-boy summed up with this conclusion... '*God the Father is in Jesus Christ, that's why Jesus Christ is God the Father!!!*' There we have it, a nutcase, a fruitcake & a whack-head of the first order. Although his hero (a man) says that you aren't saved if you believe in the Trinity, when I asked him to state that I wasn't saved, he cowardly ran for the bushes & only insinuated it instead. His whole argument was Isa 9v6... that was it, even though nowhere in Isa 9v6 does it say that Jesus IS the Father, it said 'CALLED' NOT 'is'. Danny-boy said that '*Jesus is the Body of the Father although He IS the Father*', can you believe this nutcase? Folks I've said it many times, not all the clowns are in the circus... some of them are on my mailing list. Now let's finish up with *just two* clear verses of Scripture to shut this idiot up...

1 John 1v3 **That which we have seen and heard declare we unto you, that ye also may have fellowship with us: and truly our fellowship is with the Father, and with his Son** Jesus Christ. Jesus is NOT the Father.

2 John 1v3 **Grace be with you, mercy, and peace, from God the Father, and from the Lord Jesus Christ, the Son of the Father, in truth and love.** NOT the Son IS the Father – Jesus is NOT the Father. Imagine if man could fully understand God, he wouldn't be much of a God would he, yet ol-Danny-boy thinks he has mastered the Godhead – PRIDE kills Christians DEAD! Goodbye Danny-ol-boy, I hope that one day you will wake up to reality & realise... *that you are an idiot!*

## The Gap FACT! (Part Eleven)

Continuing from the book 'The Gap Fact' by Perry Demopoulos...

Gen 1v2 **And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.**

### Darkness and God's Judgment on Sin and the Cross

Let's take a look at another verse about "darkness" in the Bible. Jesus Christ was crucified on the cross. Do you know what happened while he died and yet still on Cross? There was darkness, "**Now from the sixth hour there was DARKNESS over all the land unto the ninth hour.**" (Mat 27v45). That was God's hour of judging SIN. And for that it became darkness. Interesting how darkness has to do with SIN and God's judgment! That is still additional revelation to the first mention principle of the word "darkness" in Gen 1v2.

What modern Laodicean Christians think is that the "darkness" in Gen 1v2 is good or at least neutral, or at least not from evil. Then Isaiah has something to say to that, "**Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!**" (Isa 5v20). If darkness was alright in Gen 1v2 then there would be no reason for Him to divide the light from the darkness.

### "Darkness" and "Evil"

For many of the Fundamentalists and Creationists such as Kent Hovind they believe that darkness has no connection with evil in Gen 1v2. The problem with that is that even before Adam fell in Gen 3v6 "evil" is already present "**And out of the ground made the LORD God to grow every tree that is pleasant to the sight, and good for food; the tree of life also in the midst of the garden, and the tree of knowledge of good and evil...**" (Gen 2v9).

Since evil is already present before Adam's fall then we must find somewhere else in the Bible the connection between darkness and evil. Let God speak for Himself –

Job 30v26 **When I looked for good, then EVIL came unto me: and when I waited for light, there came DARKNESS.** Notice how the Holy Bible explains that evil is connected with darkness. There is no need for any commentaries, lexicons, ministries or other explanations for the plain, simple, naked cutting truth.

Isa 5v20 **Woe unto them that call EVIL good, and good EVIL; that put DARKNESS for light, and light for DARKNESS; that put bitter for sweet, and sweet for bitter!** Satan offered to Eve something which was "good for food," (Gen 3v6) but was in fact EVIL. Evil comes from the DEVIL. The devil loves company. Sin loves company!

Jer 23v12 **Wherefore their way shall be unto them as slippery ways in the DARKNESS: they shall be driven on, and fall therein: for I will bring EVIL upon them, even the year of their visitation, saith the LORD.**

Luke 11v34 **The light of the body is the eye: therefore when thine eye is single, thy whole body also is full of light; but when thine eye is EVIL, thy body also is full of DARKNESS.**

John 3v19 **And this is the condemnation, that light is come into the world, and men loved DARKNESS rather than light, BECAUSE THEIR DEEDS WERE EVIL.** This last verse shows concretely that the devil's deeds were evil for there to be DARKNESS. Note one more time the combination of "darkness" with "evil." "**I form the light, and create DARKNESS: I make peace, and create EVIL: I the LORD do all these things**" (Isa 45v7).

### "Death" and "Darkness"

Now for our Fundamentalist friends that would think that death is not the reason for darkness, let the Holy Scriptures, not your interpretation, speak for themselves.

"**Let DARKNESS and the shadow of DEATH stain it; let a cloud dwell upon it; let the blackness of the day terrify it**" (Job 3v5).

"**Before I go whence I shall not return, even to the land of DARKNESS and the shadow of DEATH; A land of DARKNESS, as DARKNESS itself; and of the shadow of DEATH, without any order, and where the light is as DARKNESS.**" (Job 10v21+22)

"**He discovereth deep things out of DARKNESS, and bringeth out to light the shadow of DEATH**" (Job 12v22).

"**There is no DARKNESS, nor shadow of DEATH, where the WORKERS OF INIQUITY may hide themselves**" (Job 34v22).

Notice that darkness and the shadow of death is connected with the "workers of iniquity" – "**For the mystery of iniquity doth already work...**" (2 Thes 2v7).

Jer 13v16 **Give glory to the LORD your God, before he cause DARKNESS, and before your feet stumble upon the dark mountains, and, while ye look for light, he turn it into the shadow of DEATH, and make it gross DARKNESS.**

It is God that causes darkness judging sin. It is God that knows the intentions of men's, and Lucifer's heart and turned it into gross darkness "**but when thine eye is EVIL, thy body also is full of DARKNESS**" (Luke 11v34).

### "Darkness" and "Judgment"

Now having shown from the Bible, (not from commentaries, booklets, lexicons, Hebrew or Greek languages or Webster's Dictionary) that darkness is connected with evil, we will further show that darkness has to do with the judgment of God on sin.

**“For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of DARKNESS, to be reserved unto JUDGMENT” (2 Pet 2v4).**

**“And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under DARKNESS unto the JUDGMENT of the great day” (Jude 1v6).**

These two verses are revelation as to what happened to the angels that sinned during Noah’s flood. But it is also ‘added revelation’ to show also that God judged the sons of God that fell with Lucifer in Gen 1v2. Those that fell in Gen 1v2 were confined to the second heaven. They could no longer get back into the third heaven. They were judged and lost their intended habitation. Not only that they will be judged at the Great White Throne Judgment. Every born-again Christian that ever lived during the Church Age will judge angels.

The question has been asked, “Then what was the purpose of a flood if Lucifer and the sons of God sinned? Why would God judge His creation?”

Well, the answer to that is quite simple. God flooded the earth because of sin during Noah’s time and started all over with just eight souls. So therefore, God flooded the heavens and the earth to start all over again with a re-creation (Gen. 1, 2). Our brethren twisted the purpose of “darkness” and made it a part of creation (positive) when in fact all of our verses that are linked with Gen 1v2 have to do with God’s JUDGMENT (negative, 2 Tim 2v15) upon that which He created.

The past is also mentioned in the future and the future teaches us of the past. Because of sin God intends to start all over again with a new heavens and a new earth (Rev. 21, 22). What was so hard about that?

If that weren’t enough, how could our brethren miss all the references where “darkness” and “judgment” are mentioned right in the very same verses? Look at Psalm 97v1-4 – **The LORD reigneth; let the earth rejoice; let the multitude of isles be glad thereof. Clouds and DARKNESS are round about him: righteousness and JUDGMENT are the habitation of his throne. A fire goeth before him, and burneth up his enemies round about. His lightnings enlightened the world: the earth saw, and trembled.**

This is such a clear passage that only the untrained eye and a spiritually unexercised person could miss what is written here. Notice that the context is dealing with the Second Advent of the Lord Jesus Christ and His reign on the earth (v. 1). Verse two speaks of the “clouds,” “darkness” and “JUDGMENT” (v. 2) connected with “fire” that burns up his enemies (v. 3), with JUDGMENT right in the very context. “Clouds” (v. 2) and “fire” (v. 3) create “darkness” and the “darkness” is connected with “JUDGMENT” Very simple!

Let’s go to yet another passage – 2 Samuel 2v8-12 **Then the earth shook and trembled; the foundations of heaven moved and shook, because he was WROTH. There went up a smoke out of his nostrils, and fire out of his mouth devoured: coals were kindled by it. He bowed the heavens also, and came down; and DARKNESS was under his feet. And he rode upon a cherub, and did fly: and he was seen upon the wings of the wind. And he made DARKNESS pavilions round about him, DARK WATERS, and THICK CLOUDS of the skies.**

If you were to read further (vss. 13-17) you would see that the whole passage is dealing with the JUDGMENT of God and NOT with creation. It’s quite obvious!

Notice that all of these passages have absolutely **nothing to do with creation**, as Kent Hovind would have you to think that is what happened in Gen 1v2. Absolutely NOT! Darkness has everything to do with JUDGMENT in Gen 1v2 and all the verses that we’ve discussed. They all link together. They are all tied into a great networking of revelation concerning God and Who He is concerning His character and His attitude of JUDGING SIN and the RESULT of that judgment. The Book is TREMENDOUS! In Joel 2v2+3 we read – **A day of DARKNESS and of gloominess, a day of clouds and of THICK DARKNESS, as the morning spread upon the mountains: a great people and a strong; there hath not been ever the like, neither shall be any more after it, even to the years of many generations. A fire devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them.**

Notice again that the DARKNESS is connected with “clouds” and “THICK DARKNESS” (v. 1) and “fire” that creates a cloud of smoke. To think that darkness is connected with creation in Gen 1v2 as Hovind, Ham, Tabb, Morris and company think is to say that black is white, green is red, and 1+1= 3. **These men are wrong!**

### **Not talking...**

I try to give everyone a chance, I really do. Like you, I meet lots of different people & through the ministry, we are in contact with Christians worldwide. It is a blessing to be able to impart (Rom 1v11) something spiritual, physical or even mentally, into another person. It’s also a blessing to have this reciprocated also, as we are here to help one another aren’t we. I don’t go looking for fights & contentions (Prov 13v10, Prov 17v14, Prov 18v6, Prov 22v10, Acts 15v39, Prov 18v19, 1 Cor 1v11), to be honest, I try to avoid them, but as you know, having the kind of ministry we do, it certainly does stir up or gender strife at times (2 Tim 2v23, 2 Tim 2v16, Titus 3v9). I’ve also noticed that those who are in regular contact, but then stop, oftentimes start backsliding. All is going well, but then, silence. If you are struggling TALK... to the Lord first, then to another Christian. Don’t just run away, hoping things will get better. There are too many isolated Christians trying to be totally independent & walking alone. Most of the time they turn out for the worst & go off at tangents (see 99% of YouTubers). Christian fellowship is vital for a healthy Christian walk, we need each other. Let’s overlook each other’s faults & focus on what we can bring to our relationship. I can have fellowship with Pentecostals even though I think they’re NUTS!

**The following is a letter that our printer (Chris) has sent to his whole family, which I thought was excellent.  
Have you written to all your family members yet?**

**Leave or Remain – an altogether different choice - No, not more Brexit!**

Dear \_\_\_\_\_,

Please forgive the intrusion. This is a one-off letter, I will not trouble you again unless *you* ask me to BUT it does involve a far more important decision than Brexit and is one where each of our individual choices directly impacts our eternal destiny. Some years ago, after the loss of my 14 year old son in a road accident, I (*a hypocrite and the worst of sinners*) called out to God in my distress. Some 13 months later He led me to become a Bible-believing Christian – I am so glad that He heard my cry. Thankfully, I had always believed in His existence (feeling the evidence is incontrovertible) but had become disillusioned with my religious upbringing. Little did I then know that He equally has no time for religions of **any** kind (all, without exception, being at best man-made institutions). The choice of religions may appear to allow one to indulge in a pick 'n' mix approach but do all roads lead us to God?

Jesus taught otherwise: it's **faith in Him**, not religion, (not even membership of any church, denomination or organisation) that saves! He said "*no man cometh unto the Father but by me*". If properly examined, I believe that the evidence for His existence, His claims and total uniqueness are all equally solid (*His divinity, His life, death and resurrection*) and feel that I would like to share with you the urgency of each of us making a decision. For this world is rushing headlong towards a crisis the like of which it has never known ...*and in any case*, none of us know if we will even see tomorrow! The Gospel is so simple it almost seems too good to be true - all God wants from each of us is to cast off our prejudices and examine our need for a Saviour. Jesus taught that we are all sinners - each one of us - and despite our best efforts could never stand before a just and holy God and claim to have led perfect lives! Our sins, no matter how few, or minor in our own eyes, would condemn us to an eternal separation from Him. However, because God is perfect and, because of His great love for us, He made a way (**the only way**) to reconcile us to Him by sending Jesus to pay the price for our sins. Jesus poured out his blood in a cruel and agonising death on the cross for those who accept his free offer of salvation. **Once we accept Him, He will never let us go**, though we may still on occasions fall and fail to please Him – yet amazingly, it always remains an unconditional offer of eternal security! It is not dependent on our good works but entirely dependent on what He has done for those who accept Him.

Now, in 2019, the whole world is groaning: man has set himself up as his own god, no longer needing the one and only true God, yet despite this, we can't seem to get anything quite right: government is failing, family breakdown increases, morality decays, lawlessness abounds, drugs, drink and violence rule. But all is not lost, the Bible tells us how to be aware of the times and seasons we are living in; it teaches what the world will be like in the last days and that Jesus will soon return, first for those who believe; we (*His followers*) will soon **LEAVE** to be with Him. This will be followed by 7 years of unmitigated trouble on earth – initially under the promise of peace but it will soon prove to be false and utter terror will prevail.

If you decide to ignore this letter as the ramblings of a madman, and thereby to **REMAIN** in your current belief (*or unbelief*), please keep this letter in your memory, as only those who are not taken in by the changes that are coming to this world, will be able to escape. Please do not under any circumstances accept any mark or implant to enable you to buy, sell or be tracked but rather look to Jesus for your only hope. There's much more I could say but should this spark your interest, I would be happy to talk with you some more or better still, suggest you get hold of a King James (AV) Bible – *the only uncorrupted version* – where you will find **all** truth.

Sincerely, Chris.

**Matt preaching...**

I like to give everyone I can opportunities to preach & teach the Scriptures if they would like to. I loved it when I was a young Christian & given an opportunity to preach or give my testimony. Recently I have encouraged Matt to preach, & so far he has done three times, all of which have been very good. To have a 23 year old guy talking about Jesus Christ & the word of God is wonderful to see & hear. To think from where he came from, to where he is now, is quite something.

**The Godhead – by Jack Moorman**

Although I don't agree with this guy regarding his teaching on salvation in the different dispensations (like Stauffer also) I thought I'd include his doctrinal statement regarding the Godhead aka the Trinity, which I **do** agree with...

*Jack Moorman writes...* God is a Trinity. He is not three gods (tritheism). Nor is He one God manifested as three personalities (modalism). He is one God, eternally existing in Three **Persons**, - Father, Son and Holy Spirit. This is a truth impossible to comprehend yet clearly taught in the Bible. These Three are identical in essence, equal in power and glory, having the same attributes and perfections, and being worthy of the same reverence, confidence and submission (Deut 6v4, Mat 28v19+20, Luke 3v22, 2 Cor 13v14, Eph 2v18, 1 John 5v7). **Jesus is NOT the Father.**

**Take away YouTube & what does Fake-Pfenny & Breaker actually DO for the Lord?  
10 to 1 they won't answer that question or make a video about it will they?**

### What a wonderful email to receive...

Hey John, just wanted to say that I'm very thankful for you, man. I was emailing Gene Kim earlier and telling him about how I used to be a big John Piper/Desiring God/Gospel Coalition disciple (he put out a video today about celebrity Christians to watch out for), and how the Lord used you in a big way to help straighten me out. I thought I'd just let you know the same by way of encouragement. I had always been an AV reader, but I assured everyone I met that it was only because I am also a big fan of Shakespeare. I had no problem "correcting" it as needed. I certainly DID NOT receive it "as it is in truth the word of God." To me, it was only a pretty good representation of the general idea of what God probably said. It was in no way the "sure" word of God to me. I can still remember stumbling upon your YouTube channel around the spring of 2014 or so and I heard the sermon "A Warning to Ministers." I remember thinking, "I wish my pastor talked like that" (and also that he didn't hit a single one of the 20 marks you set) and thankfully it made me start to be more critical of the things that he said (Acts 17:11) until we ended up leaving. I started listening to your sermons every day at work and loving them, and then one time you were talking about something, I forget, and you said, "this Book is PERFECT" and you shouted the word "perfect." I remember being shocked by that in a way that was convicting. I realized that all my life I had said God's word was perfect, but that I only meant it in THEORY. In practice I "knew" that it was translated by men and had "plenty" of errors in it. I certainly DID NOT believe that it was perfect. Now I don't think that at all. I believe every word and punctuation mark and capital letter of that blessed Book. I wouldn't change a bit of it if you paid me to. It has changed my life and the life of my family in a wonderful way, even though I've gotten into plenty of trouble over it and lost friends etc because of it. Today, I truly stand in "awe of thy word" in a way that I never had until you kicked me in the pants.

Thank you, man. Love you. Jacob. **"Thy word is true from the beginning, and every one of thy righteous ordinances endureth forever"**

### Meeting with a very successful Managing Director in the Automotive trade...

An email appeared in my inbox from an MD of a large engineering firm saying that he thinks he may be able to help me regarding the production of Gospel coins. At first, I thought it was spam, but it wasn't. I responded to his email & the next day Donna, Dee & I were sitting in the board room of this company that deals in million-pound contracts to the automotive industry e.g. Jaguar / Land Rover talking about Gospel coins!!! It was quite bizarre. It's amazing how the Lord opens doors & where he takes you. We spent a good 45 minutes talking with this man, which was fascinating. He wasn't sure if he could hit our required price point but said he would give it a go & work out some costings & get back to us. It was a great time & both him & the receptionist both took a tract pack each before we left. It would be wonderful if they got saved & were able to start producing our Gospel coins.

### Do you ever think about your pastor?

He studies each week & prepares sermons to bring to you on a regular basis, do you know how many hours that takes? He arrives at church, usually being one of the first to get there, & prepares for the meeting. The way YOU arrive, with your attitude, will affect him & the others there, so make sure you come to church with the RIGHT spirit... **to worship God, learn the Scriptures & have Christian fellowship with your fellow brothers & sisters.** Do NOT come with your moods & attitudes, your carnal worldly desires, & make sure you have your children under control. There is nothing worse than when you are trying to prepare for a meeting & there are kids running around making a racket. Get your kids under control, sit them down, make sure they know how to behave in church. I know very few parents who can control their children, most let them run wild. By doing so, causes friction & contention with other members, so THINK about **others** for a change. Go out of your way to help & support your pastor & those around you. I know many pastors who don't really get much help & support from the members of the church, that's terrible. How are you helping in your own local church?

### Repercussions... James 4v17

(Repercussion - *an unintended consequence of an event or action, especially an unwelcome one*). What are the repercussions of YOU not doing what you should be doing? How does this affect people around you, your family, your work colleagues? How does it affect YOU? No one may know, BUT YOU KNOW. You KNOW what you should be doing, but you're NOT doing it. If we are all part of the Body of Christ, then we should all be pulling our weight shouldn't we, to help the team? So why is it, that most Christians are lazy & NOT doing what they should be doing? This will result in repercussions. Others will have to work harder; people will miss out because of your neglect. Look at your own life (1 Cor 11v28, 2 Cor 13v5, Ps 26v2) & see what problems you are causing because you are not pulling your weight.

### Tracting in Bourne End & Iver today...

Well in-between appointments today we were able to get out over 100 Gospel booklets in these areas. As you know, we try to distribute our tracts everywhere we go. It only took around half an hour before we had to attend our next appointment. May we all try that little bit harder to get more tracts out. **The sower soweth the word.** Mark 4v14. **The Lord gave the word: great was the company of those that published it.** Ps 68v11

### Why do flowers close up at night?

As many of you know, we haven't bought a house, we rent instead. Therefore, we have inherited the garden as it is, & even though it's a lovely small to medium size, it is low maintenance, which is what we want & need. That being said, the previous owners had planted all kinds of flowers etc. one of which are tulips. As I got into my car during the morning, I noticed they were all open & out, pointing towards the sun. When I returned early evening, I noticed they were tightly closed, 'ready for bed'. It amazed me to be honest & I thought how wonderful the Lord is with all his laws that govern nature. I then typed in Google 'Why do flowers close up at night?' & this article from a scientific website came up...

*If you've ever taken a late-night stroll through a garden, you may have noticed that certain flowers, much like people, tend to retire after the sun goes down. But flowers that close up at night, such as tulips, hibiscus, poppies and crocuses, aren't sleepy. They're just highly evolved.*

#### **What a load of old TOSH!**

*Plants that tuck themselves in for bedtime exhibit a natural behaviour known as nyctinasty. Scientists know the mechanism*

*behind the phenomenon: In cool air and darkness, the bottom-most petals of certain flowers grow at a faster rate than the upper-most petals, forcing the flowers shut. If that is the reason, then God created the law & instilled it into the genetic makeup of the flower.*

*But scientists are not quite sure why (!!! You're telling me they're NOT quite sure!!!) some plants, particularly flowers, evolved (Evolved my left foot!) this way. There are several theories, though. Charles Darwin believed that plants close up at night to reduce their risk of freezing. (Sounds probable, but that's because God built this into them!) Another theory suggests that nyctinastic plants are conserving energy — and perhaps their odour — for the daytime, when pollinating insects are most active. (Again feasible, but only because God wrote that law into that plant).*

*Some scientists (1 Tim 6v20) believe that this self-serving behaviour prevents pollen from becoming wet and heavy with dew. Insects can more easily transfer dry pollen, improving a nyctinastic plant's likelihood of successful reproduction. (Believable, & if so, it's because God wrote the rules that govern our universe).*

*And one fascinating idea holds that nyctinasty is a highly evolved defence mechanism against a plant's nocturnal predators. By closing up tight, the flowers in your garden create a clearer view of the ground for night-time hunters, like owls, who kill off flower-munching herbivores out looking for a midnight snack. (Maybe, but God did it by creation & design, not evolution by time & chance). The dumbest 'religion' I know is evolution. To think that everything got here by chance & mutations over time is insanity!*

Well it's been a great year for us, thank you Lord. Cristian & Liz have been a great help to us & brought a lot to the table with their I.T. knowledge etc. Liz, the JDA 'Office Manager', is really running the diary now, & sending us all over England. She is very thorough & professional, & even though she has stepped out of her comfort zone, is making headway into getting to grips with just how frantic the business life can be. She has also started making calls now, which will be a big help, as well as emailing customers. Both Cristian & Liz also attend trade shows with us & have become

integral members of the JDA team. As you know, the Lord, through JDA, finances everything we do, including 99% of Time for Truth! We all work very hard, put in long hours & drive 50,000+ miles a year, to bring in the money needed. We are very blessed to be able to work for ourselves & do what we do.

### Millionaires & charities...

You often see millionaires giving money to charity, I also see this with 'rich Christians' who do the same, e.g. set up schools in Africa, or feeding the homeless etc. You hardly see rich Christians throwing their money into getting the Gospel out do you? Why is this? Now don't get me wrong, I think Reinhard 'Bonkers' Bonnke is a Pentecostal NUT, but one 'vision' he did have which impressed me at the time, was when he sent a Gospel booklet to every single home in the whole of the UK. It cost him & his organisation millions. The booklet wasn't very good to be honest, but the idea was excellent. To think what some of these millionaires COULD DO if they were only Gospel orientated.

### What's IMPORTANT to you...? (Time to think)

Grab a pen & a piece of paper & **being as honest as you can**, list down the 10 most important things in your life. Now go through the list & think deep about it. Leave it a few days & go over it again. Would you change anything? If so, why? Last week I asked our church this question 'What don't you understand about life?' You may want to try that one too?

## TIME by Donna

Well I don't know about you, but oftentimes I feel 'beaten' by the clock! There is always so much to do, and I want to just be able to stop time, but it's not possible. A day starts, finishes, a new month starts then finishes, and on it goes and I can't do anything to slow it down. None of us can. Just like the Lord controls the weather, he keeps that clock ticking forward, moving on and nothing we say or do is going to change that.

My life is so good, and I feel extremely blessed, blessed beyond measure. There are many days that are just so enjoyable I don't want them to end. The nature of our job has many advantages, one being that we visit so many different areas of the country, north to south, and on a sunny day, with each other to share it with in the car, it's perfect. As I write this particular part I am sat outside Belvoir Castle (look it up and see for yourself what an incredible castle it is and how beautiful the grounds are surrounding it) The sky is lovely and blue, the drive here was through country roads with lawns that have been freshly cut, roses growing up quaint little cottages, lambs skipping in the fields, tulips taking in the sun and all kinds of trees which have been here longer than I've been born and will continue to stand and change as the seasons come and go. It is so important to 'take time out' and to 'look around' and appreciate all we see and enjoy it. None of us are guaranteed tomorrow. None of us are guaranteed to be in the same state of health we are today, tomorrow.

As we're all the same, though different, I was thinking what 'times' we experience/go through in life... I'm sure we can all relate to some of the following, summed up in Ecclesiastes 3v1-8. Times of happiness, sorrow, grief, sadness, loneliness, illness, pain, uncertainty, disappointment, opportunity, excitement, fear, nervousness, bereavement, strength, weakness, self-pity, compassion, comfort, change, trust, anticipation, dread, peace, reflection, discipline, contentment, frustration, patience, laughter, tiredness, giving, sharing, relief, thankfulness, recovery, longing and the list just goes on. It's interesting that each of us will have dealt with these 'times' in different ways depending on our personalities, our up-bringing influences, childhood, current situation in life and of course how we are in relation to our Christian walk. If we're close to the Lord, no matter what we experience, we will cope so much better and with the right frame of mind and understanding than if we feel we are walking alone, due to our coldness and distance towards the Lord.

Something often happens through each of these times we experience and go through; we can learn a lesson in life, our characters are changed/challenged, we are forced to evaluate, step back/move on, we learn more about ourselves, others, life itself. We gain understanding/experience for future situations/trials so all is necessary and needed despite how we may feel.

I wonder what the best/worst time of your life has been so far and why? Isn't it interesting in life that we constantly must press forward? Whatever our experience has been we can't go back and replay a particular situation or event even if we wanted to, and if we tried, it wouldn't be the same. We change, people change, places change, circumstances change; going back is not an option and can oftentimes bring us down with feelings of regret. The past is gone, we have today – let's focus on today.

With your 24 hours in each day, do you ever feel challenged with what you do with the time you have been given? How much of it is given to or in consideration of others. How much is spent talking to the Lord and developing your relationship with Him? How much is on foolish pursuits? How much is on things we would prefer not to do but are necessary?

When we have time off work, we often set ourselves targets of what we'd like to achieve during that time, when we are out of our usual routines. I find it very interesting that you can think you will spend more time reading, prioritising, focussing on things that really matter etc. but I have found personally that that doesn't work at all and it highlights to me, especially regarding my walk with the Lord, that I need daily to love Him more, to walk closely with Him and to read His word. If I wait till my next holiday to get this right, I'm wasting each day I have and ultimately wasting time.

Isn't it strange to think we all have an allocated time on this earth? None of us know when our time is up. When our last day will be. I wonder how different we would spend our time if we did know. What changes we would make, what our mind-set would be like, what things we would consider more important knowing we have little time to achieve a particular goal or carry out something we know we should do but keep putting it off.

It's interesting how words are used and in what context...

Job 7v1 Is there not an appointed **time to** man upon earth? are not his days also like the days of an hireling?

Ps 27v5 For in the **time of** trouble he shall hide me in his pavilion: in the secret of his tabernacle shall he hide me; he shall set me up upon a rock.

Ps 119v126 It is **time for** thee, LORD, to work: for they have made void thy law.

Eph 5v16 Redeeming **the time**, because the days are evil.

Whatever your age, situation or circumstance in life, you can do absolutely nothing about the time that has passed, but from this moment forward we all have a choice and a responsibility before the Lord how we spend our days. I hope we can all take time out to consider where we are at and where we know we should be, then address any areas in our life that need sorting and move on. What time is it in your life? Time to, time of, time for...? Remember the clock will keep ticking...

### If you don't who will?

Have you sent out a Gospel tract to everyone in your family yet? Have you tracted the road where you live? I hope you all have, but if you haven't NOW is the time.

### Knife crime offences at record level in 2018, police crime data shows...

Knife crime in England and Wales rose to record levels last year, data shows. Police recorded **40,829** offences involving knives or sharp instruments in 2018, up 6% on the year before. The Office for National Statistics said cases of murder and manslaughter, excluding terror attacks, increased by **12%**. There were 732 killings, up from 655 in 2017 - the highest since 2007. **This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God;** 2 Tim 3v1-4. This world we live in is fierce.

### Broken people everywhere...

Everywhere you look there are sad & broken people needing help, love & encouragement. More than that, they all need the Lord Jesus Christ guiding their lives. Sadly, even the majority of poor people who have nothing to lose, will still NOT turn to Jesus Christ for salvation, & for Him to lead them in the future. Why is that? What is stopping these sad, isolated, broken people, coming to Jesus Christ for help? The answer is the same as it was in the beginning, it's PRIDE. Pride will stop you believing & following the Lord... PRIDE will lead you to HELL. **Every one that is proud in heart is an abomination to the LORD: though hand join in hand, he shall not be unpunished.** Prov 16v5. **He that is of a proud heart stirreth up strife: but he that putteth his trust in the LORD shall be made fat.** Prov 28v25, see also Rom 1v18-32, 2 Tim 3v2. With the amount of times the Bible speaks about pride & arrogance, you would think that somehow, over the last 2,000 years, people would realize that PRIDE is the biggest stumbling block in a person's life. But sadly, the human race learns very little about what is right, as it learns very little from 'history'... *because 'we' have rejected the word of God, & that is the final nail in the coffin* - Isa 5v24, Num 15v31, 2 Chron 36v16, Amos, 2v4, 1 Sam 15v23, 2 Kings 17v15, Jer 6v19, 2 Kings 22v8+11+13 (2 Kings 23v1-3), (Ps 12v6+7), Ps 107v11. Reject God's word & that is THE END, there is no hope for you.

Does your heart not feel *compassion* towards these people? Why is it that so many Christians have become hard-hearted? Where is the love & willingness to help, in the Christian life? What has happened to us? Why are so many Christians consumed with attacking each other rather than trying to reach all these broken people? Are you hard-hearted? Don't you care? If not, why not?

### Short Time...

The words 'short time' occur in only two verses of Scripture - 1 Thes 2v17, Rev 12v12. We often think about elderly people only having a short time left in this life (Gen 27v1+2, Read Ps 37 & 49, 1 Kings 1v1), yet it could be us also. Time is so precious, that's why we shouldn't waste it. The Lord has built into us to think differently at different times in our lives...

**When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a man, I put away childish things.** 1 Cor 13v11. Read also Ps 119v59, 2 Cor 10v5. How we 'think' determines how we live & what we do etc. Knowing that we have a 'short time' ought to make us trust, reflect & do as the Lord wants, shouldn't it? None of us know WHEN our day will come... *will we see tomorrow?* That's why it is so important to get our *thought life* right & to keep focused on the Lord, especially as the end is near. I can't think of anything worse, or more terrifying, than going through death without the Lord - Ps 48v14. Make every day count... for the Lord.

### Social Media

Tik Tok, Snapchat, Facebook, Instagram etc. - I know hardly anything about them, I'm not 'on' them, I don't intend to go 'on' them, my life doesn't 'need' them, I'm very happy & content *without* them. But I'm in the minority it seems. Tik Tok is now worth \$17 Billion. It seems there are billions of people using social media to talk to each other. Now for those of you who are 'on' social media, how are you using it? Do you use it to get the Gospel out to your friends & family? If not, you are wasting such a great opportunity. Think about it, you have a captive audience who are watching & listening to YOU. Make sure you are not squandering open doors that are presented to you, whilst posting *pictures of your dinner* on there instead. Sadly, in this day & age of living in a fantasy world, the real world is going to Hell at a rate of 154,000 dying every day. If you're more interested in writing about yourself, & expressing yourself, & taking pictures of yourself, rather than pointing people to their ONLY HOPE, the Lord Jesus Christ... shame on you. Think of what better ways you can USE social media & the platforms you are on. DON'T waste TIME or OPPORTUNITIES, use them for the Lord.

### Disappointing...

Like you, I get very disappointed with others. I try to give everybody chances to prove themselves, as I'm sure you do. But there are just some people, you try to help & encourage, & they just let you down & show no support or help. Sadly, I have to let these people go. I haven't the time to chase anymore. If you're not interested in helping, supporting & being a friend, I haven't the time for you either I'm afraid. Recently I have let a few people go, as they are too sensitive, too much like 'attention seekers' & if you don't give them the 'attention' they think they 'deserve', they get all moody & go quiet on you. YOU know who you are, & I have no time to play games anymore. YOU'RE OUT! Live your life as you think is best. I'm done! Relationships can be such hard work at times when there is no need for them to be. *'Friend or foe', the choice is yours.*

Flags Collected: 159

We have now had **159** countries visit our website with over **23,950** from just the UK alone. It's also great that **491** people have also subscribed to the **Tft! YouTube channel**. We are doing what we can to get the word of God OUT. Our tracts, booklets, books, & sermon CDs, along with KJV Bibles, are being distributed worldwide. It still amazes me where all this material lands up & who contacts us & from where. The main thrust of our ministry is to get the Gospel out to sinners everywhere we can. We don't use gimmicks, we don't beg for money, we work hard, the Lord blesses us & because of this, we sow our money into the Gospel. For those of you who support the work we do, your money goes on the same, getting the Gospel OUT. I find it quite incredible that so many people have visited our website & made contact with us. Our tracts are being distributed now in many countries, which is such a huge encouragement, seeing as each one is a little missionary travelling overseas with the message of the Gospel. We continue to pray for openings & new ventures where we can do more for the Lord. If you have any ideas, on how we can team up in any way, to be more effective for the Lord, then let us know. Can we link with each other on social media to further getting the Gospel out? Can you come up with any other ideas on how we can reach the world, the masses, with the Gospel? I know nothing about technology, but I'm surrounded by people who do, what ideas can you come up with to reach these millions of lost people? Here at **Time for Truth!** we are open to any suggestions anyone has to win more souls to the Lord. Can YOU help in any way?

So, with the time that we have left until the Rapture, what changes are you going to make to help win more souls to the Lord, how & what are YOU going to do? What CAN you do to help? Think about it. If you won't or can't go yourself, you can help others to can't you? Prov 11v30.

## Do you speak in 'Tongues'?

Do you know WHAT tongues actually are in the Bible? They are NOT some incomprehensible incoherent gibberish that no one can understand, they are KNOWN 'languages' of the earth, do you understand that? If you think that you speak some sort of 'heavenly language' that no one understands, then you are either a self-deluded fool, a LIAR or a DECEIVER, it's as simple as that. Take your pick, but that's the truth of it. Now if you are not grounded in the Scriptures, you don't understand dispensationalism & therefore can't rightly divide the word of truth (2 Tim 2v15), then okay, I can understand why you get this wrong, but you are STILL lying to yourself, pretending to others around you, & because of pride you will not listen to the actual truth. No one today 'speaks in tongues', especially this nonsensical gibberish Pentecostals claim to. Grow up, admit you were wrong, & move on, grounding yourself more & more in the Scriptures.

### TfT! NEWS helps keep people on the path of truth...

Many thanks John, you have confirmed my thoughts - I listened to the first 10 or so of his YouTube videos on pre-trib which I linked to from your website and found them very good - he made some useful points. Then looked at some of his other stuff and pretty much came to my usual conclusion when I end up saying to myself 'he's just a man - don't put everything he says up on a pedestal!' I've even heard Robert Breaker teaching some good stuff BUT **thanks to your newsletter** have come to understand where he goes off into hyper-dispensationalism - he sometimes **almost** seems to have more regard for Paul than Jesus!!! I had always had something of a check in my spirit about him - PTL for the gift of discernment.

### Quite incredible!

Nazi ridden Germany was a terrifying place. Any act of defiance was punished cruelly. A single act of bravery stood out against a backdrop of blind compliance. The infamous Nazi Salute was adopted by the party in the 1930s and was a 'compulsory' greeting for all Germans as a sign of demonstration of respect and loyalty to the Fuhrer. During the 1936 rally, in the presence of Hitler himself, one man, August Landmesser refused to salute. August Landmesser joined the Nazi party in 1931, slowly working his way up. But just two years after

joining, Landmesser met Irma Eckler, a Jewish woman and fell madly in love, swiftly proposing to her in 1935. Nothing remains secret in Nazi Germany, and word soon spread of Landmesser's engagement to Eckler, his love for a Jewish woman led to his expulsion from the Nazi party. Eckler and Landmesser filed a marriage application in Hamburg, but it was denied under Nuremberg law - a set of rules enforcing Jewish exclusion and further limitation of Jewish rights. Landmesser and Eckler welcomed a little girl, Ingrid in October 1935. Less than a year later Landmesser crossed his arms during the famous 1936 rally, in what would become one of the most famous photos taken during the second World War. As Nazi Germany became more and more powerful, Landmesser saw the need to escape with his family. He attempted to defect to Denmark with his wife and child. However, were unfortunately stopped and detained at the border. Landmesser and his family were charged with "dishonouring the race" and "racial infamy." Due to lack of evidence, the case was dropped a year later, and Landmesser was ordered to end his relationship with his beloved wife. Unwilling to leave her, Landmesser once again defied the Nazi regime. This led to his eventual imprisonment in 1938 and a three-year sentence in a Nazi concentration camp. August Landmesser would never see his wife or child again. Eckler, who was several months pregnant at the time was arrested and taken to a concentration camp by the secret police. She gave birth to Irene, the couple's second child. Soon after, Eckler was transferred to one of the Nazi's death camps where she was murdered with 14,000 others. Landmesser worked a few jobs after his prison sentence, before being forced to join the army in 1944. Landmesser was declared missing in action months later. **(Taken from National Geographic)**

When was the last time you took a stand for what was right? What kind of pressure were you under? Your life wasn't on the line was it? What was the worst thing that *could* have happened to you? There are times I guess, when we all will take a stand for what we truly believe in, but in this day & age, it's becoming increasingly difficult with the pressures that are mounting up upon the Christian. We all feel as if we are losing our liberty & freedom, & the 'powers that be', have got it in for us. This is true, but we still need to fight the last few battles until the Rapture.

### Getting the Gospel into Prisons...

How many times have I mentioned previously at how hard it is to 'get into prisons'? Well, after such a long time, we have now been able to get some of our tracts, the Christian Soldier's Battle Notes & KJV Bibles, to a couple of prisoners. The system, but mainly the 'chaplains' can you believe, have been the hindrance (1 Cor 9v12, Luke 11v52, Rom 15v22, 1 Thes 2v18), so this time we have explained this to the prisoners themselves, & said that we will ONLY send them literature through their families or friends, which seems to have worked on the first two. Hopefully, these tracts will get distributed inside the prison & more prisoners will get saved & contact us. Some of these prison chaplains will have the biggest shock of their lives when they stand before the Lord, as most of them have stopped the Gospel getting to these people. They'll certainly get what they deserve. Acts 24v23 **And he commanded a centurion to keep Paul, and to let him have liberty, and that he should forbid none of his acquaintance to minister or come unto him.** Acts 27v3. 2 Cor 3v17 **Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty.** See also Gal 5v1 - There is only liberty & freedom IN CHRIST.

### **Soulwinning Notes from Ezekiel by Jacob (TFT! USA)**

Although this passage was directed to a Jewish prophet dealing with a Jewish audience, there are some good practical applications that can be made with regard to soulwinning. This is an area that I've been asking the Lord to give me boldness in and get "better" at, so reading through this passage was a great help to me.

**v3 And he said unto me, Son of man, I send thee to the children of Israel, to a rebellious nation that hath rebelled against me: they and their fathers have transgressed against me, even unto this very day.**

**v4 For they are impudent children and stiffhearted. I do send thee unto them; and thou shalt say unto them, Thus saith the Lord GOD.**

**v5 And they, whether they will hear, or whether they will forbear (for they are a rebellious house,) yet shall know that there hath been a prophet among them.**

**v6 And thou, son of man, be not afraid of them, neither be afraid of their words, though briars and thorns be with thee, and thou dost dwell among scorpions: be not afraid of their words, nor be dismayed at their looks, though they be a rebellious house.**

**v7 And thou shalt speak my words unto them, whether they will hear, or whether they will forbear.**

**v8 But thou, son of man, hear what I say unto thee; Be not thou rebellious like that rebellious house: open thy mouth, and eat that I give thee.**

**v9 And when I looked, behold, an hand was sent unto me; and, lo, a roll of a book was therein.**

**v10 And he spread it before me; and it was written within and without: and there was written therein lamentations, and mourning, and woe.**

There are several things from this that seemed to be aimed right at me as a Christian in the church age, and I believe you too if you know the Lord.

v3-4: 2 Corinthians 5:20 says that **"we are ambassadors for Christ"**, We've been sent to a **"rebellious nation"** of **"impudent"** people that are **"stiffhearted"** and resent what God has said about them and about Himself.

We're to **"Preach the word"** (2 Tim 4v2) and speak **"the oracles of God...that God in all things may be glorified through Jesus Christ..."** (1 Pet 4v11) We're not to water down the gospel message to make it more palatable to self-righteous people trusting in their own works, but to say **"Thus saith the Lord..."** while telling them what God says about **"sin, and of righteousness, and of judgement"** (Jn 16v8) then allowing the Holy Spirit to reprove them of those things so that they will hopefully see their need for a Saviour and trust the Lord Jesus Christ to save them.

v5: It doesn't matter whether they like it or not, give them God's words. Some years ago, there was a chubby little Kenyan school teacher, a saved man, who went to the doctor for a check-up. The Doctor said, "You're fat and you'll die young of heart disease if you don't lose some weight." (Wish we could get some Dr's like that here in the U.S.!) The school teacher took his advice and immediately began walking, then jogging, then running. Once he reached a healthy weight he started to TRAIN for a race. Turns out he was really good at distance running and began to win all kinds of races. He eventually won the Boston Marathon which is a very prestigious race that attracts top runners from all over the world!

Now imagine if that Doctor would have said that he should eat a little less red meat, or more salad, etc instead of telling him exactly what was wrong with him? I for one, want to be like that Doctor and "give 'em the business!"

v6-7: **"In the world ye shall have tribulation: but be of good cheer; I have overcome the world."** (Jn 16v33) This won't be easy, and in fact it will probably be pretty awful at times. But man, I always like to know what I'm getting into. I love how the Lord always shoots straight with us and doesn't sugar coat anything. Back in World War 2 veterans of the "3<sup>rd</sup> Army" loved to say that they had "rolled with Patton." I sure wouldn't want to march with Allah or Bhudda (no way that guy could keep up!) or the "jesus" that the prosperity preachers talk about! I'm so glad that we're taking orders from the Lord Jesus Christ **"who loved us and washed us from our sins in his own blood"** (Rev 1v5). There's nothing like serving under an officer that truly loves you and would lay down his life for you. It brings out the very best in everyone in the unit. The Lord has already done that and I'm so thankful to Him for it, so into the fray! Let no one escape!

Also, don't let the words of **"rebellious"**, hard hearted Christ rejectors or the dirty looks that they shoot your way get you down. If we're giving them God's words we're doing our job!

v8: Don't be rebellious and not do what God said! Whew, that's convicting for me. I want to be a good **"ambassador"** even if the people don't like what the Lord has to say. It's hard sometimes making a fool of myself, but once we're with the Lord I don't think I'll regret it one bit.

v9: He's given us a Book to equip us in the work He's asked us to do. Like a King commanding his soldiers to go fight dragons, and then giving them each a razor sharp broadsword that can cut through the toughest dragon hide, He's given us **"...the sword of the Spirit, which is the word of God"** (Eph 6v17) Furthermore, it's **"perfect"**, **"sure"**, **"right"** (Ps 19v7-8), and is **"true and righteous altogether"** (Ps 19v9) . **"Every word of God is pure..."** (Prov 30v5) on any subject that it speaks

upon. These **“holy scriptures”** which are **“given by inspiration of God”** can make sinners **“wise unto salvation”** and are **“profitable for doctrine, for reproof, for correction, for instruction in righteousness”** so that we are **“thoroughly furnished unto all good works.”** (2 Tim 3v15-17)

This **“sword”** has been through many a raging battle and is as sharp as ever!

Praise the Lord!

v10: To the lost, hard hearted, self-righteous sinner who hates what God says about them, this Book is full of **“lamentations, and mourning, and woe.”**

**“...he that believeth not is condemned already...he that believeth not the Son shall not see life; but the wrath of God abideth on him.”** (Jn 3v18, 35)

**“thou art inexcusable, O man”** (Rom 2v1)

**“God shall judge the secrets of men by Jesus Christ”** (Rom 2v16)

**“the wages of sin is death”** (Rom 6v23)

**“he that hath not the Son of God hath not life.”** (1 John 5v12)

**“...the Lord Jesus shall be revealed from heaven with his mighty angels, in flaming fire taking vengeance on them that know not God and that obey not the gospel of our Lord Jesus Christ.”** (2 Thess 1v7-8)

**“Behold, the Lord cometh...to execute judgement upon all”** (Jude 24-25)

**“Behold, he cometh with clouds; and every eye shall see him...and all kindreds of the earth shall wail because of him...”** (Rev 1v7)

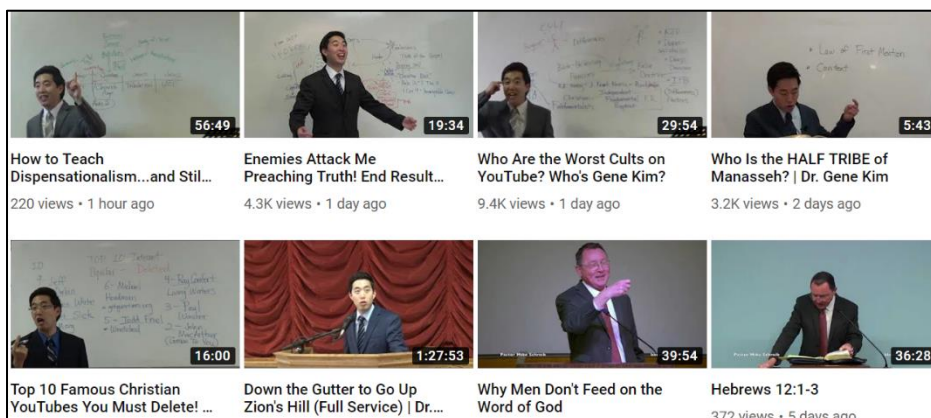

**“And whosoever was not found written in the book of life was cast into the lake of fire.”** (Rev 20v15)

**“Knowing therefore the terror of the Lord, we persuade men”** (2 Cor 5v11) so that **“...God peradventure will give them repentance to the acknowledging of the truth”** (2 Tim 2v25)

The Lord has given us some work to do, but He’s equipped us well to do it! He’s as good of a **“supply sergeant”** as He is a **“Captain”!**

Lord, You’re amazing and there’s no one like You and no one we’d rather work for. Thank you for saving us and equipping us to do your work. Please help us to be faithful till you come back and get us! In Jesus Name, Amen.

### Gene Kim’s doing a GREAT work on YouTube!

There aren’t many people or ministries I’d recommend on YouTube as most of them are narcissistic babies who are trying to be famous (e.g. Fake-Pfenny). Gene Kim isn’t like that, he loves the Lord Jesus Christ with all his heart & he wants to serve Him, & part of him doing this is by combatting doctrinal errors. Now people like Fake-Pfenny, Breaker, etc. aren’t even in the same league as this guy. Gene preaches & teaches from the heart & is one of the best Bible teachers around today. He has

learnt so much from Ruckman & he loves & appreciates everything Ruckman did for him by giving him credit all the time, unlike all these ‘fakes & flakes’ who just use Ruckman for knowledge & then attack him (e.g. Pfenny, Breaker etc.) Both Mike Schreib & Gene Kim are real MEN (unlike effeminate ones like Fake-Pfenny & Breaker), pastors, Bible teachers & preachers. Time for Truth! highly recommends both. With all the heretics on YouTube like Fake-Pfenny, Breaker, ‘Blewit’-Beaulieu, Ding-Dong-Richling et al. we all NEED pastors like Kim & Schreib, as they can RIGHTLY divide the Scriptures, know the differences in the dispensations, preach repentance, know ‘when’ the church started (NOT mid-Acts), understand the different Gospels, plus they understand the words ‘CALL, ASK, PRAY’, unlike ALL Hyper-Dispensationalists (e.g. Fake-Pfenny, Breaker, ‘Blewit’-Beaulieu, Ding-Dong-Richling et al.) It’s sad that people like Lex, Joycey, Debra Gill (What a woman!) don’t dump their heretic heroes & ‘gods’ & follow men like these instead. But’s that’s life... Birds of a feather...! Both Gene & Mike’s ministry is similar to ours, we BOTH stand against & fight erroneous heretical false doctrines such as Calvinism, the Post-Tribulation Rapture of the Church, Hyper-Dispensationalism, Pentecostal signs, wonders & miracles etc. while getting the Gospel out to sinners. (note **Gene Kim** has **145,000** approx. subscribers compared to Fake-Pfenny who has less than 3,500)

### Do you support your local church?

How much support do you give to your local church, & I’m not just talking about money, I’m talking about commitment, help, encouragement etc. Do you support all the meetings or only turn up when you want to? Time to change?

## Introduction

Problems with Christians in church may be many and varied. The main problem in this writer's view based on his own experience from a few years ago is that of FINAL AUTHORITY with respect to where the pure words of the Lord are for today. The following article reveals how the Lord's people today, by way of example church leaders that this writer is acquainted with, typically have no such FINAL AUTHORITY and that what they put in its place merits the rebuke of Nehemiah 6:8 **"...There are no such things done as thou sayest, but thou feignest them out of thine own heart."**

## Undermining or Open Cast Excavation

### Church Leaders' Statement

The reader's attention is drawn to a written statement by a number of local church leaders on the need for unity of the local fellowship. See the attached scanned copy of the statement entitled *One in Christ – a message from the church elders*. The key word in the statement is *undermining*, which occurs either as such or as another part of speech four times.

This writer is aware of why the attached statement has come about and will explain why that is so and why what has been termed *undermining* is in reality *open cast excavation*. **"The dross of silver"** Ezekiel 22:18 in this case must be removed in order to bring forth **"The words of the LORD...pure words: as silver tried in a furnace of earth, purified seven times"** Psalm 12:6.

See graphic and note Paul's exhortations to the Thessalonians and to Timothy and in turn to today's believer. It is for the reader to decide whether the attached statement or this writer's studies fulfill Paul's exhortations and whether or not *open cast excavation* fits reality instead of *undermining*.

**"Prove all things; hold fast that which is good"** 1 Thessalonians 5:21.

**"Hold fast the form of sound words, which thou hast heard of me, in faith and love which is in Christ Jesus"** 2 Timothy 1:13.

See [www.123rf.com/photo\\_24627635\\_big-yellow-excavator-extracting-iron-ore-in-opencast-mine-and-loading-heavy-truck.html](http://www.123rf.com/photo_24627635_big-yellow-excavator-extracting-iron-ore-in-opencast-mine-and-loading-heavy-truck.html).

### Devoid of Scripture

It is noteworthy that the attached statement is itself devoid of scripture. With the title *One in Christ* an appropriate scripture might have been expected such as Psalm 133:1 **"Behold, how good and how pleasant it is for brethren to dwell together in unity!"**

See further Paul's exhortation. **"Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment"** 1 Corinthians 1:10.

### Final Authority Unspecified

It is further noteworthy that the attached statement is devoid of any reference to final authority. That is because the statement has been composed in principle on the basis of the FIEC Fellowship of Independent Evangelical Churches 'originals-onlyism' as follows from [fiec.org.uk/about-us/beliefs](http://fiec.org.uk/about-us/beliefs). Emphases in the FIEC statement below are this writer's. The FIEC is saying in effect that only the lost originals are/were really the word of God and it therefore follows from the FIEC stance that no-one really has the word of God today or ever can have it:

## 2. The Bible

God has revealed himself in the Bible, which consists of the Old and New Testaments alone. Every word was inspired by God through human authors, so that **the Bible as originally given is in its entirety the Word of God, without error and fully reliable in fact and doctrine**. The Bible alone speaks with final authority and is always sufficient for all matters of belief and practice.

See the attached study '**Originals-Onlyists' Final Authority – End Game** for an introduction to the heresy of 'originals-onlyism' and its unbiblical outcome. For the record this writer's final authority is and always will be the 1611 Holy Bible **"the book of the LORD"** Isaiah 34:16 **"the scripture of truth"** Daniel 10:21 **"the royal law"** James 2:8 and **"All scripture"** that **"is given by inspiration of God"** 2 Timothy 3:16 this writer steadfast in the certain belief that no other book is.

Note that anonymity has been preserved throughout this work, in part because this writer thinks that at least some of the church leaders were reluctant participants in the church leaders' statement according to the sense of 2 Samuel 15:11 **"And with Absalom went two hundred men out of Jerusalem, that were called; and they went in their simplicity, and they knew not any thing."**

### No Coherent Responses

The church leaders' statement urges readers to speak to the elders with respect to *a substantive complaint or concern*. This writer did so in some detail on two occasions with respect to particular passages of scripture. The studies [Acts 8v37 - Why this SHOULD be in the Bible!](#) and **"Christ is come in the flesh," Heavenly and Earthly Witnesses, Summary Notes** that were made available to the church leaders. No coherent responses have ever been received so this writer is therefore governed by Titus 3:10-11 **"A man that is an heretick after the first and second admonition reject; Knowing that he that is such is subverted, and sinneth, being condemned of himself."**

Those studies may be found on

[www.timefortruth.co.uk/why-av-only/why-the-av-only-7434.php](http://www.timefortruth.co.uk/why-av-only/why-the-av-only-7434.php) Acts 8:37 - Why this SHOULD be in the Bible!

[www.timefortruth.co.uk/alan-oreilly/](http://www.timefortruth.co.uk/alan-oreilly/) under the title 1 John 4, 5.

### **Explanation for the Church Leaders' Statement**

Why the church leaders' statement came about is explained by reference to these studies. The Tft site locations are included:

**Romans – The AV1611 versus Modern Cut-Outs** [www.timefortruth.co.uk/alan-oreilly/](http://www.timefortruth.co.uk/alan-oreilly/)

Note that the church leaders' statement makes reference to a series of messages on the Book of Romans.

[www.timefortruth.co.uk/why-av-only/version-comparison.php](http://www.timefortruth.co.uk/why-av-only/version-comparison.php)

This writer had communicated aspects of the above studies to various individuals in the church both verbally and in writing. It was that communication that eventually brought about the attached church leaders' statement. It is ironic that the statement disparages *formation of any kind "clique."* St Paul's declaration is ***"For first of all, when ye come together in the church, I hear that there be divisions among you; and I partly believe it. For there must be also heresies among you, that they which are approved may be made manifest among you"*** 1 Corinthians 11:18-19.

The reader will benefit further from studying **The Great Bible Robbery** [www.timefortruth.co.uk/why-av-only/](http://www.timefortruth.co.uk/why-av-only/) showing the *open cast excavated* real face of 'originals-onlyism.' This work has sought to show likewise for the church leaders' statement. That statement follows, followed in turn by the study **'Originals-Onlyists' Final Authority – End Game.**

### **One in Christ – a message from the church elders**

February 2106

We have recently benefited from preaching on Romans concerning our interactions as a loving fellowship of believers. Hopefully, we all feel that we can subscribe to Paul's writing and the preaching derived from it.

Our church has always had believers from different denominational and doctrinal backgrounds. We have sometimes benefited from our differences in non-core gospel matters that we do not consider to directly affect that gospel or are clearly unscriptural. While these differences themselves are not always helpful, we rejoice in the loving fellowship with mutual concern and affection that overcomes them.

We must, however, recognise the dangers that can arise if such differences are given undue importance, potentially leading to divisions in fellowship and factions within the body of believers.

What are the warning signs and behaviours to be avoided? Here are some examples:

- Persistent pointing out and discussing "errors" associated with diverging doctrines and practices.
- Constant criticism and undermining of preached message content or direction.
- Promoting non-core points of view or doctrines in a way that implies that those who disagree are not legitimate Christians, or leads them to question their salvation.
- Intemperate or abusive language used against those with whom we disagree.
- Formation of any kind of "clique" within the fellowship centring around disagreement with others in the fellowship.

We need to be careful how we express our disagreements, not upsetting or undermining the faith of others, not undermining church leadership. If there is a substantive complaint or concern, please speak to the elders. If you think that an issue should be regarded as "core" but are concerned that it is not, please discuss this with the elders.

This does not mean that we can never be critical of another point of view, including those held by the leadership. We just need to be careful that this is done in a considered and loving fashion.

We expect believers who are regularly worshipping with us, whether or not on the church membership roll, to come to worship and share fellowship rather than with a purpose to criticise or undermine.

### **'Originals-Onlyists' Final Authority – End Game**

The 'originals-onlyist' is in effect his own final authority with respect to ***"the words of the LORD"*** Exodus 4:28, 24:3, 4, Numbers 11:24, Joshua 3:9, 24:27, 1 Samuel 8:10, 15:1, 2 Chronicles 11:4, 29:15, Psalm 12:6, Jeremiah 36:4, 6, 8, 11, 37:2,

43:1, Amos 8:11 (18 occurrences in all). The Lord has said ***"I will not give my glory unto another"*** Isaiah 48:11 and therefore concerning the 'originals-onlyist' ***"the same is a thief and a robber"*** John 10:1.

For a current example of ***"...thieves and robbers..."*** John 10:8 see [www.timefortruth.co.uk/why-av-only/why-the-av-only-7434.php](http://www.timefortruth.co.uk/why-av-only/why-the-av-only-7434.php) *The 1611 Holy Bible Cleanses Fundamental Evangelical Modern Version Falsehood* pp 25-26 and this extract, noting the unbiblical outcome of the 'originals-onlyists' final authority.

*'Only the originals were the pure, perfect, inspired word of God'* or a comment to that effect. No scripture.

*'Multiple versions are needed'* or a comment to that effect. No scripture.

*'Multiple versions must be sifted through to get what God really said'* or a comment to that effect. No scripture.

*'Decide for yourself which version to use on the basis of whatever you think is best for you out of all the versions available to you'* or a comment to that effect. No scripture.

*'Go back to the Hebrew and the Greek to get what God really said'* or a comment to that effect. No scripture – and no identification of which Hebrew or which Greek to go back to and no explanation of why God was evidently unable to preserve His words perfectly from the perfect originals to what is extant today, in spite of Psalm 12:6-7 ***"The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times. Thou shalt keep them, O LORD, thou shalt preserve them from this generation for ever."***

This is what Gail Riplinger had to say in her book *Which Bible is God's Word?* 2007 Edition p 116 about the multiple-whatever-suits-you-DIY-version approach.

*"It is scandalous for rich Americans to have ten versions of the bible, instead of just one. Four million dollars was invested in the New King James Version; subsequent to that; several million dollars was spent on advertising campaigns. Many tribes and peoples around the world have no King James Bible type bibles at all; the Albanian bible was destroyed during the communist regime. Many of the tribes in New Guinea do not have a bible in their language. But, these countries have no money to pay the publishers. The publishers are not interested in giving these people bibles; they are just interested in making bibles that can produce a profit for their operation."*

As a challenge to the 'originals-onlyist,' do you want to be counted with that crowd at ***"the judgment seat of Christ"*** Romans 14:10? The Lord's evaluation in sum is ***"To the law and to the testimony: if they speak not according to this word, it is because there is no light in them"*** Isaiah 8:20.

The end result is that the individual is left with being his own final authority on what God said according to the mind-set ***"I will be like the most High"*** Isaiah 14:14. That is not a good situation. ***"no king in Israel"*** applies equally to "the word of a king" Ecclesiastes 8:4 no longer in a church.

***"In those days there was no king in Israel: every man did that which was right in his own eyes"*** Judges 21:25.

#### **Conclusion**

***"For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil"*** Ecclesiastes 12:14.

***"Now as Jannes and Jambres withstood Moses, so do these also resist the truth: men of corrupt minds, reprobate concerning the faith. But they shall proceed no further: for their folly shall be manifest unto all men, as theirs also was"*** 2 Timothy 3:8-9.

#### **Prayer Request for Gail Riplinger...**

Alan O'Reilly sent me the following email... *Gail Riplinger needs prayer for her health. She has suffered a second stroke. She is recovering but it will be a long process. This is the note that she sent a couple of days ago.*

*Hi Alan, hope you are well. Praying for your aneurysm. Had a stroke and spent 3 days in ICU. Lost about 1/3 of my vision. They also found almost complete blockage in my basilar artery which controls the heart and lungs. I will return to the hospital and the team of 'brain surgeons' in several weeks for an angioplasty of the artery to see if there is anything they can do. Have a horrible headache still. I was prescribed blood thinners and cholesterol meds, both not good. Prayers appreciated and also for Bryn for peace. As you know, Gail is doing an amazing work for the Lord regarding the KJV Bible, just like Alan is. Please uphold both of them in your prayers as often as you can.*

#### **Under conviction...**

When was the last time you were under conviction from the Holy Spirit, & what was it about? Sin, laziness, worldliness, responsibility, not doing what you should? What did you do about it? Did you ignore it & just carry on, or did you seek the Lord for guidance & the next step. I preach twice a week usually, so since opening The Oaks Church, I've preached over 800 sermons. If the Lord isn't working through me, & via the Scriptures, then there is no point in me preaching at all is there? It's the same with every minister of the word of God. What are you learning in your church? How is the preaching of the word changing your life? I look around at the members of The Oaks, & I am thankful that I see them growing in the Lord. They get challenged, get under conviction, & they do something about it. Are you like this? Shouldn't every sermon challenge us to want to get closer to the Lord, worship & love Him more, live a sanctified life & reach lost souls with the Gospel? Do you get this from your local church? If not, what are you doing about it? If you're NOT growing in the Lord, your backsliding, something is wrong & you need to sort it out.

## Chicken Wing Breaker the Hyper-Dispensationalist

Breaker who is just trying to be like Ruckman (although impossible) is a naughty boy. I used to like him but his arrogance & pride, coupled with his Hyper-Dispensationalism, date setting, & his eventual attack on Ruckman due to jealousy & the love of money, has put me off for good I'm afraid. For those of you who DO like Breaker, have a read of the following letter written by Peter Ruckman to this egotistical idiot... *Don't waste a dime (penny) on this money loving fraud...*

### Full letter to Robert Breaker by his former Pastor – Dr. Peter Ruckman

Mr. Breaker,

I have neither the time nor the interest to help you into the “big time” after you failed as a missionary AND evangelist. We didn't dump you as a missionary because of any problem over ANY translation in ANY language. WE dropped you because:

1. You **lied** about being a pastor at Garcon Point—you only — “supplied” a couple of times when the pastor was absent. **You didn't win a soul to Christ the entire time you “pastored” either in Honduras.**
2. You did not really pastor anyone in Honduras.

You did exactly what you are doing now --- traveling back and forth to the States. THEN you were doing it to visit your girlfriend. You are now doing it to establish yourself as an authority on foreign translations—as a “saviour” to Hispanics.

3. You have always preached a lousy “Milton Gospel” established in your hometown, (Milton, Fla.)... The \$500 I gave to Park before you knew him, or met him, was after a conversation with him and a Mexican named Reyes. They told me they were interested in translating the AV into Spanish.

Neither one did. Reyes turned out to be a pastor who had some people in his church who wanted to revise another revision of Valera.

When Park sent you the letter that you mailed to me, he said, “Our positions” and “US.” He never mentioned his “buddy,” (you), the entire time I talked with him. YOU CONTACTED HIM AFTER I GAVE HIM THE MONEY. **Typical Breaker “move”!** If I had known YOU were involved in the translation, **I would not have given him a dime.** No, sonny boy, I have never posed as an authority on any foreign translations. The interpreter uses Luther when I preach in Germany; the interpreter uses Valera when I preach in Mexico; the interpreter uses the version by Song Lee when I preach in Korea. I DON'T TELL ANY FOREIGN INTERPRETER WHAT BOOK HE USES; HE IS TRANSLATING FROM A KING JAMES SERMON FROM START TO FINISH. **Your position is so apparent that it is disgusting. There is nothing in anything you write that mentions LOST Hispanics or SOUL winning. Your MOTIVE of getting embroiled in an intellectual discussion over versions is ROTTEN. You are simply making a name for yourself by riding on the spirituality of “OTHERS.”** In this case, Reyes, Park, Gómez, McArdle, and others. **You, yourself, have never produced anything. Now you are trying to get publicity by attacking BOOKS SO YOU CAN SELL YOUR OWN BOOKS, that is, according to your books which you sent me.**

**Our Mission Board and Board of Trustees know EXACTLY what your “ministry” is; that's why they dumped you.**

All of your publicity-mad little nobodies, (trying to hotdog it all the time), only want to be recognized as SPIRITUAL LEADERS. To do this, you are forced to associate yourself sooner or later with “[Pastor's name].”

**You all have to hang on my shirt tail to get a hearing in the Body of Christ.** Evidently, “[Pastor's name]” must be in the spotlight since all of you are struggling to get into it. You're getting connected with the wrong crew. Weldon Jones, (a life-long missionary to Hispanics), led more Hispanics to Jesus Christ in one YEAR with an “impure Valera” - THAN YOU DID IN 7 YEARS WHILE SPENDING YOUR TIME IN STOPPING THE PUBLICATIONS OF THE VALERA YOU DIDN'T LIKE. **Your “life work,” sonny boy, is your self-magnification of yourself as an authority on a foreign language.**

I've never wasted half a sheet of paper, buddy, trying to prove that Diodoti, Valera, Luther, Visoioy of Michaelis were in error; nor that Olivetan or Erdosi or Song Lee should be corrected. I was always too busy training young men as Bible believing, street preaching, soul winners, (over 400 of them), ordaining them, (over 150 of them), and sending them out as missionaries, (54 of them), to preach in 17 different foreign languages; while I was preaching in 91 prisons, where I have seen more grown men genuinely converted in A YEAR as you, or Park, or Reyes, McVey have in seen in ten years.

**In the future, send all of your mail to the head of the Bookstore, ([name left out]). I don't have time to waste with “hot-doggers”- WHOSE MOTIVES ARE NOT TO GET ANYONE SAVED; IT IS TO MAKE A GOOD INCOME FOR THEMSELVES BY ESTABLISHING THEMSELVES AS AUTHORITIES WHO CAN CHALLENGE [Pastor's name]. You all have to hang on my shirt tail.** Wrong league, stupid. You're not in my league, nor are your “buddies.”

You are in “THE SCHOLARLY COMMUNITY LEAGUE; STAY THERE!”

## Hyper-Diaper-Fake-Pfenny has blown a gasket & gone into meltdown...

*Looney Tunes is back!*

*That's the Gas-Bill (Gospel), that's the Gas-Bill (Gospel!)*

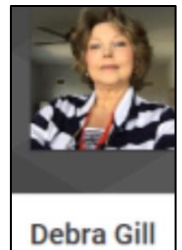

I feel sorry for this dude, as he really is a baby. Lonely old Ed is at it again, opening his arrogant mouth & putting both feet completely in. To be brutally honest, I find him very childish, incredibly shallow & unskilled in the word (Heb 5v12-14), but he likes to play *semantic* games so let's humour him shall we. Poor old Ed thinks he is saved by 'his own faith'... that's it! He doesn't tell us what his faith is **in**, just 'HIS OWN FAITH' saves him. He has to apply (works) his own faith. In other words, he believes in a 'work' based salvation', & as you & I know **it is ONLY Jesus**

**Christ who can save us, through His shed Blood which washes our sins away**, but Fake-Pfenny, the 'king-of-idiots', thinks that *HIS FAITH* (in 'what', he doesn't say) *saves* him, something that HE has to *exercise* (i.e. *WORKS*). It's sad to see. Now he believes many ludicrous doctrines, some of which I'll list below, but two of his pet favourites are... 'Eternal security' in every dispensation as the Gospel is the same in every dispensation (*he says*), & 'If you ask God to save you, *He'll send you to Hell for working your way to Heaven*' (I kid you not!), he's a NUT, you know he's a NUT, everyone knows he's a NUT, & any **Bible Believer** can see through his cultish nonsensical gibberish. In fact, those who *follow* idiot-Ed (*anyone can get a few weirdos to follow them*), are even bigger NUTS than he is. *Just read their comments on his videos*. Here are a couple of loonies who are Ed's fans, or shall we say, 'groupies'; they haven't got a clue about the Scriptures or *life in general* to be honest, they're just addicted to **YouTube**... & Eddy.

 This nutbar calls himself 'Porkflaps' – I rest my case. He knows less Bible than Joel Osteen & hasn't a clue what the Gospel is. He's very unstable, but Pfenny seems to attract only effeminate unstable whack-heads.

 **Debra Gill** - Now this 'old-bat' is *more than* one sandwich short of a picnic. She feels as if it's her duty to comment on every video on **YouTube**. All day long she sits in front of **YouTube** & writes nasty little comments against those she doesn't like, while praising her 'gods' like Pope-Pfenny, to whom she does. She is nauseating. Not only hasn't she got a clue about the Bible & what it *really* teaches, she is just a horrible arrogant 'mouth-on-a-stick' – **Debra Gill** – *what a woman!!!* If she is married, I pity the husband **BIG TIME**... *Debra darling your girdle is showing! She's a terrible Christian ambassador!*

*I think she fancies ME as she is uploading videos about ME! Debbie-babes, don't be shy, speak to daddy!*

I won't list Pfenny's other *couple* of followers, *maybe next time*, as I don't want to waste too much time on '**Moron-of-the-Year**' Fake-Pfenny. I would however, like to make a few observations though, just so you can avoid him like a dog with rabies.

### Here are some of the **ERRORS** Looney-Tunes-Baby-Face-Pfenny teaches...

- 1) God will NOT save you if you 'ask' Him to. Pfenny has **all children in Hell** because of this erroneous doctrine. He's worse than any Calvinist. **If a child ASKS Jesus to forgive him of all his sins & save him from Hell**, He won't. Instead, Jesus will *send that child* TO Hell because the child *ASKED* & 'asking' is *WORKING* for his salvation, *according to MAD-Eddy-Pfenny!* **What an evil doctrine to teach.** It's his own *made-up* Satanically inspired doctrine, spawned in the pit of Hell itself. **BEWARE, be VERY AWARE of following this moron who would see all children in Hell.** Now that nutty woman **Debra Gill** thinks that Pfenny is right on *everything*, she loves him. These are *the blind leading the blind* & you know where BOTH of them end up. Birds of a feather... Idiots! *Lex also agrees with Ed on everything.* They are Pfenny's disciples.
- 2) If you '**pray**' to God, you are *working*, & God will send you to Hell for **praying**, so whatever you do **DON'T pray, ask or call** on God, even though all the way through the Bible people **did**. *Follow Pfenny or follow the Scriptures, you decide.*
- 3) Romans 10 should be *cut out of the Bible* as it is NOT for the Body of Christ. Pfenny doesn't understand the term 'dual application', so anything he can't understand he wants to REMOVE (His real name is 'Jehudi' Jer 36v23)
- 4) You cannot get saved through reading Romans 10 because it's Jewish & NOT for you. Pfenny limits his 'god' to only being able to use Scriptures **IN CONTEXT** (he says!?) that are aimed at the Body of Christ... even though this one **IS!!!!???** Pfenny is a Biblical ignoramus, *perhaps the biggest jackass on YouTube, do you think? Let me know! Lex loves him!*
- 5) According to Fake-Pfenny, Adam, David, Samson, *plus every other OT saint*, all had *eternal security* & couldn't lose their salvation because they were saved *the same way as us today*, e.g. all grace & **NO works**. He doesn't understand the Law & how you could be cut-off by doing the wrong **WORKS**... poor old Eddy. He thinks Adam was saved by '**Believe on the Lord Jesus Christ, and thou shalt be saved...**' (Acts 16v31). Eddy, Jesus didn't die in the OT. Faith & works didn't get you to Heaven, it got you to Abraham's Bosom. '*Cultard*' Lex is now Pfenny's disciple sadly... *amazing isn't it!*

- 6) There is no *different* Gospel in the OT cf. NT, or the Tribulation, or the Millennium – it is all the same, even though Jesus hadn't died in the OT. Salvation is the same in every dispensation, *according to Pfenny*, even though no one went to Heaven in the OT, neither were spiritually circumcised, neither were baptised into the Body of Christ, neither had Justification, Imputed Righteousness & Sanctification happen simultaneously, like WE DO TODAY! There was NO 'Body of Christ' in the OT... *Pfenny's a NUT!* You weren't sealed by the Holy Spirit in the OT Eddy (Ps 51v11 cf. Eph 4v30, 1v13)
- 7) Pfenny is against soul-winning – as he doesn't do any himself (Like his boyfriend Lex doesn't) & doesn't **believe** in it. You are NOT to win souls. **'Ask'** him (*although that's 'working!'*) how many souls he has led to the Lord... OR... ask him how many tracts he has given out this year. Pfenny says it is NOT his job to witness, pass out tracts & try to stop people from going to Hell. He will ALWAYS comment like this... *"How does he know what I do?...!!!"* Tell us Eddy, please tell us **WHAT YOU DO!?** Stop beating around the bush son, tell your viewers what you actually **do** FOR THE LORD? Fake-Pfenny is a FAKE, a FRAUD. He doesn't care too-hoots that anyone goes to Hell, as long as people will watch him on **YouTube** (narcissism personified), with his lovely quiff & glasses. *Perhaps he's looking for a wife? Speak to me girls before making a move, let me give you some advice. Maybe that old bat Gill is also looking? Now there's a thought.*
- 8) Pfenny believes that God has called *him* 'specially' to **YouTube**, to sort out *everyone's* doctrinal errors, as he is THE ONLY ONE who has got it all right. If Ghostly ('holy') Ed says you are wrong, you MUST be wrong *as he is right*. Ex cathedra!!! The pope must speak ex cathedra, so 'pope-eddy' does... & Lex (another false 'prophet'), & his disciple, will follow him everywhere he goes, no matter what he teaches. Pfenny does NOT attack people like Benny Hinn, Kenneth Copeland etc. he says that God has ONLY called him to ATTACK Bible Believing Christians!!! IF he denies this... ASK (*although that's 'working'*) him what God HAS called him to do? *You won't believe his answer. Pfenny is Satanic.*
- 9) Pfenny believes in a '*mental-ascent-work-like Gospel*' – don't **ask, pray or call**, just '**use**' ('works') **YOUR FAITH** (in 'what' he doesn't say), but 'use' ('works'), '**exercise**' (another 'work') '**YOUR** **faith**'. 'Exercise' seems like WORK to me Eddy, does it not. I think his boyfriend Chicken-Wing-Breaker needs a little more *exercise* too, don't you. *Soon he will explode!*
- 10) Pfenny doesn't understand the *different meanings* of 'big words' like 'Justification' & 'Sanctification', neither smaller words like 'Saved', 'Call', 'Pray' 'Ask'... *English is not a strong point with Fake-Pfenny.*
- 11) He keeps saying Peter Wuckman (Who's Wuckman?) didn't know the 'Gas-Bill' (Gospel). Peter Ruckman (Wuckman!) paid his 'Gas-Bill' on-time, every time, all through his life. As far as I know Ruckman DID know his 'Gas-Bill'. Peter Wuckman (Ruckman) knew what the 'Gas-Bill' (Gospel) was in every dispensation, unlike Pfenny. Pfenny is having a 'Big-Flap', maybe he should READ IT, *get it?*
- 12) He doesn't understand Biblical numerics, especially the number TEN (10), the difference in the Dispensations, Who Jesus Christ IS from everlasting, *how to get saved*, plus a whole host of other things. He cannot teach the Bible because he doesn't **know it**, & can't RIGHTLY 'divide' it, he's a pretender, a fraud, a fake... he's a wannabe!!! (& Lex loves him!?)
- 13) Fake Pfenny also believes that you CAN'T 'pray' *until* you are SAVED. *Can you believe the looney?* I mean, idiot of all idiots. So, all the children who '**prayed, called, or asked**' God to forgive them for their sins, are all in HELL, according to this lunatic nutbar-fake-Pfenny. Is it any wonder why God is not blessing this totally narcissistic loser?
- 14) He doesn't understand Daniel's 70<sup>th</sup> Week cf. 69<sup>th</sup> Week – prophecy is not his strong point, in fact the Bible isn't either.
- 15) He thinks people in the OT were looking forward to the Cross... when NONE of them even understood ANYTHING about the Cross. See how shallow this numbskull is?
- 16) Pfenny says that the Holy Spirit has NOTHING to do with your salvation in the OT – if you lost the Holy Spirit you are still saved (I kid you not!) He thinks he is a Bible 'teacher' can you believe. The ONLY people that follow this looney are babies who do NOT understand the Scriptures e.g. Debbie Gill (*Pfenny's groupie, but WHAT a woman!!!*) Pfenny says that OT & NT salvation *are the same*, yet in the NT you CANNOT lose the Holy Spirit (Eph 1v13, 4v30), Pfenny is a looney.
- 17) According to Pfenny, '**praying** to get saved' is a work, '**repentance**' is a work, '**calling** on the Lord to save you' is a work, '**asking** the Lord to save you' is a work, yet '**exercising HIS** faith' is NOT a work... but I thought **exercising** IS a work, doesn't **exercising** make you sweaty Eddy? You see, 'Mr-cult-mentality-Pfenny' is a 'work' himself (unfinished sadly). His groupies (Lex, Debbie Gill (*WHAT a woman!!!*), Mary Miller (another NUTJOB), 'spiritfinder321'!!!) idolise him. He can *pull-the-wool* over *simpletons*, but us **Bible Believers** can see straight through his cultic mentality & erroneous shallow so-called 'teachings'. He can ONLY get a following when he is attacking Ruckman, Kim, Breaker, Denlinger & me. No one would ever listen to him otherwise, as he cannot 'teach' or 'preach'. In fact, to be brutally honest, Pfenny isn't gifted in *any area* of ministry, as his pride has destroyed him. It's sad to watch really. The best thing you can do is UNSUBSCRIBE from him, & DUMP HIM, don't waste your precious time on such a timewaster. Let him keep making his *poor quality* videos & uploading his **heretical** content to keep his groupies 'fascinated' (Lex, Debbie Gill (*WHAT a woman!!!*), Mary 'clueless' Miller etc.) as they are *spellbound* by him, but for us Bible Believers **with a ministry**, we'll press on IN THE LORD doing the Lord's will & reaching lost sinners with the Gospel, while RIGHTLY dividing the word of truth. Poor old Eddy... what a wasted life. He's a guy who is *unteachable & unreachable*, just out there all alone in his living room... *just him & his little biddy doggy. Time for walkies, wanna go for walkies? Walkie-walkie-walkies!!!*
- Summing up...** is Fake-Pfenny saved? *I don't know!?* He's just not very deep in the Scriptures, although he *thinks* (Gal 6v3) he is (*delusions of grandeur I'm afraid*), PRIDE has killed any hope of a ministry for him DEAD. He is a **very confused** little man, as is Lex his disciple. He likes to think he has some sort of 'ministry', but sadly he doesn't. I am *pleased* to a degree,

that a few *nutbars* DO follow Eddy (e.g. Lexy-babes), just to encourage him, he **needs** encouraging, as he has very few friends. Perhaps we can all pray (*although it's a 'work'*) that one day he'll step outside his house, away from the camera, & into the *big-bad-world* & find a friend, & who knows, maybe pass out a tract or two... *wouldn't that be something*. Now after the four videos he made on me, I thought he was going to burst a blood vessel as his blood pressure seemed to be very high. At one stage, I thought talking about me brought a bit of colour into his cheeks, *which was very encouraging*, as normally he looks like Casper the Ghost, or *'death warmed up'*. On the whole, no one really takes him seriously, *let's face the facts*, but he's a bit of fun to brighten up a cloudy day isn't he. Poor ol Eddy, alone in his room ranting & raving like some sort of madman. Come 9.00 pm it's time for his warm milk & cookies & up those stairs to bed. He gets all excited, as tomorrow he can do it all again... *staring into the camera, avoiding people at all costs, & start ranting & raving like a looney*. Don't forget, Fake-Pfenny can ONLY get *even a small following* by attacking *others* like Ruckman, me (Johnny Davis), Bryan Denlinger, Fat-slob-Breaker, Gene Kim etc. Without US, no one would listen to him. He can't teach the Bible, *hence why he doesn't*, he can only criticise, moan & groan, & attack anyone who *does* have a ministry. He's very jealous of the ministry that the Lord has given to us, & other Bible Believers, so he wants to ride on our shirttails. Hyper-Diapers are the saddest & loneliest Christians out, that's why they are the most miserable, nasty, arrogant, jealous, angry people you will ever come across. They go through life like this, having no friends (remember Eli?), & they eventually finish up bitter, twisted & very upset & angry (e.g. Lex now). Poor old Eddy is a frustrated old man who has achieved nothing in life... (Joel 2v25... he needs some sort of restoration). He thinks his **YouTube** channel is 'important'. Actually, it isn't worth spit, but let Pfenny *dream a little*, let him think that he is a 'man' on occasions, I mean, come on, he wears jumpers with the word 'marine' & 'trump' on them, he must be a 'hard man' surely? I guess this is one reason I expose the idiot, to make him feel 'important'... ah bless his little cotton socks, he's a little beauty ain't he... *Pfenny you're funny!*

*Without us Bible Believers, Fake-Pfenny wouldn't even have a following, he **needs us**... he **should** be thanking us!*

### Good Cheer - by Matt

**"These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world."** John 16:33 .

What tribulation are you having in the world?

Persecution for taking a stand for the Lord Jesus Christ? Problems at work? People rejecting the gospel? Division in your family? Breaking of fellowship with other Christians over the stands you take? Battles with sin in your own life? Sickness and ill health in yourself and those who are the closest to you? Loneliness? Being misunderstood by the world and even other Christians? Oppression in a world of increasing surveillance and censorship? Fatigue and tiredness in a world of constant activity and distraction? Money worries? Losing friends? Being attacked for the faith? Being exposed daily to the filth and wickedness of the devil's world system? Being lied to and being deceived? Being the victim of exploitation? Fighting your addictions and sinful habits you developed in your lost life? Battles with heresy and apostasy? Being arrested and physically harmed by those who hate the Lord Jesus Christ? Intimidation by those who want to silence Christians? Debts? The consequences of bad decisions and sins we have committed down here? Arguments and confrontations you'd rather not have? Being in the presence of those who mock the Lord and blaspheme? Putting down the flesh and battling ungodly temptations and sinful thoughts? Confrontations with the hard and cold hearted people of the world? Attacks on the faith and the purity of the Bible (KJV)? Heartbreaks? Broken relationships? Bereavement? Deaths of loved ones? Pain? Divorce? Suffering as a consequence of other people's sins?

Some of these things I go through in my personal walk with the Lord Jesus Christ.

Some of these things the Lord has mercifully spared me from.

Throughout all of these trials and tribulations there remains one constant person.

#### **The Lord Jesus Christ.**

Life is negative for the most part. We have good times. We have bad times. For most, it starts in a hospital bed and ends in a hospital bed. Life isn't fair. Bad things happen to "good" people and the wicked seem to prosper. Take a look at the celebrities we see glorified in our contemporary culture. Some people have to scratch and claw all of the way through, decade after decade, just to make ends meet and to put food on their tables. Some on the other hand, seem to have everything handed to them on a silver platter. Some remain healthy all the days of their life. Some struggle all of the way with sicknesses, injuries and diseases. Some live for many years. For others, their days in this world are few. The point is, we are not all dealt the same hand when we come into this world. We don't get the same opportunities others seem to get. They call it a "dog eat dog" world. There is however, a way out of this unfair system we are born into.

**"Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me."** John 14:6

So, no matter how unbearable life seems to become at times. No matter how unfair the world is. No matter how wounded and sorrowful we become in this world of increasing darkness. Be of good cheer, the Lord has overcome the world.

I found the Lord, or perhaps he found me back in September 2017. I had just turned 22 and my life was never to be the same again.

Yes I suffer daily like everybody else, but I have peace in the storms of life and I know the Lord has forgiven all of my sins.

Because of Calvary, where the Lord Jesus Christ shed his blood and died for me, I am reconciled to him for eternity and he wants to pardon you of your sins too, if you'll come to him in humility seeking forgiveness.

I learn about my creator each day in my Bible and I seek to please him and to do his will here with the rest of the days he sends me.

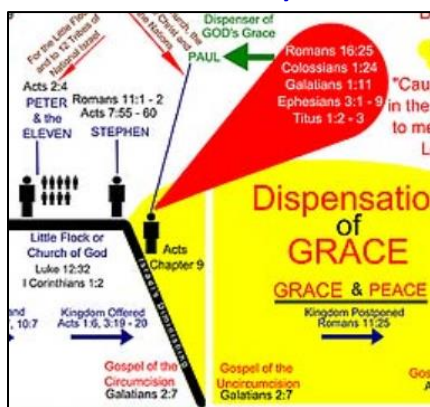

Do I achieve this each day? No. Oftentimes I fall woefully short of this.

Am I always in fellowship with the Lord? No. Oftentimes I go wandering and lusting after the things of the world, which the Lord has told me not to do. (Jer 45:5 & 1 John 2:15). Do I always obey the Lord? No. I capitulate and compromise and do what pleases the flesh too often. How many more days will the Lord send me? I don't know. All I know is that he has continued to give me breath each day and therefore, my work here is not yet done. He is rich in mercy and grace towards me and has been so long suffering towards me. I love him and I am therefore, of good cheer.

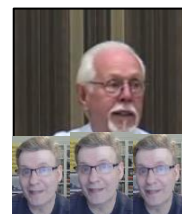

### Why bother?

Isn't it easy to give up, stop fighting, just quit? But it all depends upon what you are fighting for doesn't it? Some Christians get a kick out of attacking other Christians, they think this is doing God's will, when really, they are serving the flesh instead. Whatever you do, make sure it's the Lord who is guiding you & not your own pride & self-will.

### Rodney-'Blewit'-Beaulieu - Nutjob-Extraordinaire – Eddy-Pfenny's new Bible 'teacher'

This Hyper-Dispensationalist quack doesn't believe that Matthew, Mark, Luke & John were IN the Body of Christ, they were part of another 'body of Christ', in other words, like Baby-Eli, these Hyper-Diapers believe that there are TWO 'Bodies of Christ' even though the Bible teaches JUST ONE (Rom 12v4, Rom 12v5, 1 Cor 6v16, 1 Cor 10v17, 1 Cor 12v12+13+20, Eph 2v16, Eph 4v4, Col 3v15). They call the FIRST Body of Christ the 'Little Flock, the Church of God' NOT the Body of Christ the Church (Col 1v18+24). He's a very arrogant 'know-all' who knows very little to be brutally honest. It's only shallow Christians who would follow such a weak so-called Bible 'teacher'. It amazes me how Christians can get sucked into such teaching when the Bible is so clearly against it, but that's because most Christians DON'T study their Bibles.

**You will notice that Fake-Pfenny is now a fan of this guy, which is VERY interesting!**

### Hyper-Diaper-Lex who used to run the Tft! YouTube Channel has had a meltdown like his boyfriend Pfenny...

He walked away saying nothing, just turned his back & ran away from his responsibility, to his boyfriend & the Hyper-Diaper crowd, & now he has had a meltdown, *it's not surprising is it*. All you have to do to see what kind of people these Hypers are, is look at the comments they leave of each other's videos. **Nutty-Lex writes...**

*These people are cultist popes who are losing control over people because of their sloppy arguments and then turn on them and trash them for their own incompetence and failures. Childish, zero-self-criticism, outrage culture, ad hom attacks.... Culturd Justice Warriors. The spirit of the last days infects false KJB believers too. (Is he writing his own epitaph?)* Poor ol Lex, do you think he is a little bit mad, unstable? They go crazy & whip themselves up into some sort of frenzy when they run away from the truth & turn themselves over to fables (2 Tim 4v4) e.g. Hyper-Dispensationalism. Lex is a very unsound, unstable little 'man', who follows his pope, his 'god', Fake-Pfenny. I wish him all the best & may all his dreams come true. Poor ol Lex is a fully-fledged Hyper-Diaper, including nappy & all. His rejection of 'ask, call, pray, Rom 10' etc. shows that he's just following a man. He is infatuated with Bryan Denlinger, as is his pope & 'god' Pfenny, they seem to like ganging up on Christians & just slandering them all the time. Lex, like his boyfriend, *thinks* this is ministry, the poor deluded fool. Both are achieving NOTHING, NOT ONE THING, for the Lord. They just rant, rave, *spit out their dummies*, mess their diapers (nappies), moan & criticise continually, until finally, the nails are put in their coffins. *Man alive, what a life! That's it, that's their whole lives... but THEN comes Judgment! OH DEAR, OH DEAR!!!*

### Flesh & Self-Glory... is that what you want? (Do NOT send us money unless the Lord tells you to).

Read Mat 6v1-8. Every so often, we receive gifts from Christians who have found Tft! a blessing & a help to them. Occasionally these gifts come anonymously, where the sender wants to remain nameless. People from as far as Australia & the USA have sent us gifts towards the work we do. I find that quite incredible, how the Lord moves these people to give to this ministry. We don't beg or ask for money as you know, we all work, & as the Lord blesses, we use what we earn to buy tracts, books, Bibles etc. That's how our ministry functions. Years ago, when Toy was with us, & when she was attending university, she even used her student loan to help buy tracts etc. that's how committed she was in getting the Gospel out. I wonder how many other students have used their money to do the same. This kind of thing blows my mind. If you do things because you secretly desire self-glory, then you are wasting your money & you'd be best keeping it. If you are *really* living for the Lord & seek to please Him, then you will give *willingly* without any ulterior motives. Now read 2 Cor 9.

## Eric Hovind & James White – Two ‘men’ to avoid like the plague – Both are arrogant Bible ‘correctors’

Sitting & watching these two arrogant Christians discuss the errors in the KJV Bible was nauseating. Eric Hovind is just an annoying know-it-all brat on steroids, while James White is one of the most arrogant Bible critics you will ever come across. White is a Hyper-Calvinist who wouldn't know how to lead you to Christ if you asked him "What must I do to be saved?" White has the same arrogance & incompetence as Fake-Pfenny & is just as useless. White & Hovind are certainly 'in it' for self-glory & seek a reputation (Phil 2v7) more than trying to win souls for the Lord. Money & fame seem to be their goals in life. They treat Christianity like a business. I would steer clear of both no matter what.

**I think James White is one of the biggest haters of the KJV Bible around today. Dump him!**

### Who have you teamed up with recently?

Too many Christians are trying to do things on their own rather than teaming up with others, all because they think they know best. You all know how hard it is to do things on your own without any help & support. There was a reason the Lord sent Christians out in twos. Have you tried teaming up lately? What's stopping you? I couldn't do what I do without a great team around me, I KNOW that, & I'm very grateful to the Lord for bringing people into my life. I'm also thankful to Him for taking people OUT of my life who were a hindrance. You've got to have the right players otherwise there will be friction & contention & the work will suffer because of it. We have more unity within the team, church & ministry than ever before. Everyone knows their part to play & we're not trying to compete with each other. Read Rom 16 plus 1 Thes 3v2, Phil 1v1, Phil 2v25, 2 Cor 8v23. We all need help, don't be so arrogant to think you don't... Mr YouTuber!!!

### Mum & very wealthy son, get the Gospel...

Recently in a café we met a 92-year-old lady to whom I started talking with. Then her son came & we all entered into conversation. He was into cars, an Englishman who for the last 30 years, lived in Los Angeles. He had built a car museum over there for \$50 Million. Both were lovely to talk with & both took some Gospel tracts & booklets. The guy is friends with Jay Leno. The mum took our booklet 'Growing old' & 'The son I never was', while her son took five of our Gospel booklets. He also is involved in business with some Mormons over there in the USA. I hope the literature will lead them to the Lord.

### No divisions among you...!

Read 1 Cor 1v10-17 – *No divisions among you...* Are you kidding me? There's more division in the church today than EVER before isn't there? I've never seen so many Christians spending all their time engaging in warfare with EACH OTHER than I do today. GRACE! Christians today don't even know the meaning of the word when it comes to dealing with each other. Why is that? What's gone wrong? Why are we all attacking each other rather than the enemy? When did this spirit of arrogance & pride suddenly consume us? If you disagree with someone over a non-salvation issue, should you attack them, fight them, leave your local church because they don't agree with you? What should you do, if anything? Perhaps you ought to start a YouTube channel & sit in your bedroom all day making videos exposing your brothers & sisters like Pfenny does or spend all your time writing nasty little comments on everyone's videos like Lex & Debbie Gill do (*WHAT a woman!!!*). Is this how a Christian should act, behave & conduct themselves? Is this what you do? What good, what fruit are YOU actually producing? Should I even ask this question, as people like Hunter just call it 'fruit-inspecting', but shouldn't we actually DO JUST THAT? Before we commit to anything, shouldn't we judge to see what kind of fruit is being produced? (1 Cor 2v15). Every ministry should be producing FRUIT. 99% of these YouTubers are producing ROTTEN fruit if any at all.

### Again, beware of this little Hyper-dispensationalist snowflake... Pfenny's new hero...

I warned you about this Hyper-Diaper Rodney 'blew-it' Beaulieu earlier, he calls himself a 'pastor, preacher & teacher' (*don't they all*), & the fact of the matter is that he's none of those things. He certainly cannot rightly divide the Scriptures & will only lead you into error, starting with his 'Mid-Acts' position, the church started with Paul. Blew-it has got 'Paul-itus' & that is a disease that scrambles your mind. He also is very jealous of Ruckman & what he's achieved, so of course he attacks Ruckman. All these limp-wristed effeminate men do. He couldn't hold a candle up to Ruckman. Old 'Blew-it' hasn't got a clue about the Rapture, End Times or when the Body of Christ 'exits', I kid you not! Dump him!

### I've not forgotten about the literature trolley!

I still would like to produce this for Christians to use & 'compete' (Jude 3) with the cults down town, but it's all about costs, where to manufacture it etc. I found a company that may be able to do it & so I have contacted them & I'm waiting for their response. If you or your church would be interested in purchasing one of these literature carts, then let me know. It's a great idea from the JW's & they have been very effective using it, but I want to make it better for all you **King James Bible Believers** to be able to use, even if it means just filling it up with Gospel tracts, CDs & Bibles & leaving it in a prominent position while you watch people walk by & take the literature, that's if you feel you can't engage in conversations. For those of you who love frontline work, this tool will become a great benefit to you. If you have any ideas on how it can be improved before we go into production, let me know asap please.

**Update as of 4<sup>th</sup> July** – I have now booked an appointment to go & see the manufacturer. As a rough guide, he is quoting £100 each & I need to order a minimum of 10. If you think you or your church would be interested in buying one, please let me know asap.

### Grayson Boucher – 'The Professor'

Grayson "The Professor" Boucher (born June 10, 1984) is an American streetball player and actor. He is most known for playing on the highly stylized, international AND1 Mixtape Tour; he has also appeared in several movies, most notably Ball Don't Lie. Boucher is 5'9" and weighs 155 pounds (1.773 m, 70 kg). Through a tragedy, **he became a Christian**. If you like basketball, this guy is a genius. He goes into prisons & all over the world playing everyone. For a guy with such talent, he's very humble. I like him, I really like him. Why not send him an email to encourage him in the work he is doing. He gives his testimony on how he became a Christian as often as he can. **Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.** 1 Cor 10v31.

### Paul writes...

Hi John, I was just looking at Rom 8v29 **For whom he did foreknow, he also did predestinate to be conformed to the image of his Son...** and saw another good question you could ask Calvinists. Who did God NOT foreknow? It seems to me that no matter how they answer this question they have a problem. Best Regards.

### Witnessing to a Jaguar Land Rover Chief Engineer...

Today I had the opportunity to witness to an associate professor at the Warwick Manufacturing Group (WMG) who was also a chief engineer at Land Rover and a director of Tata Motors' European Technical Centre. This guy really knows his stuff & knows all about 'design'. He had a collapsed vein & bled to death, being pronounced dead on a hospital floor. Miraculously he was revived & is now fit again. I asked him whether he believed in life after death & God? He said he hadn't ruled it out as he saw design in everything. This started a very interesting conversation ending with him taking some Gospel booklets from me. It was a great time & very worthwhile.

### Is your Christian life exciting?

If not, something is definitely wrong. Last Sunday I preached on just this subject. Even though we all have our hardships, tough times & disappointments, it shouldn't detract from the fact that the Christian life is the most exciting life you can live... IF... you are living **in the will of God** & **doing** what he wants you to do. I can't imagine Paul's life being boring, can you? Every day is a challenge to do something special for the Lord isn't it? The other thing that is such a blessing, is meeting up with other Christians who think & feel the same as you do. One thing I cannot stand is meeting up with Christians who are apathetic towards the Lord & His work & those who would rather talk about anything other than the Lord's work. Liberal, self-centred worldly Christians are a complete waste of time. Going to a BBQ or out for a meal with these types of Christians is my worst nightmare. All we end up doing is falling out over something. I love passionate Bible Believing Christians.

### L. Aron Nelson aka Aron Ra proves that God exists.

No one goes around spending their whole lives **attacking** people that believe in aliens, UFO's, the spaghetti monster, fairies, or Father Christmas do they, but this nut calling himself 'Aron ra' is doing just that regarding Christianity, which he sees as a fairy-tale. What harm does *following* Jesus Christ do to anyone & why is Nelson so upset, bitter & angry towards Christianity? Yet this miserable, angry, egotistical 'ape' spends his *whole life* attacking God, the Bible & Christians. Imagine that, you don't believe in God, but you are going to spend your whole life, every second you can, attacking God to whom you don't believe exists. *Isn't that ironic?* That proves to me that he knows God DOES exist, but, is trying to *convert you to make pretend* He doesn't. It's funny in a sad kind of a way. This guy, with his *lovely glossy effeminate hair* swaying in the wind (caused by the fan he switches on for his videos), is so bitter & twisted that he is closed-minded, unteachable & a total waste of time... he is just a *timewaster* for anybody who decides to take on this very self-centred, self-conceited 'ape'. Oh & by the way, 'ape' is not an insult to him at all, as he believes that *he actually is one*, & who am I to argue with such a beautiful fully developed species as THAT. Somewhere down the line though, he lost his fur (his clothes) & gained some lovely long locks instead. I can't see that as increased information through time, chance & random mutations, can you? I mean, he now has to dress himself as he lost his naturally selected clothes, isn't that a LOSS of information? Oh dear, something went wrong... another mutation maybe? Now this poor deluded fool, will use the longest words he can find to try to beguile (Col 2v4, 2 Cor 11v3) impress & bully you into submission, *trying* to show that he knows something (Rom 1v22)... sadly when you step back & listen to him for *just two minutes*, you come to realise without a doubt, that this 'ape' is really a DODO, & what he spouts, is as us English would say... utter TOSH. The more I have listened to him, **the more I realise that God is real**, he (Nelson) proves God to me. Who would spend their lives trying to convince everyone that God doesn't exist if they REALLY BELIEVED God *didn't* exist? Neither Nelson nor I do the same regarding Father Christmas, so why does this numbskull just attack Jesus Christ? There are millions of other 'gods', why does he focus all his efforts on Jesus Christ? You KNOW, I KNOW... & he KNOWS. **If so be that ye have heard him, and have been taught by him, as the truth is in Jesus:** Eph 4v21.

**Now, old ‘ape-man’ Nelson ONLY attacks Jesus Christ because Jesus Christ IS THE TRUE GOD. 1 John 5v20.**

**For the LORD your God is God of gods, and Lord of lords, a great God, a mighty, and a terrible, which regardeth not persons, nor taketh reward: Deut 10v17**

**The LORD God of gods, the LORD God of gods, he knoweth... Josh 22v22**

**O give thanks unto the God of gods: for his mercy endureth for ever. Ps 136v2**

**The king answered unto Daniel, and said, Of a truth it is, that your God is a God of gods, and a Lord of kings, and a revealer of secrets, seeing thou couldst reveal this secret. Dan 2v47**

**For there is one God, and one mediator between God and men, the man Christ Jesus; 1 Tim 2v5**

**Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple. Rom 16v17+18.** This also includes all YouTubers such as Pfenny et al.

**Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son. (Notice separate Persons) If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed: For he that biddeth him God speed is partaker of his evil deeds. 2 John 1v9-11.** If someone is messed up in their doctrine & refuses to be straightened out, DUMP THEM.

**Having a form of godliness, but denying the power thereof: from such turn away. 2 Tim 3v5.** Turn away! There are many professing Christians trying to lead you astray with their pernicious ways & doctrines of devils, beware! **But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. 2 Pet 2v1+2.**

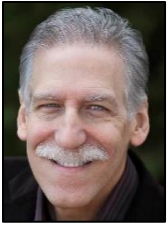

Mark 1v27 And they were all amazed, insomuch that they questioned among themselves, saying, What thing is this? what new doctrine is this? for with authority commandeth he even the unclean spirits, and they do obey him.

**Then certain philosophers of the Epicureans, and of the Stoicks, encountered him. And some said, What will this babbler say? other some, He seemeth to be a setter forth of strange gods: because he preached unto them Jesus, and the resurrection. And they took him, and brought him unto Areopagus, saying, May we know what this new doctrine, whereof thou speakest, is? For thou bringest certain strange things to our ears: we would know therefore what these things mean. (For all the Athenians and strangers which were there spent their time in nothing else, but either to tell, or to hear some new thing.) Acts 17v18-21.** Be careful when Christians & professing Christians try to say that the Lord has revealed something NEW to ‘them’, just be VERY careful. If people are trying to change & twist the Gospel message (like Pfenny does), or someone is trying to teach that Jesus is the Father, or the Church will go through the Tribulation etc. you run for cover, regroup & get that sword of the Spirit raised. (Eph 6v17). If they proceed to attack you, you start wielding it like never before & cut them down. If they won’t listen to sound doctrine (1 Tim 1v10, 2 Tim 4v3, Titus 1v9, Titus 2v1), then you need to turn away & dump them, move on in your life... onwards & upwards. Don’t get caught up in their snares – Ps 38v12, Ps 64v1-8, Ps 141v9+10, Jer 5v26, Ps 119v110, Ps 140v4+5, Prov 12v13, Prov 18v7 – you can apply all those verses to these arrogant YouTubers like Pfenny who think they are right & everyone else in the whole world is wrong. I shall continue you to expose these Hyper-Dispensationalists, Calvinists, Pentecostals, atheists & evolutionists for the liars & deceivers they really are.

**A man that is an heretick after the first and second admonition reject; Titus 3v10**

If someone is hindering your walk with the Lord, dump them, unsubscribe, walk away, leave them, they are doing you no good whatsoever. Be careful who you follow & waste time on. If they are NOT drawing you closer to the Lord, cut loose.

## Michael Brown & Tim Keller – I'm sorry, but these two guys are *nearly* useless

Michael Brown is a 'signs & wonders' man, even though he doesn't *promote* it (I wonder why!) & Tim Keller is so 'politically correct' he doesn't want to offend *anyone* (including sodomites) because he likes his publicity... HIS MONEY too much. When you compare these two effeminate Christians with the likes of Ruckman, Larkin, Scofield etc. you come to realise just how shallow this modern era of Christians are. Brown & Keller are as deep as the skin on a rice pudding (without sugar!) & they will certainly lead you into all kinds of errors if you follow them. **You have been warned.**

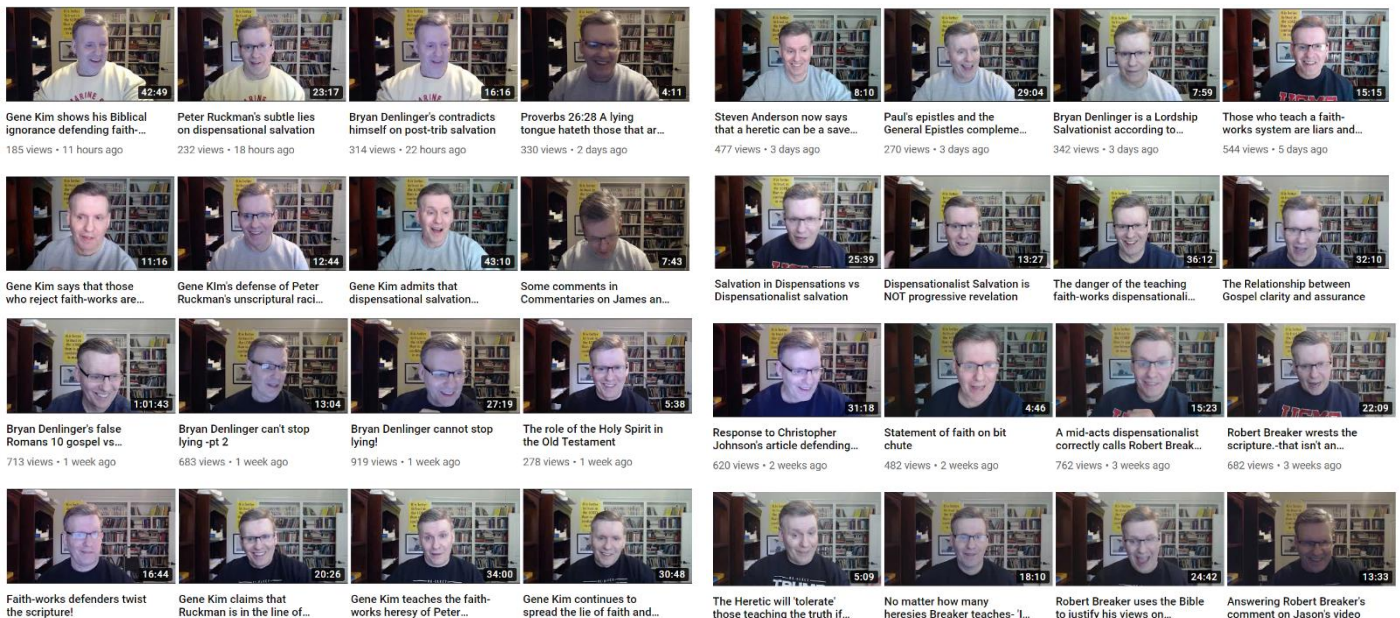

## Poor old Eddy is losing the plot - ACHTUNG! ACHTUNG!

Recluse 'Ghostly-Ed', who hasn't a friend in the world, has finally gone mad, he's lost the plot, look at just the last 32 videos here... He thinks this is 'living the Christian life' for Jesus Christ... he's a self-deluded fool, & a nasty arrogant mouth on a stick.

Now don't forget, Eddy doesn't teach the Bible, he's inept, so all he can do is criticise those who can. You will learn so much from people like Gene Kim, you'll learn NOTHING from Fake-Pfenny... only how to *wrongly* divide the Scriptures, how to moan, whinge & attach Bible Believers, how to keep 'looking from side to side' like some sort of scared unstable person (the same thing he accuses Bryan Denlinger of doing... Eddy's a hypocrite & a liar). His videos are full of hatred, anger, arrogance & heresies (e.g. Adam & Abraham were saved the same way as you & me & were IN the Body of Christ... don't laugh as he's serious!)

Now don't get me wrong, I feel sorry for people like Eddy, who have no friends, no ministry, & by the look at his videos, no relationship with the Lord. He needs to sort his life out, get out of his house, find a wife, & make some friends. As it is, he is a very sad self-deluded fool wasting his life attacking those who are serving the Lord. Eddy is very Anti-Christ & hates those who teach & preach the Scriptures. He's a very jealous man, especially jealous of Ruckman, Kim, Breaker, Denlinger & for some reason ME!?

Let's look at his last 32 videos (by the time you read this article it will be outdated of course) shall we & see what he's saying 'FOR THE LORD'...

Okay... Eddy attacks Kim in 11 videos, Ruckman in 6 videos, Denlinger in 6 videos, Breaker in 7 videos, 'everyone' in 2 videos, there are of course cross overs in each one too. So, get this... in EVERY SINGLE VIDEO Eddy makes, he is ATTACKING SOMEONE... that is ALL HE DOES, nothing else, just attacks Bible Believing Christians with his heretical teaching as listed previously. He is spending his whole life doing just this, no tracts, no evangelism, no preaching or teaching, no witnessing, no living for the Lord neither serving him, no ministry, no caring or loving anyone, he is just doing the Devil's work of attacking God's servants, trying to cause confusion, division & intolerance. Eddy-Pfenny is a Bible REJECTOR, make that known. Let's get that down in writing so that all can see. He rejects every verse that talks about encouragement, building up the saints in the Body of Christ, reaching lost souls with the Gospel (although he doesn't know what the Gospel is sadly to say). Eddy wants a reputation (Phil 2v7!!!), he wants to be someone, & I have to admit, he has reached his goal in life... Eddy has a reputation... he is a fully fledged idiot incapable of accomplishing anything worthwhile in life for the Lord Jesus Christ... WELL DONE Eddy, you've reached your goal. If you are a follower, a disciple of this very arrogant individual, I have to admit, you are a bigger fool than he is, you have been sucked into all kinds of weird doctrines of devils (1 Tim 4v1) without even knowing it. You too, will become a very angry, incompetent person, achieving nothing for the Lord. It's 'your' life, do as you like, but for us Bible Believers, we shall continue to serve God, reaching lost souls with the Gospel. *Poor old Eddy!*

### Another life challenged by the word of God to do more for the Lord...

Hi John, I heard the message "Examine yourself" and it stung me. The letter of Ephesus in Revelation always has been on my mind for some time, especially the words "left thy first love". I want to go back and run mountains again for the Lord. Please pray for me that I will live for Him alone! Thanks brother for your exhortation and will also pray for you and for the others in your church. In Nijmegen this week there is also a big event happening called the "Vierdaagse" (four days). Many people (international) walk certain distances in a period of four days (who would have guessed). Also around that walking is a big "festival", named the "Zomerfeesten" (Summerparty). Please pray, if God wants me there this week to give out tracts, I will receive boldness and a love for the lost (standing there in His power and not my own). Thanks in advance, love you all and have a great week! In Christ, Erik. So, by the preaching of the word, this man has been stirred up to serve the Lord & get the Gospel out. These are the kind of emails we receive on a regular basis, which is a huge encouragement to us all here at Time for Truth!

### Christianity of yesteryear cf. today...

With people like Pfenny & Hunter telling us all that we shouldn't listen to preachers & teachers, or buy & read their commentaries (even though they both have bought ALL of Ruckman's etc.), because no one has got it 100% correct, they play super-spiritual by saying "Just read the Scriptures" (even though they read Ruckman's commentaries). Hunter & Pfenny would have us all JUST watch their YouTube channels, nothing else, ONLY THEM. To which we would say... "What a load of old TOSH!" Think of all the Christians from the apostle Paul to 2019. Hunter & Pfenny (both from the same ilk) would say DON'T listen to any of them. You will notice that people like John Wesley & Billy Sunday who won hundreds of thousands of souls to the Lord, lived in the Scriptures. Hunter & Pfenny have a YouTube channel... THAT IS IT. They both make every excuse they can find NOT to preach the Gospel, NOT to give out tracts, NOT to witness to the lost, NOT to seek sinners for Jesus Christ, NOT to have a ministry for the Lord. All they want to do is make YouTube videos telling everyone how they should live... what a joke. You've got to smile haven't you. These total muppets are all but useless. What a waste of a life. For all the years they have been on YouTube, they haven't made ONE SINGLE VIDEO about reaching lost souls for Jesus Christ, have you noticed that? I wonder why...? You KNOW, they KNOW, the Lord KNOWS... & I KNOW. Who do you think the Lord is more pleased with... **Martin Luther & William Tyndale** or *Mark Hunter & Eddy-Pfenny*? There's no comparison is there. Modern day Christianity really does produce effeminate Christians who have no guts or backbone doesn't it?

### Illiterate Debbie Gill shows her ignorance...

Debra Gill 8 hours ago

Amen Brother, keep hamming them. The reason your little channel is being noticed is because GOD is working through you! GOD BLESS!!!

Debbie Gill (*WHAT a woman!!! Just look at that pose baby! Phwoar! Gets your blood boiling doesn't it?*) – this is the type of person that follows Pfenny. She writes in regard to attacking Ruckman "Keep HAMMING them". Now does anyone know what a 'Hamming' is? Not only that, but the silly old bat thinks Pfenny's 'little' channel is now getting 'noticed'... & do you KNOW why? You guessed it, because he is USING Ruckman for fame. If Pfenny didn't attack Ruckman etc. he'd have less than 25 hits per video. Pfenny NEEDS Ruckman or he'd never even get noticed like old Gill said (Debbie Gill – WHAT a woman!!!)

*Do you think there's a chance that old bat Gill will marry Ghostly-Ed? Now there's a question!*

*Wouldn't they make a lovely couple? Can I be best man & give the speech?*

*They are perfectly suited for each other – Hyper-Diaper-Nutjobs!*

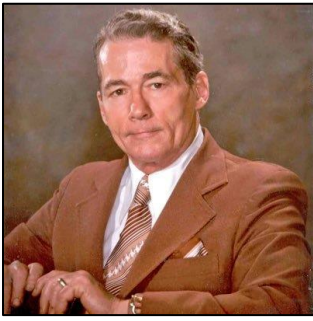

### Be yourself!

Too many Christians are trying to be somebody they're not, are you? (Run these references for a great little study - Gal 6v3, Rom 12v3, 1 Cor 8v2, 2 Cor 3v5, 2 Cor 12v11, Gal 2v6, 1 Cor 8v1-3, Acts 5v36, 1 Cor 4v6, Luke 6v26, Prov 20v6). God wants you to live for him, not try to emulate your favourite preacher or teacher. I fell into this trap, but the older I get the more I realise that the Lord Jesus Christ wants John Davis to be John Davis living for Him. Due to pride & arrogance, too many preachers & teachers like to 'act, show off' in the pulpit. They like to entertain, promote their flesh rather than preach & teach in humility... 'look at me, look at what I know'. FAKE-humility also seems to permeate their being also. I hate it in them... I hate it IN ME! God wants to work through us, use us, in all kinds of different ways, but when you start stealing His glory, or you start promoting yourself instead of Him, then you will NOT accomplish what you should do. Recently I have watched a few different preachers & teachers in the pulpit, & all of them were acting, pretending, making out they were someone they weren't... & they just couldn't see it within themselves. What they said was good, it was just that their 'delivery' was 90% flesh. There aren't many Christian ministers that really impress me when it comes to humility. If you are a pastor, leader, teacher, are you trying to be somebody you're not? Is humility something you seek to ascertain?

## When Peter Ruckman went to Heaven...

(November 19, 1921 – April 21, 2016)

Remember what I said regarding what would happen when Ruckman died... 'All the snakes would come out of the grass & attack him'. They wouldn't do it when he was alive because they were all cowards... e.g. Pfenny, Stauffer, Lex, etc. Not one of them dare attack Ruckman when he was even in his 90's because they knew that even at that age, he would have destroyed them. Take coward Pfenny, he keeps attacking Ruckman in most of his videos now, trying to get a following, trying to make a name for himself as he can't without Ruckman. YouTube is full of weak & shallow Christians who are so jealous of the depth that Peter Ruckman went to in his Bible studies. Even though none of us really take Pfenny seriously, he's an absolute joke when it comes to understanding & rightly dividing the word of truth. He doesn't understand dual application, he doesn't understand the books of Hebrews & James, & he thinks there is only one Gospel for every dispensation. These boys are novices (1 Tim 3v6). Little Eddy with his different coloured jumpers doesn't teach the Bible for one reason only... he can't, so he attacks instead. That's what all Hyper-Dispensationalists do, they just attack. As I keep saying, the reason why Eddy doesn't win souls is because he doesn't know the Gospel & how to preach it to a lost sinner, so he doesn't try. If Eddy is saved (???) then he hasn't grown spiritually in the last 10 years. Think of all the Christians on YouTube who are LIVING OFF Ruckman, it's quite amazing isn't it, how one man can have such an effect on so many. You will learn more from one of Gene Kim's videos than the whole of Eddy's YouTube channel, I mean EVERY SINGLE nauseating video he puts out. Listen boys & girls... stick with Ruckman, Larkin, Scofield, Kim, Schreib, Walker, O'Reilly etc. & dump the Hyper-CULT – Pfenny, Richling, Breaker, Beaulieu etc. as they'll lead you into all kinds of heretical nonsense. Peter Ruckman was the BEST Bible teacher I have ever come across. If you don't agree, tell me one who is/was better? None of them have gone as deep into the Scriptures like Ruckman went. Even his enemies read & use all of his materials pretending that it's their own work.

**This happened to Pfenny when Gene Kim exposed him for the heretic he is.  
He has finally morphed...!**

These are the faces of a 'man' who doesn't understand the Scriptures. Poor old Eddy couldn't destroy Bryan Denlinger through his videos (although he tried very hard), so he thought he'd attack **Gene Kim** (one of the best Bible teachers on YouTube), but sadly this is what happened to effeminate Pfenny...he **morphed** into his real self (an old lady with no teeth – **Read Ps 3v7, Ps 58v6, Prov 30v14, Lam 3v16, Job 16 & 41**) as you can see, never to be seen again. Pfenny, who believes Adam & Abraham were saved the same way as you are (!!!), who also believes that if you ASK God to save you He will send you to Hell, who also believes that all children in Sunday School are in Hell because they ASKED Jesus to save them, has finally had his big arrogant mouth stopped. His false teeth have been removed & this little man (no taller than the third shelf of his bookcase), has finally realised that Gene Kim is right & he (old-lady-Pfenny), has been **WRONGLY** dividing the truth for years. You see, he just couldn't understand the depth of Ruckman, so his mind blew, & Gene Kim finished him off. The last straw was when Pfenny decided to make pretend that salvation in the OT was the same as the NT which is the same as salvation in Daniel's 70<sup>th</sup> Week, which is the same as salvation in the Millennium. Fake-Pfenny is finished. It's time to switch off, unsubscribe & delete his little channel. Leave this poor man alone Gene, you're just too much for him, the depth of Bible teaching you go to, is not for shallow old ladies like Pfenny. **For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat. For every one that useth milk is unskilful in the word of righteousness: for he is a babe. But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil.** Heb 5v12-14. (See Tft! News issue 82 page 21+27 for Fake-Pfenny's Judgment Seat résumé...!)

### Mat 1v1 and the word 'son'...

A 'son' can be a great-great-great-great-great-grandson, or 'son-in-law' (Luke 3v23), OR, even an 'adopted son' (Mat 1v1-18). Jesus was not even David's son by descent, literally; yet here He is called 'the son of David', as also in Mat 22v45.

### Interesting info taken from Ruckman's commentary on Matthew...

The Angel of the Lord can apply to the Lord Jesus Himself in BOTH testaments – Mat 1v20, Gal 4v14, Acts 27v23, Gen 32v30, Judg 13v18. Christ Jesus 'as a Spirit' has a bodily shape (Gal 4v19, Phil 3v10, 1 Cor 4v15), & His bodily shape can be seen in the Angel of the Lord.

### Joshua or Jesus...

Mat 1v21 cf. Luke 1v30-33. Joseph named the child Jesus. It's the Old Testament 'Joshua'. The word is inserted for 'Joshua' in two passages, & both times 'modern scholars' tell us it's a mistake. The word 'Jesus' for 'Joshua' in Heb 4v8 points out the fact that the wilderness journey will be repeated IN THE FUTURE (Rev 11, Mic 7v14+15, Hos 2v14-20). We also see the same thing in Acts 7v45. The book of Joshua is a type of the Second Advent/Coming of Jesus Christ. Change the word like all modern Bibles do, & you lose this prophetic thread showing you what will happen in the future.

### The Year of 2019, a good year for you?

Well we are nearing the end of July, it's flown (Job 7v6+7+9, Jam 4v14, Ps 103v15, Hos 13v3). I can't remember a faster year. Has it been a good year regarding your Christian life, or one where you have wasted so much valuable time? Don't continue in this state, make it a good finish. Sort things out today, if something is wrong with your walk e.g. sin. Have a fresh start right now, talk to the Lord & repent if need be. It's easy to stay in the same situation without trying to get out of it. If you're struggling, TALK to the Lord, sort things out. We haven't the time to waste on sinful pleasures, carnality & worldliness, live for the Lord.

### Christopher in Scotland...

This guy impresses me. I speak to him at least once a week & he's always talking about the Lord. He tracts, street preaches, & witnesses everywhere he can. He works nightshifts to pay his bills & he travels hours to his local King James Bible Believing Church. He's a *committed* Christian & loves to serve the Lord. Chris has achieved more in his short time since being saved, than Pfenny has in his *entire* Christian life. If you are in Scotland, you ought to team up with this guy & his church & encourage one another. I've got a lot of time for Chris.

### The Oaks Church go tracting...without me!

When I was away with the girls at a trade show, do you know what most of the members did? Did they have a day off & relax? No, instead, Cristian & Liz opened up their home for a service. Matt preached & then they all went tracting together. That's the kind of Christians that attend the Oaks Church. I was very encouraged by this. One of our members, Allison, is always giving out tracts. She travels to lots of places on her own & distributes tracts everywhere. Matt in Stratford does the same. They do this off their own backs, all because they LOVE the Lord Jesus Christ & are trying to reach lost souls with the Gospel.

### Thank you as always...

Again, I would *personally* like to thank everyone of you who prays & supports **Time for Truth!** & the work we do. I wish we could impact more lives all over the world, but we are just a small ministry, doing what we can for the Lord. I appreciate every email, letter & phone call I receive from those of you who are also trying to serve the Lord Jesus Christ the best you can. I have no time for lazy apathetic Christians, neither *YouTube Christians* who are really doing NOTHING for the Lord but only attack His servants. All I want to do with my own life is live it for Jesus Christ. Either help me serve Him, or get out of my way. People like Pfenny, Hunter, Anderson, Lex, Baby-Eli, Breaker, & all the other arrogant critics like them, are a curse on the Body of Christ & need to be dealt with accordingly. If you don't like what we do, don't agree with what we do, **unsubscribe** & go annoy someone else. **Time for Truth!** is committed to getting the Gospel out to lost souls, preaching & teaching the Scriptures, building up the saints in the Lord, & fulfilling the Lord's will in our lives. Either join in & help us, or 'go play' somewhere else. Time is running out... there's so much to do. Thank you, Lord Jesus, for every day of life you give to us. May we all live to bring honour & glory to you.

### If the Rapture is this year... are you ready?

Is your house in order? (Isa 38v1) Whether it's death or the Rapture (1 Thes 4v11-18, 1 Cor 15v51-58), are you ready TO GO? Are you living as you *should*? - 1 Pet 3v15, Col 4v6, Ps 119v46, Acts 26v2, Mat 10v18+19, Acts 4v8, Acts 17v2, 16v13, 13v15+16. Time is running out. You have a responsibility... are you shirking from it or living up to it?
